Dear Sir/Madam,

Sub : Offer letter for conducting the AICTE-ISTE Induction/ Refresher Programmes under AICTE-ISTE MoU - regarding

It is my pleasure to inform you that the proposal submitted by you for the conduct of one week AICTE-ISTE Induction/Refresher Programmes titled "**FDP ON EMERGING TRENDS IN AUTONOMOUS MOBILE ROBOTS**" has been recommended and selected by the scrutiny committee.

It will be highly appreciated if you can communicate your willingness before **20th March, 2018** to conduct the programme in your institution as per the below said guidelines as per the AICTE-ISTE MoU. **Please note that the programme should be completed before July 31, 2018.** The programme schedule will be displayed on the official website of ISTE and no change in date and title of the programme is possible at later. Hence, you are requested to finalise the programme dates and title considering all the related aspects.

1. The programme cannot be combined with any other professional body. The Principal sponsor will be AICTE-ISTE and no other major sponsors are allowed.
2. The duration of the program should be **six working days** (preferably from Monday to Saturday)
3. ISTE will do the certification of these programs jointly with AICTE.
4. The coordinator must be a full time regular faculty with adequate experience in teaching and research with publication.
5. The total sanction budget is Rs.3,00,000/- for 40 participants (budget should not exceed to Rs.3,00,000/- under any circumstances)
6. In case the event is cancelled, the funds will be returned back to ISTE immediately alongwith interest accrued on the amount of grant released.
7. **A test should be conducted at the end of the programme and the certificates will be issued only for those participants who qualify the test.**
8. The "**Willingness Proforma**" attached may be filled in and signed by Coordinator and Principal/Director of the Institution **MUST** reach this office positively **before 20th March, 2018** by the fastest mode of communication.

ISTE/AICTE-ISTE Induction/Refresher Program/2018 dated June 1, 2018

This has reference to the letters cited.

Accordingly, we have successfully completed the AICTE-ISTE sponsored faculty development program on "Emerging Trends in Autonomous Mobile Robots" for six days (04.06.2018 to 09.06.2018) at E.G.S. Pillay Engineering College, Nagapattinam, Tamil Nadu.

We wish to inform that the actual expenditure for the said FDP activity has come to Rs. 3,12,462.00/- as against the offered amount of Rs. 3.0 lakhs by the ISTE. We have not received any amount from the ISTE. We are enclosing herewith the following documents so as to enable us to receive the amount of Rs. 3.0 lakhs from the ISTE:

1. Feedback form
2. Utilization Certificate
3. Statement of Expenditure
4. Course Material - Soft & Hard copies

It is requested to release the amount of Rs. 3.0 lakhs from the offered grant in aid at the earliest.

11. Total expenditure incurred in conducting the Staff Development Programme
Rs. 3,12,462.00
12. Grant received from various agencies other than ISTE/AICTE for this Faculty Development Programme - Nil
13. Details of internal revenue if any generated by the Institution / Department on account of this Programme - Nil
14. Briefly mention about the technological / academic / or any other benefit generated by conducting this programme with respect to a) the institution, b) the faculty; c) students; d) industry / society.
- In this programme, major topics of emerging areas of autonomous mobile robots such as Hardware and software components of autonomous mobile robots, emerging areas of research in mobile robot field, research tools for doing scientific and fruitful research, future directions of autonomous mobile robot field, etc have been dealt. Also some hands on training using Matlab, Robot simulation software packages and tools for robot design, modeling and fabrication are given to participants.
 - Created a forum for the faculty members from various engineering and polytechnic colleges to interact, discuss and exchange their knowledge mutually. Participants who have attended the programme got clear cut idea to begin their research work in the field of Autonomous Mobile robots. Participants appraised on the applications of research methods and techniques can be used in their research work.
 - This programme introduced many areas for doing research by the faculty members. So the quality of their future research will be very high and their guidance to the research scholars will be with more knowledge and confidence. We hope that number of research scholars will improve significantly by this programme.
 - This programme will fill up research needs of ever demanding industry and the society as well. This programme also gave the ideas to start some industries on some potential areas. So the entrepreneurial skill of the participants has improved significantly. So this programme will to promote research culture and economic hurdles such as employment.
 - On the whole, this programme motivated all participants (faculty members) for doing some fruitful actions in research.

Ref: Letter number - F.No.6-109/RIFD/FDP/Policy-1/2016-17 dated 06/06/2017

This has reference to the letter cited.

Accordingly, we have successfully completed the AICTE sponsored two weeks Faculty Development Programme on "Advances in Research and Development of Intelligent Mobile Robots" during the period 20th November 2017 to 03rd December 2017 at E.G.S. Pillay Engineering College, Nagapattinam, Tamil Nadu.

We wish to inform that the actual expenditure for the said SDP activity has come to Rs. 6,86,624/- as against the offered amount of Rs. 6.5 lakhs by the AICTE. We have already received Rs. 3.25 lakhs from the AICTE. We are enclosing herewith the following documents so as to enable us to receive the balance amount of Rs. 3.25 lakhs from the AICTE:

1. Feedback form
2. Utilization Certificate
3. Statement of Expenditure
4. Course Materiel - Soft & Hard copies

It is requested to release the balance amount of Rs. 3.25 lakhs from the offered grant in aid at the earliest.

Thanking you

6. Briefly mention about the technological / academic / or any other benefit generated by conducting this programme with respect to a) the institution, b) the faculty; c) students; d) industry / society.
 - In this programme, major topics for doing research in mobile robots such as Hardware and software components of mobile robots, emerging areas of research in robot field, research tools for doing scientific and fruitful research, future directions of robot field, etc have been dealt. Also some hands on training using Matlab, Robot simulation software packages, optimization codes and tools for robot design, modeling and fabrication are given to participants. Also participants went to visit two manufacturing industries situated around Nagapattinam to enhance their knowledge.
 - Created a forum for the faculty members from various engineering and polytechnic colleges to interact, discuss and exchange their knowledge mutually. Participants who have attended the programme got clear cut idea to begin their research work in the field of Intelligent Mobile robots. Participants appraised on the applications of research methods and techniques can be used in their research work.
 - This programme introduced many areas for doing research by our faculty members. So the quality of their future research will be very high and their guidance to our research scholars will be with more knowledge and confidence. We hope that number of research scholars will improve significantly by this programme.
 - This programme will fill up research needs of ever demanding industry and the society as well. This programme also gave the ideas to start some industries on some potential areas.
