Sub: Branding Support - Industry-Academia Collaboration

20-01-2022

Dear Dr. Chandrasekar,

Greetings from Bosch!

Thank you for sending the Acknowledgment letter from your institution. We are happy to welcome your institution to collaborate with Bosch as a part of our CSR Industry-Academia Collaboration initiative.

I am sure you will agree that this opportunity of working together on skill development is in line with the New Educational Policy-2020, which emphasizes the strategic and sustained inclusion of vocational skills in all educational spectrums.

With Bosch's expertise in skill development since 1961, reinforced by the President of India's "Best Establishment Award" 54 times for its technical trade training programs, followed by prestigious awards such as the FICCI CSR Award for employability skill development excellence for our flagship program "BRIDGE", we are confident to be a reliable partner in your efforts on skilling the youth.

With reference to our provisional empanelment letter, we are pleased to provide 6 posters as support by way of some branding for Industry-Academia collaboration at your institution.

We look forward to an impactful journey ahead.

Thank you.

With warm regards,

Dr. O. P. Goel

MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN

**E.G.S. PILLAY ENGINEERING COLLEGE,
Nagapattinam, Tamilnadu**

AND

**ZAPHIRE INFORMATION TECHNOLOGY AND
SERVICES PRIVATE LIMITED**

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 4th DAY OF **April, 2022** by and between

E.G.S. Pillay Engineering College, Nagapattinam, Tamilnadu the **First Party** represented herein by its **Shri.S.Senthil Kumar**, Secretary, E.G.S. Pillay Engineering College, Nagapattinam, Tamilnadu. (hereinafter referred as '**First Party**', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

ZAPHIRE INFORMATION TECHNOLOGY AND SERVICES PRIVATE LIMITED (U72900TN2021PTC140751) , **THE SECOND PARTY**, and represented herein by its **DIRECTOR DIVAN GAMALIEL**, (hereinafter referred to as "**Second Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party') and

WHEREAS:

The First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities to benefit students and job seekers.

The Parties intend to cooperate within the area of Skill-Based Training and Placement Assistance and Internships.

Now, therefore, in consideration of the mutual promises set forth in this MoU, the parties hereto agree as follows:

1. SCOPE OF THE MOU

1.1 Co-operation and Collaboration: The students from the institution can play a key role in technological up-gradation, innovation, and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge and career prospects.

Placement of Trained Students: The Second Party will actively engage to help in the placement of the students of the First Party in suitable jobs and internships.

- 1.3 There is no financial commitment on the part of either party in the scope of these assisted placement initiatives offered by the Second Party. The placement assistance offered is subject to the following terms:
- 1.3.1 To be considered for placement assistance /Internship, students must be registered in the Zaphire platform.
- 1.3.2 Students must create a VIDEO resume using the available templates on the Zaphire app.
- 1.3.3 All VIDEO resumes must be in English, and meet the minimum quality criteria as ascertained and checked by Zaphire's representatives regarding aspects like completeness, the accuracy of the information, quality of audio and video etc.
- 1.3.4 Zaphire's computer algorithm and its representatives will screen and shortlist the students for various available opportunities based on skills, experience, job location, and any other fitment parameters necessary.
- 1.3.5 While the intent is to place as all qualified students as possible, there is no assurance from the Second Party on placement outcomes since this depends on a host of factors and fitment criteria.
- 1.3.6 If a student is successfully placed in a job/program/internship in which the client trains students / invest money in skill up-gradation but chooses to leave the job/program within 3 months from the start date for whatever reason OR is asked to leave for reasons of performance, conduct or any other reason, the First Party agrees to offer a suitable replacement candidate as soon as possible.

2. INTELLECTUAL PROPERTY

- 2.1 Nothing contained in this MOU shall, by express grant, implication, estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copyrights and designs) of the other Party.

3. VALIDITY

- 3.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period, both Parties will take effective steps for implementation of this MOU. Any act on the part of either party after termination of this Agreement by way of communication, correspondence, etc., shall not be construed as an extension of this MOU.

either party may terminate this MOU upon 30 calendar days' notice in writing. In the event of termination, both parties must discharge their obligations as mutually discussed.

4. NON-CIRCUMVENTION

4.1 The First Party agrees not to engage with, directly or indirectly, the clients of the Second Party while the MOU is active.

5. RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

5.2 It is also agreed that the First Party agrees to have the Second Party use the logo and branding for marketing purposes on the website, brochures, social media, and other media events to help get the required visibility and exposure for the students.

No failure or delay on the part of either party in the exercise of any right or privilege hereunder shall operate as a waiver thereof or of the exercise of any other right or privilege hereunder, nor shall any single or partial exercise of any such right or privilege preclude other or further exercise thereof of any other right of privilege.

18. Severability

If any provision of the MOU is held to be ineffective, unenforceable or illegal for any reason, such decision shall not affect the validity or enforceability of any or all the remaining portions thereof.

19. Non-solicitation

During the terms of this MOU and for one year after its expiry or termination, neither party shall, without the prior written consent of the other party, canvass or solicit for direct or indirect employment of any employee (involved with work of this MOU) of each other or proceed with any application by or on behalf of that employee for direct or indirect employment. Neither party shall procure any third party to do any of the aforesaid acts.

20. Payment Terms

There is **no financial commitment** on the part of the E.G.S. Pillay Engineering College, Nagapattinam, Tamilnadu, to take up any program mention in MoU. If there is any financial consideration, it will be dealt separately.

Whereas First Party has been the premier technical institution in Tamilnadu offering a number of Engineering and Technology courses at undergraduate and post graduate levels, wherein a number of consultancies and software development projects are carried out.

Whereas Second Party having two divisions of expertise in imparting education and conducting Training Program in the field of CAD/CAM/CAE through its CAD/CAM/CAE division and Conducting Industrial Workshops & Training through its Workshop division.

Whereas First Party and Second Party agreed to conduct regular Workshops / Training programs in each semester in pursuance of their object of providing quality technical training.

1) Introduction

The growth of technology has been inhibited because of the lack of high end training facilities to upgrade the expertise of engineers and train them in emerging technologies. Now the age of design automation has truly begun. The Mechanical industry is growing at a tremendous speed. There is a big dearth of expert and experienced Mechanical Engineering professionals, who can rapidly develop and apply new technology, accelerating growth. Hence, skilled and experienced Engineers can demand high salaries in the sector.

Second party seeks to fill the gap by training India's next generation of Mechanical Engineering professionals at its high tech, best-in-class training facilities where the corporate office in Chennai.

2) Now this memorandum of understanding for Workshops witnessed as under:

2.1 Responsibility of First Party:

- 2.1.1 First Party will organize Mechanical Engineering and allied technical programs by joining hands with second party at on site program in their college premises on regular basis for students.
- 2.1.2 First Party will provide suitable premises for conducting the Technical programs with the entire infrastructure suitable for the same.
- 2.1.3 First Party should provide the projector, Audio & Video facility or any other devices required for conducting the training program.
- 2.1.4 First Party has to organize workshops and other technical programs for the students in each & every semester during the agreement period.

2.2 Responsibility of second Party:

2.2.1 The Second Party has to conduct Mechanical Engineering and allied technical programs at **FREE OF COST**.

2.2.2 The Second Party has to conduct workshops for the students of the first party in each & every semester during the agreement period.

2.2.3 The Second Party has to provide Participation Certificates for the students & Organizing Certificates for the Staffs of the First Party.

3) Common Terms:

Both the Parties are hereby mutually agreed to use their Institution name, logo, trademarks etc. in their own promotional and branding activities including websites, electronic and printing medium.

4) Validity of MOU:

The MOU between First Party and Second Party is valid up to 2 years from the date of agreement

5) Renewal Requisition:

The request for renewal shall be made 3 months before the expiry of the current period and both First Party and Second Party reserve the right to renew it.

- f. NHAI may suitably adopt the research output and feedback received from EGSPEC in practice for qualitative improvement as deemed fit at appropriate stage of implementation.
- g. NHAI may support creation of Lab infrastructure in the Institute and can sponsor relevant research project that helps in using alternative resource material and improving quality of roads.
- h. The NH stretch adopted can be co-branded with EGSPEC by NHAI

EGSPEC

- a. The Institute shall adopt stretch(es) of NHs as specified in the **Appendix-1** as a voluntary initiative.
- b. EGSPEC through its authorized faculty, researchers and students will carry out periodic investigation and give suitable suggestions for improving the efficiency of existing highway asset inter alia covering the following aspects:
- (i) Improvements in safety provision by removing existing deficiencies
 - (ii) Improvements in continual maintenance of the stretch using new technologies
 - (iii) Localized solutions for removal of congestion points thereby increasing the average speed of traffic flow
 - (iv) Improvements in the riding comfort through cost effective measures based on innovative technologies on practices applicable in the area
 - (v) Viability of new way side amenities for road user based on the existing traffic pattern and user expectations
 - (vi) Potential solutions to old recurring problems based on local experience etc.
- c. The Institute may also associate with the consultants/NHAI during conceptualization, design and project preparation of new projects and suggest the relevant parameters and innovations based on experience specific to the site climate, geology, topography and resource potential for better environmental and socio-economic outcome

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ('MOU') is executed on 19th Oct, 2020, at EGS Campus, Nagapattinam
AND BETWEEN

SOLVERMINDS Solutions & Technologies Pvt. Ltd, a Company incorporated under the provisions of Companies Act, 1956 and having its registered office at Plot 2B-4, 7th Cross Street, SIPCOT IT Park, OMR, Siruseri, Chennai, 603 103 Tamil Nadu, India represented by its authorized signatory Ravishanker Kannan Head-Talent Acquisition, hereinafter referred to as 'SVM' on the ONE PART (which expression whenever used shall mean and include its successors, administrators and assigns),

AND

Private and confidential – MOU between SVM and EGS Campus

EGS Pillay Engineering College, Old, Nagore Main Rd, Thethi village, Nagore, Nagapattinam, Tamil Nadu 611002. represented by its authorized signatory Shri S. Parameswaran
Hereinafter referred to as 'Institution' on the OTHER PART (which expression, whenever used, shall mean and include its successors, administrators and assigns).

(SVM and Institution are individually referred to as 'Party' and collectively referred to as 'Parties').

WHEREAS SVM is a global information technology services company and provides IT and business consulting, application support and maintenance, development, systems integration, and managed services to its customers.

AND WHEREAS Institution is a premier educational institute in the country and provides a high quality educational experience to students in a diverse learning environment. From classrooms and laboratories to playgrounds and campus hostels, all the facilities and amenities provided to meet the world-class standards

The Institution has evolved a comprehensive student-centric learning approach consisting of several stages, designed to add significant values to the learner's understanding in an integrated manner, covering relevant knowledge, practical skills, and positive attitudes.

AND WHEREAS Institution, to enrich practical skills and impart industry-relevant course curriculum to students of all engineering disciplines in the field of Information Technology(IT), has approached SVM for forging an industry-institute academic alliance with the intent to facilitate and train Institution's students and faculty on Development / Testing by utilizing SVM's relevant experience and by deputing SVM's representatives from time to time at the Institution with the object of providing exposure to SVM's Faculty and students to current industrial needs and requirements.

AND WHEREAS SVM, with a bona fide and non-commercial intention of serving the purpose of education and making the students more exposure to the present industrial needs and requirements thereby reducing the cost and time involved in training and making them skill-based personnel after graduation, has accepted the request of Institution.

Accordingly, the Parties have decided to reduce into writing their mutual representations and understanding as stated hereunder:

NOW THIS MOU WITNESSETH AS FOLLOWS:

According to the foregoing covenants, the Parties hereby agree and the state as follows;

1. That the Parties on this day have executed this MOU intending to enhance the quality of the educational experience for students and training of faculty of Institution and also for industry-institute collaboration between the Parties for mutual benefit and pursuant thereto the Parties agreed for:

- (a) SVM may as mutually agreed from time to time, provide Institution with certain material and access to the Development / Testing library and collaterals and the Institution shall use the materials and access to the Development / Testing library under the guidance of SVM and only for this MOU.
- (b) If requested by SVM, the Institution will nominate two or three faculty members for undergoing the Trainer program at SVM's office at Chennai for two weeks. The faculty, after completion of training, will be allowed to train a certain number of students as agreed upon in writing from time to time.
- (c) The final year students to be trained will be pre-selected by SVM (hereinafter referred to as the 'Pre-selected Students').
- (d) The course will be imparted for the duration specified by SVM as an additional training program. This program will be run during the pre-final semester of the graduation course being offered by the Institution for the Pre-selected students.

- (e) The Institution is not allowed to charge the Pre-selected Students any fee for this course. If it is found that Institution has charged fees for this program from students, SVM will have the right to immediately terminate this MOU and stop all association with the Institution.
- (f) The Institution is not allowed to train any other students according to this MOU other than the Pre-selected Students by SVM.
- (g) SVM shall retain the right of first refusal for making employment offers on completion of their graduation from the pool of Pre-selected Students. This is however not applied for the students who are not pre-selected by SVM or have not been made part of the training program under this MOU.
- (h) Pre-selected students who undergo this program as part of their pre-final semester may also be given an internship opportunity by SVM either in its office or through virtual mode.
- (i) The Institution will at its own cost establish a lab with the specified infrastructure requirements of SVM and will use the lab for imparting the course/training under this MOU. This lab will be used as a first preference for the purpose stated above.

2. The MOU shall be valid for Two (2) years from the date of execution. The Parties shall be at full liberty to terminate the MOU at any time by issuing a prior notice of fifteen (15) days. The Parties shall make reasonable efforts for the performance of the MOU and shall in good faith cooperate with each other in duly performing the obligation agreed upon. The Parties herein have agreed to perform various obligations with a voluntary service motive and there is no monetary obligation/consideration involved herein between the Parties. Under no circumstances, SVM shall be treated as the vendor, contractor, and agent of the Institution (or vice-versa).

3. The Institution shall have to bear all expenses towards providing infrastructure, network and internet access, and the other facilities required for the education and training. The Institution will not use the material or access to the Development / Testing library for any other use other than the above-mentioned process. Training of the faculty members or more number of students than agreed or using licenses for any other commercial/non-commercial purposes will be a

breach of this MOU and such use may attract legal action along with immediate termination of the MOU.

4. The Institution shall indemnify, defend and hold SVM, its subsidiaries and affiliates thereof and their respective officers, directors, agents and employees, harmless from and against all claims, damages, liabilities, costs, losses and expenses, including reasonable attorneys' fees and expenses incurred, related to or arising from: (i) bodily injury or damage to property incurred from or in connection with the performance of Institution under this MOU; (ii) any claim by or against SVM arising out of a breach by the Institution of any obligations (including, without limitation, any warranty, confidentiality, intellectual property, assignment obligations) under this Agreement; (iii) the infringement, misappropriation or a claim of infringement or misappropriation of any patent, copyright, trademark or other proprietary or intellectual property right of a third party; (iv) the acts, omissions, negligence or misconduct of the Institution or its students, officers, directors, agents, representatives, assigns, personnel and employees; (v) any claims by the students or third parties against SVM related to this MOU.

5. SVM may also provide the Institution with publicity material such as handouts, information brochures, and posters, and the Institution shall return any such materials, to SVM on the termination or expiry of this MOU, or as and when requested to do so by SVM.

6. Except for collaboration related to Development / Testing practice, the Institution is not barred from having collaborations with other organizations. Except as expressly stated in this MOU, there shall be no obligation on any Party to compensate the other in any manner or any claim. For initiatives that are planned for the Development / Testing domain, the Institution can invite guest speakers with prior approval from SVM. Any other event in this domain will be conducted in collaboration with SVM.

7. The Parties shall independently meet their expenditure incurred by the respective Parties in performing their part of obligations agreed herein.

8. The Parties shall respect the intellectual property of the other Party and third parties and shall not use the trade name, trademark, copyright, patent, symbol, or designation belonging to the other Party without prior approval and permission. No Party shall claim itself as an agent or representative of the other Party or create any liability for the other Party.

9. The Parties shall maintain the confidentiality of all information, course materials, plans, discussions, strategies, data, or any material which shall be deemed to be confidential.

10. IN NO EVENT SHALL (A) EITHER PARTY IS LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES OF ANY NATURE WHATSOEVER, WHETHER IN CONTRACT, WARRANTY OR TORT, INCLUDING WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, REVENUE, DATA, COVER, LOSS OF OR INTERRUPTION OF BUSINESS OF CUSTOMER OR ANY OTHER PARTY ARISING OUT OF OR IN CONNECTION WITH THE DELIVERY, USE OR PERFORMANCE OF THE SERVICES, THE DELIVERABLES, ANY SOFTWARE OR ANY OTHER MATERIALS OR ITEMS, EVEN IF THAT PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR EVEN IF SUCH DAMAGES ARE REASONABLY FORESEEABLE, AND (B) SVM'S AGGREGATE LIABILITY ARISING OUT OF THIS MOU FOR ANY CLAIM OR CLAIMS EXCEED INR 1000.

11. The Parties represent that they have the full power and authority to enter into this MOU in general and none of the objects stipulated herein are against public policy.

12. The Parties shall designate their respective representatives who shall be the primary point of contact on behalf of that Party.

13. Neither of the Parties shall use the name of the other Party in any advertisement nor make any public announcement without the prior written approval of the other Party.

14. SVM will be provided the dream slot during the campus placements by the Institution, which will be finalized based on mutual discussion and agreement.

15. SVM may or may not at its discretion to visit the campus for placements and either Party shall not make any claims on each other in this regard.

16. The Parties may negotiate amendments to this MOU, if necessary, to meet the evolving requirements. Any amendment and / or modifications to the MOU will require written approval from both Parties.

IN WRITTEN WHEREOF both Parties put their hard seal on the day, month and year stated hereinabove;

2. SEUSL is a government university located in Sri Lanka, and provides university-education and trainings at national level in the areas of engineering, applied sciences, information technology, business management.
3. The Parties now recognizing the benefits to their respective institutions from the establishment of international links enter into this Memorandum of Understanding ("MOU"). The aim of this MOU is to promote academic and educational exchange between two institutions.
4. The Parties wish to enter into a series of discussions for the mutual benefit of both Parties, and for purposes more particularly set forth herein.

The Parties hereby mutually agree to the following:

1. Scope of Understanding:

The provisions stated in this MOU are statements of intention only. This is not a binding agreement between the Parties (save for the confidentiality provisions below), and no such agreement shall exist until both Parties have negotiated, prepared and executed a separate individual written agreement establishing the binding obligations of the Parties and approved by each Party's Board of Directors / Governing Authority in relation to specific objectives stated below.

[Handwritten signature]

This MOU is intended to establish a basis upon which E.G.S.P.G.O.I and SEUSL may explore areas for co-operation in the development and promotion of both academic research and enhancing the educational opportunities for students. The Parties believe that such endeavours would be in the interest of both Parties, academic and general community at large. In this regard, the Parties agree to discuss and explore the following objectives for mutual benefits:

A) Scope of Agreement

- i. Conducting joint research and development project
- ii. Organizing conferences and workshops
- iii. Exchange of invitation to professors, researchers, students for conferences, seminar, workshops, lab visits and short term projects
- iv. Exchange of teaching materials and scientific publications
- v. Encourage students and faculties to spend period of time in the host university.

B) Responsibilities of the Parties

- i. Both sides will circulate essential information in timely manner
 - ii. The MOU shall be subjected to periodic review by both the institutions
 - iii. Financial matters including travel are subject to individual negotiation
 - iv. The host institution agrees to assist in housing, arranging work space, library and other technical facilities.
- 1.2. Specific activities or projects based on this MOU will be separately negotiated and will be subject to further agreement detailing the parties' responsibilities, obligations and conditions relating to each activity or project.
- 1.3. This MOU shall be officially executed in three (3) copies in English.

2. Contact Persons:

SEUSL hereby appoints Prof. M.M.M. Najim (Vice-Chancellor) and E.G.S.P.G.O.I hereby appoints (Prof. V. Sivaraman, Director, Industry Institute Relations) to co-ordinate and oversees all discussions between the Parties pursuant to this MOU.

3. Mutual Expense and Reliance:

Each Party will be responsible for its own expenses during the discussions in connection with this MOU, and all discussions shall be done in good faith for the mutual benefit of both Parties involved. Any action taken in reliance on the understanding expressed in this MOU shall be at the Parties' own risk.

4. Confidentiality:

- a) All information exchanged between Parties in connection with this MOU or during discussions preceding this MOU and relating to this MOU or to any matter contemplated by this MOU, and any discussions held between the Parties are CONFIDENTIAL to them and may not be disclosed to any third party during the period of this MOU or anytime thereafter except:

- i) with the written consent of the other Party;

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (herein after referred to as the "MOU") is made at NAGAPATTINAM (Place) on 04th day of February 2016 between Educational Institution located at NAGAPATTINAM represented herein by THE PRINCIPAL (herein after called "Educational Institution":) and the Tamil Nadu Pollution Control Board (TNPCB) located at NAGAPATTINAM represented herein by its DEE Mr. A.RAJA (herein after called "TNPCB").

TNPCB is interested in establishing Continuous Ambient Air Quality Monitoring Stations (CAAQMS) in Tamilnadu with the participation of the Educational Institutions at 25 locations identified jointly by the TNPCB and Educational Institutions.

District Environmental Engineer,
Tamil Nadu Pollution Control Board
NAGAPATTINAM.

Dr. S. RAMABALAN, M.E., Ph.D.,
Principal
E.S.S. Pillay Engineering College
Nagapattinam - 611 002.

Role of TNPCB

- i. All the Instruments/Equipments will be purchased by calling Open Tenders by TNPCB.
- ii. They will be established in the identified places/stations by the TNPCB.
- iii. The rent if any fixed for the building identified for CAAQM Station will be paid by TNPCB after making agreement with the owner of the building for a minimum period of 5 years, which will be renewed by another 5 years or more as per the PWD rates at the option of TNPCB.
- iv. The initial three phase power supply provisions and telephone connection with internet facility for CAAQM Stations will be arranged by TNPCB. Internal wiring for the stations will also be arranged by TNPCB as per the requirement given by the O&M contractor.
- v. After complete establishment of the stations by the supplier, the stations will be handed over to the O&M contractor by getting indemnity bond prescribed for this purpose in the tender documents.
- vi. TNPCB will issue Operation and Maintenance Contract (Q&M) to the supplier to maintain the CAAQM Stations initially for 5 years which may be renewed to another 10 years (in 5 years package) or up to the life period of the analyser, whichever is later at the option of TNPCB.
- vii. The O&M payment will be made by TNPCB after getting necessary certificates from the respective Educational Institutions as prescribed in the tender documents and in the O&M conditions along with invoice of the contractor.

2.0 Role of Educational Institutions

- i. Educational Institutions will identify suitable buildings for the proposed CAAQM Stations in coordination with the concerned District Environmental Engineers of TNPCB and fix rent if necessary as per the PWD norms.
- ii. Educational Institutions will identify a qualified staff for daily maintenance of the CAAQM Stations to the satisfaction of O&M Contractor. The identified staff will be responsible to the O&M contractor for the purpose of O&M and the O&M contractor will pay to the Educational Institution the salary and other benefits for the employee. The identified employee shall be entirely deputed to the O&M contractor. The O&M contractor will

provide enough training to the staff for daily maintenance of the stations. After getting trained, the staff should maintain the station in co-ordination with the O&M contractor. They shall be deemed to be the employees of the educational institution and there shall not exist any employer employee relationship between TNPCCB and the workers employed by the Educational Institution.

- iii. Each station will be connected to the respective Educational Institutions by Internet by providing necessary softwares, computers and printers by the O&M contractor so as to monitor the stations whether they are working or not and also get the reports as per the formats prescribed for this purpose. The internet services only will be provided by the Educational Institutions. All 25 Stations will also be connected to the CAC, TNPCCB Chennai, and IIT, Chennai for data analysis.
- iv. The validated data generated by the O&M contractor from the stations will be utilized by Educational Institutions for source apportionment studies and suggest necessary action plans for abatement of pollution in the particular station by using air monitoring models. The TNPCCB and other experts will be associated in the project for this purpose as may be required for the studies.
- v. Educational Institutions must carry out periodic inspections of the CAAQM Stations and report whether O&M contractor maintaining the instruments as per the O&M conditions and validated data are obtained by scheduled/periodic calibration of the analysers. For this purpose, the inspection format prescribed should be maintained and furnished by the educational institutions along with the certified invoice of the O&M contractor for making payment by TNPCCB.
- vi. The suggested action plans if any from the Educational Institution shall be sent periodically to TNPCCB for the real time data obtained.

3.0 Role of Operation and Maintenance (O&M) Contractor

- i. The O&M Contractor will maintain the stations under the direct supervision for respective Educational Institutions and TNPCCB nominees identified for the stations in all aspects like periodic calibration of analyzers, security, housekeeping and insurance.

District Environmental Engineer,
Tamil Nadu Pollution Control Board
NAGAPATTINAM

Dr. S. RAMABALAN, M.E., Ph.D.,
Principal

All the recurring expenditure like AMC for instruments/analysers/A.C./UPS, electricity charges, insurance, security expenditure, manpower, housekeeping, monthly payment of internet and telephone charges etc. will be incurred by the O&M contractor during the O&M period.

4.0 The Educational Institution and O&M contractor shall mutually agree to carry out the above activities of air quality monitoring station identified for at least for 10 years.

5.0 The data generated is the property of the TNPCCB and it could be used by the Educational Institution for research purposes only with the consent of TNPCCB in writing.

6.0 Publication

6.1 TNPCCB recognizes that under its policy, the Educational Institution shall have the right, at its discretion to release information or to public any material resulting from the research provided that such material does not include any TNPCCB's Confidential Information and that such publication would not disclose or otherwise jeopardize any potential patent rights in technology developed hereunder. The data before publication shall be sent to IIT for validation.

6.2 The Educational Institution should ensure the safety of the data.

6.3 The TNPCCB will be given full credit and acknowledgement for any support provided to the Educational Institution in any publication resulting from this Agreement, unless requested otherwise by TNPCCB.

7.0 Intellectual Property Rights.

7.1 TNPCCB shall retain ownership of all Intellectual property developed and/or purchased by TNPCCB or on TNPCCB's behalf prior to this agreement and to all Intellectual property developed and/or purchased by or on TNPCCB's behalf without the activity participation of the Educational Institution.

7.2 Except for the rights expressly granted to the Educational Institution under this agreement, the TNPCCB will retain all rights, title and interest in and to the Intellectual property and proprietary rights.

1. PREAMBLE

E.G.S Pillay Engineering College, Old Nagore Road, Nagapattinam District – 611 002 offers Under Graduate Programmes and Post Graduate Programmes in the Engineering stream. The Institute is promoting research activities apart from imparting quality education to students from across the nation. E.G.S Pillay Engineering College is deeply concerned with the commitment of quality education by creating and promoting interaction with industries and research organizations to provide up to date training and knowledge to the faculty and students.

NI has worked with engineers and scientists to provide answers to the most challenging questions. Through these pursuits, NI customers have brought hundreds of thousands of products to market, overcome innumerable technological roadblocks, and engineered a better life for us all. NI works with the innovators of the world to develop smarter products and technologies. In this example, see how FireFly Equipment used the NI CompactRIO platform to save hundreds of thousands of dollars in development time and simplify the complexity of an extremely advanced smart machine. NI provides its customers with powerful, intuitive technology to create systems that improve the world and address the engineering challenges of today, as well as those yet to come.
