

2.5 Evaluation Process and Reforms

2.5.3 IT integration and reforms in the examination procedures and processes including Continuous Assessment (CA) have brought in considerable improvement in Examination Management System (EMS) of the Institution

Continuous Assessment System (Additional Information)

(i) Theory Courses (REGULATIONS 2017, 2019, 2020, 2021):

For theory courses in curriculum out of 100 marks, the maximum marks for continuous assessment are fixed as 40 marks and the End Semester Examination carries 60 marks. The End Semester Examination for theory courses will be of 3 hours duration and shall normally be conducted between October and December during the odd semesters and between April and June during the even semesters. End Semester Examination is mandatory requirement for passing the course and every student should appear for the examination for theory, laboratory courses and project work. Internal Assessment tests are conducted by the exam cell of each department. Continuous Assessment comprises internal assessments test and activities and its weightages are given below.

Type	Syllabus	Duration	Maximum Mark	Internal Mark
Continuous Assessment Test 1	2 modules	1.5 hours	50 marks	15
Continuous Assessment Test 2	2 modules	1.5 hours	50 marks	15
Activity	2 activities like assignment, quiz, seminar etc.			10
Total Marks				40

In case a student has not appeared for the assessment due to medical reasons hospitalization/ accident /specific illness) or due to participation in the College/University/State/National /International level Sports events with prior permission from the principal, a reassessment may be given at the end of the semester after getting approval from the Head of the Department through the concerned faculty member handling the course.

(ii) Theory cum Lab Courses (REGULATIONS 2017, 2019, 2020, 2021):

For theory courses in curriculum out of 100 marks, the maximum marks for continuous assessment are fixed as 50 marks and the End Semester Examination carries 50 marks. The End Semester Examination for theory courses will be of 3 hours duration and shall normally be conducted between October and December during the odd semesters and between April and June during the even semesters. Internal Assessment tests are conducted by the exam cell of each department. Continuous Assessment comprises internal assessments test and activities and its weightages are given below.

CONTROLLER OF EXAMINATIONS
E.G.S. PILLAY ENGINEERING COLLEGE
(Autonomous)
NAGAPATTINAM - 611 002.

Dr. S. RAMABALAN, M.E., Ph.D.,
PRINCIPAL
E.G.S. PILLAY ENGINEERING COLLEGE
NAGAPATTINAM - 611 002.

Type	Syllabus	Duration	Maximum Mark	Internal Mark
Continuous Assessment Test 1	2 modules	1.5 hours	50 marks	15
Continuous Assessment Test 2	2 modules	1.5 hours	50 marks	15
Conduction of experiments	Experiment Conduction, Observation, Record book			20
Total Marks				50

In case a student has not appeared for the assessment due to medical reasons hospitalization/ accident /specific illness) or due to participation in the College/University/State/National /International level Sports events with prior permission from the principal, a reassessment may be given at the end of the semester after getting approval from the Head of the Department through the concerned faculty member handling the course.

(iii) Practical Courses (REGULATIONS 2017, 2019, 2020, 2021):

For Laboratory Course, out of 100 marks, the maximum marks for continuous assessment are fixed as 50 marks and the End Semester Examination carries 50 marks. Every laboratory exercise / experiment shall be evaluated based on the student performance during the laboratory class and the student's laboratory records are maintained. There shall be at least two assessment tests. Mark of each test should be rounded to the nearest higher integer for assessment of internal marks. The End Semester Examination for laboratory courses will be of 3 hours duration and shall normally be conducted between October and December during the odd semesters and between April and June during the even semesters. The student who fails in the laboratory course shall reappear for the same in the subsequent end semester exams.

Details	Internal Mark
Practical Assessment Test 1	15
Practical Assessment Test 2	15
Conduction of Experiments (Experiment Conduction, Observation, Record book)	20
Total Marks	50
