Sub: Your Offer of Employment in Intellect

Dear Tharshini Priya Karthikeyan,

Thank you for the time you invested in exploring career opportunity with Intellect. Through the campus hiring process we have determined that your capabilities are aligned to the organization requirement and have hence chosen to invite you to be part of the Intellect family! Congratulations!!!

We believe that the prosperity of an organization is defined by the power of thought, of both individuals and teams and therein we put 'Design Thinking' at the core of everything we do. This maximizes our chances of getting to a state of mind that is 'Fulfillment'; as we create opportunities for ourselves to contribute to our fullest capacity with the freedom to think and act differently. This, in turn is possible with us having the feeling of belongingness. Hence, for us, all employees are associates and you are set to become one of our fellow associates.

This invitation to you is to join us as **Associate Consultant in Grade T120**. Your base location shall be **Chennai**. We are looking forward to welcoming you on your date of joining. We would communicate your date of joining in due course of time to your E-mail address on file with us. Your joining date will be after completion of your final semester exams. Please note that this offer shall stand to be void if you do not meet the qualifying criteria for award of the degree by the University.

Your gross compensation shall be **INR 500,000/- (Rupees Five Lakhs) per annum**. The details of the same are as in Annexure-A of this Offer of Employment. The organization is confident of its ability in hiring some of the best talent in the industry and you are one such talent. Backed by this confidence the organization is happy to assure you **100% of your variable pay component for the first two years of employment with us**. However, we would like to see you earning up to the maximum of **130% of your variable pay component**. The same shall be determined through the robust Performance Development Dialogue process that measures contribution during every year and sets you up for success in the next year.

When all of us come together as associates of this organization placing the interests of us humans above everything else, it is important that we have the ecosystem of policies and practices that enable us to exercise our rights freely. This is possible with everyone in the organization respecting each other as individuals, playing their part in protecting and nourishing the collective work culture. Towards this, we have set some boundaries / norms / rules for ourselves as associates of the organization and shall abide by the same in all circumstances. As we evolve, we do make changes to the rules governing ourselves to be aligned to the demands of the environment and associate needs. We will continue to abide by the changes as and when they are made. Given below are a brief on some of the key terms that govern us when we are in employment with the organization.
