WEBINAR ON FUNDAMENTALS OF COMPUTER AIDED DESIGN

REPORT

One day webinar Programme in “Fundamentals of Computer Aided Design”, has been organized by Department of Mechanical Engineering, E.G.S. Pillay Engineering College, Nagapattinam. The Programme was inaugurated in the fine morning on 26th December 2021.

The one of the co-ordinator **Mr.S.Murugesh**, started this course with his welcome address. Head of the department **Dr.G.Gurumoorthi** gave the keynote address. Our esteemed Principal **Dr.S.Ramabalan** presented the inaugural address and finally our chief Guest **Mr.R.Vignesh, Senior Design Engineer, Pumo Technovation India Private Limited,Coimbatore** has explicated about Fundamentals of Computer Aided Design.

Finally, Programme came to a close, with the summary of the whole programme was given by **Mr.K.Balasubramanian, AP/Mech**, Coordinator proposed vote of thanks.

E.G.S. Pillay Engineering College,
Nagapattinam.

To

The Principal,
E.G.S. Pillay Engineering College,
Nagapattinam.

Respected Sir,

Sub: Requisition to conduct one day Webinar– Reg.

We planned to conduct one day technical webinar on “**Fundamentals of Computer Aided Design**” for Third year mechanical students dated on 26.12.2021. So, we request you to give the permission for this.

Thanking you,

Yours faithfully

(S.Murugesh)

Mech/2021/ODD/CIRCULAR-01

DEPARTMENT CIRCULAR DATED 12.12.2021

To enhance the practical Skills and fundamentals of 2D & 3D modeling softwares of our Mechanical students, we are going to conduct the webinar on " Fundamentals of Computer Aided Design" on 26.12.2021.

OBJECTIVE

An effort to create awareness on Mechanical designing softwares. To enhance the practical Skills to face Interview and Some needed abilities.

DAY	Participants	EVENT	RESOURCE PERSON
26.12.2021	III Mech Students	<ul style="list-style-type: none">• Fundamentals of CAD• Interview Skills and Knowledge• Some Important Mechanical basics	Mr.R.Vignesh, Senior Design Engineer, Pumo Technovation India Private Limited, Coimbatore.

Dear Sir,

As I already discussed with telephone conversation. We are planning to conduct the guest lecture in the topic of fundamentals of computer aided design on 26.12.21 and the session time is 10.30am to 11.30am. We are very much delighted to you as a guest for this program. So kindly accept my invitation and do the needful.

Thanking you

Thanks & Regards,

S. Murugesh., M.E

WEBINAR SNAPSHOT

SEMINAR EVALUATION FORM

Title of the seminar : Fundamentals of Computer Aided Design
Date : 26.12.2021
Host. Name : Mechanical
Seminar coordinators Name : S.Murugesh
Seminar type : One day webinar

Seminar Content

Please rate the sessions you attended by specifying the number using the scale: Excellent = 5,

Session No.	Speaker Name	Identified Topics	Duration of the session	Topic Coverage and Relevance	preparedness
1	Mr.R.Vignesh	Job opportunities and Fundamentals of CAD for Mech students	FN	CAD / CAM / CAE	

Very Good = 4, Good = 3, Average = 2, Poor = 1

Please mention your favourite speaker at the seminar.....

Overall Organisation of the Seminar

Please rate the following aspects of the seminar organisation and administration
 Excellent = 5, Very Good = 4, Good = 3, Average = 2, Poor = 1

Overall Content Identified/ Topics/ Duration of the session	5	4	3	2	1
Topic Coverage and Relevance	5	4	3	2	1
The objective of the seminar was well-defined	5	4	3	2	1
The quality of content was excellent	5	4	3	2	1
The content was pertaining to my expectation	5	4	3	2	1
Seminar materials & proceedings	5	4	3	2	1
Accommodation/ Catering	5	4	3	2	1

Overall Experience about the seminar 5 4 3 2 1

Excellent = 5, Very Good = 4, Good = 3, Average = 2, Poor = 1

Do be on the mailing list for the future seminars. Please give us your contact details.

Name:

Signature:.....

Please hand over this completed form to the seminar coordinator on your departure.

TEST QUESTIONS

Each Question carry one mark

Questions	Allotted Marks	Obtained Marks
The computer-aided design (CAD) hardware doesn't include. a) Graphic display terminals b) Computer c) Computer programmes d) Keyboard	1	
The colour on CRT screen is obtained by the combination of: a) Red, yellow, blue b) Red, green, blue c) Green, black, yellow d) Red, black, yellow	1	
AutoCAD was first released in the year: a) 1858 b) 1966 c) 1898 d) 1982	1	
Which of the following approaches used in solid modelling. (a) CSG (b) B-REP (c) Both a & b (d) None of the above	1	
Which of the following three dimensional modeling techniques, which do not require much computer time and memory? a) Wireframe modeling b) surface modeling c) solid modelling d) none of the above	1	
Which of the following are ways of representing 3D objects? (a) Wire models (b) Surface models (c) Solid models (d) All of the above	1	

B-rep and C-Rep are the methods of (a) Solid modeling (b) Surface modeling (c) Wire frame modeling (d) 2D modeling	1	
A system that automates the drafting process with interactive computer graphics is called (a) Computer Aided Engineering (CAE) (b) Computer Aided Design (CAD) (c) Computer Aided Manufacturing (CAM) (d) Computer Aided Instruction (CAI)	1	
Which is not considered a Boolean operations? (a) UNION (b) SUBTRACT (c) INTERSECT (d) SEPARATE	1	
In the following geometric primitives. which is not a solid entity of CSG modelling: (a) Box (b) Cone (c) Cylinder (d) Circle	1

Recommendation for further actions based on feedback and attainment calculation

1. As we got very good feedback in topic coverage and relevance of this webinar, further more we can arrange more relevant and current trend topics seminar
2. Since Objective of the seminar is clearly defined and quality of delivered content is very good, we will arrange more seminars with same resource person
3. Seminar material is useful but need more clear and in depth concepts we will make more easy materials for understanding and future reference
4. Due to reach of expected level in program, we will keep arranging similar programs
5. From the students feedback of welcoming, this programme can be conducted for upcoming batch students.

DEPARTMENT OF MASTER OF COMPUTER APPLICATION**

Programme Educational Objectives (PEO)

The PEO of MCA programme are as follows.

PEO1: To employ solid foundation in mathematical and computing fundamentals and techniques to develop software solutions.

PEO2: To apply good computing breadth so as to comprehend, analyze, design and create computing solutions for the real-life problems and entrepreneurial skills with a rich set of communication, teamwork and leadership skills to excel in their profession.

PEO3: To show continuous improvement in their professional career through life-long learning, understand the human values and ethics.

Program Outcomes (PO)

Graduates will be able to

PO1: Apply knowledge of computing fundamentals, computing specialization, mathematics, and domain knowledge appropriate for the computing specialization to the abstraction and conceptualization of computing models from defined problems and requirements.

PO2: Identify, formulate, research literature, and solve *complex* computing problems reaching substantiated conclusions using fundamental principles of mathematics, computing sciences, and relevant domain disciplines.

PO3: Design and evaluate solutions for *complex* computing problems, and design and evaluate systems, components, or processes that meet specified needs with appropriate consideration for public health and safety, cultural, societal, and environmental considerations.

PO4: Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.

PO5: Create, select, adapt and apply appropriate techniques, resources, and modern computing tools to *complex* computing activities, with an understanding of the limitations.

PO6: Understand and commit to professional ethics and cyber regulations, responsibilities, and norms of professional computing practice.

PO7: Recognize the need, and have the ability, to engage in independent learning for continual development as a computing professional.

PO8: Demonstrate knowledge and understanding of the computing and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.

PO9: Communicate effectively with the computing community, and with society at large, about *complex* computing activities by being able to comprehend and write effective reports, design documentation, make effective presentations, and give and understand clear instructions.

PO10: Understand and assess societal, environmental, health, safety, legal, and cultural issues within local and global contexts, and the consequential responsibilities relevant to professional computing practice.

PO11: Function effectively as an individual and as a member or leader in diverse teams and in multidisciplinary environments.

PO12: Identify a timely opportunity and using innovation to pursue that opportunity to create value and wealth for the betterment of the individual and society at large.

Program Specific Outcomes (PSO)

Graduates will be able to

PSO 1: Apply software engineering principles in the design and development of web and mobile applications

PSO 2: Manage and analyze huge volume of data in real world problems

WEBINAR ON INTRODUCTION AND FUNDAMENTALS OF CNC PART PROGRAMMING

REPORT

One day webinar Programme in “Introduction and Fundamentals of CNC Part Programming”, has been conducted in our E.G.S Pillay Engineering College, Nagapattinam, organized by Department of Mechanical Engineering sponsored by ISTE Student Chapter, E.G.S. Pillay Engineering College, Nagapattinam. The Programme was inaugurated in the fine morning on 25th December 2021.

The one of the co-ordinator **Mr.A.Arunkumar**, started this course with his welcome address. Head of the department **Dr.G.Gurumoorthi** gave the keynote address. Our esteemed Principal **Dr.S.Ramabalan** presented the inaugural address and finally our chief Guest **Mr.R.Balamurugan**, Senior Manager, Renault Nissan Technology & Business Centre India Pvt. Ltd., Kanchipuram has explicated about Fundamentals of CNC part programming and CAE in Mechanical Industries job Market expectations.

Finally, Programme came to a close, with the summary of the whole programme was given by **Mr.K.Balasubramanian**, AP/Mech, Coordinator proposed vote of thanks.

Mech/2021/ODD/CIRCULAR-01

DEPARTMENT CIRCULAR DATED 12.12.2021

To enhance the practical Skills and fundamentals of CNC machining techniques of our Mechanical students, we are going to conduct the "Introduction and Fundamentals of CNC Part Programming" program on 25.12.2021.

OBJECTIVE

An effort to create awareness on Mechanical Job Market and Opportunities. To enhance the practical Skills to face Interview and Some needed abilities.

DAY	Participants	EVENT	RESOURCE PERSON
5.12.2021	IV Mech Students	<ul style="list-style-type: none">• Fundamentals of coding and programming for CNC Lathe and Milling machines• Practical videos of CAE analysis.• Interview Skills and Knowledge• Some Important Mechanical basics	Mr.R.Balamurugan, Senior Manager, Renault Nissan Technology & Business Centre India Pvt. Dear sir,

Myself A.Arunkumar, working as an Assistant Professor in the department of Mechanical Engineering at EGS Pillay Engineering College, Nagapattinam. I would like to inform you that we are conducting a Guest Lecture for our final year mechanical engineering students in the title of **CNC Part programming on 25.12.2021** by online mode. I kindly request you to act as a resource person for the above said subject. This is for your kind information and we expect your favorable response.

WEBINAR EVALUATION FORM

Title of the seminar : Introduction and Fundamentals of CNC Part Programming
 Date : 25.12.2021 Dept. Name: Mechanical
 Coordinators Name : A.Arunkumar
 Seminar type : One day webinar

1. Seminar Content

Please rate the sessions you attended by specifying the number using the scale: Excellent = 5, Very Good = 4, Good = 3, Average = 2, Poor = 1

Session No.	Speaker Name	Identified Topics	Duration of the session	Topic Coverage and Relevance	preparedness
1	Mr.R.Balamurugan	Job opportunities and Fundamentals of CNC in Mechanical Core sectors for Mech students	FN	CAD / CAM / CAE	Very good

Please mention your favourite speaker at the seminar.....Mr.R.Balamurugan.....

2. Overall Organisation of the Seminar

Please rate the following aspects of the seminar organisation and administration
 Excellent = 5, Very Good = 4, Good = 3, Average = 2, Poor = 1

Overall Content Identified/ Topics/ Duration of the session	5	4	3	2	1
Topic Coverage and Relevance	5	4	3	2	1
The objective of the seminar was well-defined	5	4	3	2	1
The quality of content was excellent	5	4	3	2	1
The content was pertaining to my expectation	5	4	3	2	1
Seminar materials & proceedings	5	4	3	2	1
Accommodation/ Catering	5	4	3	2	1

3. Overall Experience about the seminar

Excellent = 5, Very Good = 4, Good = 3, Average = 2, Poor = 1

To be on the mailing list for the future seminars. Please give us your contact details.

Name: M.Prakash

Signature: M.Prakash

Please hand over this completed form to the seminar coordinator on your departure.

FEEDBACK ANALYSIS

Information from participants feedbacks are collectively listed below

1. The topic coverage and relevance of this seminar is very good. (Overall Rating 4)
2. The objective of the seminar is clearly defined. (Overall Rating 4)
3. The quality of delivered content is very good. (Overall Rating 4)
4. Seminar material is useful. (Overall Rating 3)

TEST QUESTIONS

Each Question carry one mark

Name of the Student: A. AAFIQ

Roll No: E18MER001

Questions	Allotted Marks	Obtained Marks
In a DNC system A. many machine tools can be controlled simultaneously B. only a single machine tool can be controlled C. NC machine cannot be controlled D. none of the mentioned	1	1
Several machine tools can be controlled by a central computer in A. NC B. CNC C. DNC D. CCNC	1	1
DNC stands for A. Direct Numerical Complain B. Direct Numerical Control C. Direct Note Control D. Direct Note Complain	1	1
Numerical control _____ A. applies only to milling machines B. is a method for producing exact number of parts per hour C. is a method for controlling by means of set of instructions D. none of the mentioned	1	1
NC contouring is an example of A. continuous path positioning B. point-to-point positioning C. absolute positioning D. incremental positioning	1	1

<p>Full form of MCU is</p> <p>A. Machine computer unit B. Machine control unit C. Machine control universal D. Machine computer universal</p>	1	1
<p>Computer will perform the data processing functions in</p> <p>A. VMC B. CNC C. DNC D. all of the mentioned</p>	1	1
<p>In the CNC machine tool, the part program entered into the computer memory</p> <p>A. can be used only once B. can be used again and again C. can be used again but it has to be modified every time D. none of the mentioned</p>	1	1
<p>Which of the following is not the advantage of CNC machines?</p> <p>A. Improved strength of the components. B. Reduced scrap rate C. Higher flexibility D. Improved quality</p>	1	1
<p>Part-programming mistakes can be avoided in</p> <p>A. NC B. CNC C. both NC and CNC D. none of the mentioned</p>	1	1

Recommendation for further actions based on feedback and attainment calculation

1. As we got very good feedback in topic coverage and relevance of this webinar, further more we can arrange more relevant and current trend topics seminar
2. Since Objective of the seminar is clearly defined and quality of delivered content is very good, we will arrange more seminars with same resource person
3. Seminar material is useful but need more clear and in depth concepts we will make more easy materials for understanding and future reference
4. Due to reach of expected level in program, we will keep arranging similar programs
5. From the students feedback of welcoming, this programme can be conducted for upcoming batch students.

Synopsis of the event:

The program was convened by Dr. R. Karthi, Director and Head of the Department of Management Studies, E.G.S. Pillay Engineering College. The program was conducted online to cultivate the awareness on Investment among the students.

About (EGSPEC): E G S Pillay Engineering College is one of the pioneering non - grant engineering Colleges in the State. It was established by the E G S Pillay & Sons Educational & Charitable Trust, Nagapattinam in the year 1995 with the sanction of the Government of Tamilnadu, approval of the All India Council for Technical Education, New Delhi and affiliation to Bharathidasan University, Tiruchirapalli. Its courses are affiliated to Anna University, Chennai from 2002 and the degrees are awarded by Anna University, as per the Government Orders. The College has earned the reputation of being one of the most preferred colleges by the students and parents all these years. Known for its excellent infrastructure and facilities for learning, the outstanding non - grant engineering college has registered impressive performance consistently. A gate-way to success, the college has now set on long-range planning to enlarge and enrich its programs and activities to empower the youth who aspire to become successful Engineers, Scientists and Managers. The College has earned the reputation of being one of the most preferred colleges by the students and parents all these years. Known for its excellent infrastructure and facilities for learning, the outstanding non-grant engineering college has registered impressive performance consistently. A gate-way to success, the college has now set on long-range planning to enlarge and enrich its programs and activities to empower the youth who aspire to become successful Engineers, Scientists and Managers. The college approved by AICTE-New Delhi, affiliated to Anna University-Chennai, recognized by UGC Act 2(f) &12(B) and accredited by NAAC with 'A' Grade and NBA for three Departments (B.E-CSE/EEE/MECH).

About MCA Department:

The department of computer applications focuses on making industry ready IT professionals by imparting quality computer education along with excellent interpersonal skills. It offers 3 years Full time MCA course to the students. Started in the year of 2001, the course was approved by Bharathidasan University, Trichirappalli. In 2003, Anna University, Chennai recognized and approved the course. The current intake of students is 60 per academic year.

About Workshop: In this Two-Day National online work- shop on “Python Programming”, the topics to be covered are introduction to Python, various data types, conditional state- ments, functions, Python Libraries, Data handling and Visual- ization techniques. The takeaways from this workshop will add immense value to the knowledge base for each of the participants.

This workshop will be based upon hands-on approach. **All Faculty, Research Scholars, Students and IndustryPersons can participate.**

Objectives of the Workshop:

- ◆ To gain hands-on exposure on Python
- ◆ To create awareness on Python fundamentals.
- ◆ To provide instructor-led hands-on live manipulation ofData.
- ◆ To provide hands-on experience over Data Analytics usingPython.
- ◆ To acquaint the participants with Data Visualization skills.

Expected Outcomes: Upon successful completion

- The participants are expected to get a fair amount of funda-mental knowledge on Python Programming.
- The participants will be able to understand data handling,analysis and implementation using Python built-in Libraries.

Guidelines for Participants:

Web Links are updated on WhatsApp Group.

E-Certificate will be issued to all the Participants,

After successful completion of the Online Workshop.

Participants need to mark their attendance in the google formthat will be circulated during the Session.

Use the following Link for **Registration:**

A Two - Day National

Online Workshop

on

Python

Programming

Workshop Schedule:

DAY-1: 16th July, 2021

Inaugural: 10:00 AM to 10:30 AM

10:40 AM to 12:40 PM:

Installation of Python Editors,

Fundamentals of Python,

Variables, Objects and Operators,

Primitive Data types

01:30 PM to 03:30 PM:

Compound Data Types - List, Tuple, Set and Dictionaries

Control Statements, and

Functions

DAY-2: 17th July, 2021

10:00 AM to 12:00 PM:

Introduction to Python Libraries - Numpy and Pandas,

Data Handling using Pandas

01:00 PM to 03:00 PM:

Data Visualization using Matplotlib, Seaborn

Valedictory: 03:15 PM to 04:00 PM

Karaikal Campu

A Two - Day National

Online Workshop

on

Python

Programming

Workshop Schedule:

DAY-1: 16th July, 2021

Inaugural: 10:00 AM to 10:30 AM

10:40 AM to 12:40 PM:

Installation of Python Editors,

Fundamentals of Python,

Variables, Objects and Operators,

Primitive Data types

01:30 PM to 03:30 PM:

Compound Data Types - List, Tuple, Set and Dictionaries

Control Statements, and

Functions

DAY-2: 17th July, 2021

10:00 AM to 12:00 PM:

Introduction to Python Libraries - Numpy and Pandas,

Data Handling using Pandas

01:00 PM to 03:00 PM:

Data Visualization using Matplotlib, Seaborn

Valedictory: 03:15 PM to 04:00 PM

About (EGSPEC): E G S Pillay Engineering College is one of the pioneering non - grant engineering Colleges in the State. It was established by the E G S Pillay & Sons Educational & Charitable Trust, Nagapattinam in the year 1995 with the sanction of the Government of Tamilnadu, approval of the All India Council for Technical Education, New Delhi and affiliation to Bharathidasan University, Tiruchirapalli. Its courses are affiliated to Anna University, Chennai from 2002 and the degrees are awarded by Anna University, as per the Government Orders. The College has earned the reputation of being one of the most preferred colleges by the students and parents all these years. Known for its excellent infrastructure and facilities for learning, the outstanding non - grant engineering college has registered impressive performance consistently. A gate-way to success, the college has now set on long-range planning to enlarge and enrich its programs and activities to empower the youth who aspire to become successful Engineers, Scientists and Managers. The College has earned the reputation of being one of the most preferred colleges by the students and parents all these years. Known for its excellent infrastructure and facilities for learning, the outstanding non-grant engineering college has registered impressive performance consistently. A gate-way to success, the college has now set on long-range planning to enlarge and enrich its programs and activities to empower the youth who aspire to become successful Engineers, Scientists and Managers. The college approved by AICTE-New Delhi, affiliated to Anna University-Chennai, recognized by UGC Act 2(f) &12(B) and accredited by NAAC with 'A' Grade and NBA for three Departments (B.E-CSE/EEE/MECH).

About MCA Department:

The department of computer applications focuses on making industry ready IT professionals by imparting quality computer education along with excellent interpersonal skills. It offers 3 years Full time MCA course to the students. Started in the year of 2001, the course was approved by Bharathidasan University, Trichirappalli. In 2003, Anna University, Chennai recognized and approved the course. The current intake of students is 60 per academic year.

About Workshop: In this Two-Day National online work- shop on “Python Programming”, the topics to be covered are introduction to Python, various data types, conditional state- ments, functions, Python Libraries, Data handling and Visual- ization techniques. The takeaways from this workshop will add immense value to the knowledge base for each of the participants.

This workshop will be based upon hands-on approach. **All Faculty, Research Scholars, Students and IndustryPersons can participate.**

Objectives of the Workshop:

- ◆ To gain hands-on exposure on Python
- ◆ To create awareness on Python fundamentals.
- ◆ To provide instructor-led hands-on live manipulation ofData.
- ◆ To provide hands-on experience over Data Analytics usingPython.
- ◆ To acquaint the participants with Data Visualization skills.

Expected Outcomes: Upon successful completion

- The participants are expected to get a fair amount of funda-mental knowledge on Python Programming.
- The participants will be able to understand data handling,analysis and implementation using Python built-in Libraries.

Guidelines for Participants:

Web Links are updated on WhatsApp Group.

E-Certificate will be issued to all the Participants,

After successful completion of the Online Workshop.

Participants need to mark their attendance in the google formthat will be circulated during the Session.

Use the following Link for **Registration:**

ABOUT THE INSTITUTION

E. G. S. Pillay Engineering College (Autonomous) is one of the pioneering non-grant engineering Colleges in the State. It was established by the G. S. Pillay & Sons Educational & Charitable Trust, Nagapattinam in the year 1995 with the sanction of the Government of Tamil Nadu, approval of the All-India Council for Technical Education, New Delhi and affiliated to Anna University, Chennai. The college has accredited by NAAC with 'A' Grade and all the UG programmes are accredited by NBA. The College has earned the reputation of being one of the most preferred colleges by the students and parents all these years. Known for its excellent infrastructure and facilities for learning, the outstanding non-grant engineering college has registered impressive performance consistently. A gate-way to success, the college has now set on long-range planning to enlarge and enrich its programs and activities to empower the youth who aspire to become successful Engineers, Scientists and Managers. A gate-way to success, the college has now set on long-range planning to enlarge and enrich its programs and activities to empower the youth who aspire to become successful Engineers, Scientists and Managers.

Vision

Envisioned to transform our institution into a "Global Centre of Academic Excellence"

Mission

- ✓ *To provide world class education to the students and to bring out their inherent talents*
- ✓ *To establish state-of- the-art facilities and resources required to achieve excellence in teaching - learning and supplementary processes*
- ✓ *To recruit competent faculty and staff and to provide opportunity to upgrade their knowledge and skills*
- ✓ *To have regular interaction with the industries in the area of R&D and offer consultancy, training and testing services*
- ✓ *To establish centre of excellence in the emerging areas of research*
- ✓ *To offer continuing education and non-formal vocational education programmes that are beneficial to the society*

Department Vision

The department is envisioned to produce globally competent electrical and electronics engineering

Department Mission

- ✓ To impart the contemporary knowledge in the field of electrical and electronics engineering with high human values
- ✓ To offer state -of -the -art facilities for conducive learning and conducting research
- ✓ To train the students for professional career and higher education by imparting self-learning and interpersonal skills.

Date :01-03-2021 - 05-03-2021

(Five Days)

Time: 9.30 am to 4.30 pm

Introduction to Electric vehicle

1. Electric Vehicle (EV) draws electrical energy from the electrical energy storage system (EESS) to generate traction power.
2. About 24.5 % of air pollution is due to IC Engines.
3. HEV use two types of energy storage devices(ESS)
 1. High specific energy (Wh/kg) - Main Energy Storage system (MES) -extended driving range (Eg battery, Fuel cell).
 2. High specific power (W/kg) - Rechargeable Energy Storage System (RESS) - Good acceleration (Eg Ultra Capacitor).

Er. S.Rajkumar, Senior Manager R & D, Indiguard System Pvt Ltd

Types of EV's

Electric vehicle - Battery electric vehicles (BEV), hybrid electric vehicles (HEV), Plug-in hybrid electric vehicle (PHEV)

Er. S.Rajkumar, Senior Manager R & D, Indiguard System Pvt Ltd

Electric vehicles and power management

Er. S.Rajkumar, Senior Manager R & D,
Indiguard System Pvt Ltd

Introduction to electric vehicle

1. Unlike vehicles with combustion engines, electric vehicles do not produce exhaust gases during operation. This alone makes electric vehicles more environmentally friendly than vehicles with conventional technology.
2. However, the electrical energy for charging the vehicle does have to be produced from renewable sources, e.g. from wind, solar, hydroelectric or biogas power plants.
3. By combining different drive types, the overall efficiency of the vehicle can be improved and fuel consumption can be reduced.

Er. S.Rajkumar, Senior Manager R & D,
Indiguard System Pvt Ltd

Welcome Note by Mr. S.K. Sudhan,

Good Morning One and All,

Myself Sudhan on behalf of our MBA department at EGS PILLAY ENGINEERING COLLEGE, NAGAPATTINAM, feel very immense to be a part of this event on "Awareness on Pre and Post Employability Skills"

On the first hand I would like to say thanks to our director of MBA department, Mr. Karthi for giving me this opportunity to organize the event.

Secondly,

I would like to say some few words about the word called "GURU" yes

Dear students, in life we all know three persons are very important always and we will need them throughout the life,

- ❖ Parent
- ❖ Spouse
- ❖ Teachers

A guru plays a vital role in every successful person in this world today. In cases you all can see a successful person without parents and spouse, but never without a guru he can succeed in life. Sharing knowledge is like sacrificing their internal assets with us, that's what the teachers always do.

Today, we all are going to get the share of knowledge from our GURU of the day **Mr. K.K. Viswanath** sir, so let's give a warm welcome by saying few words about him.

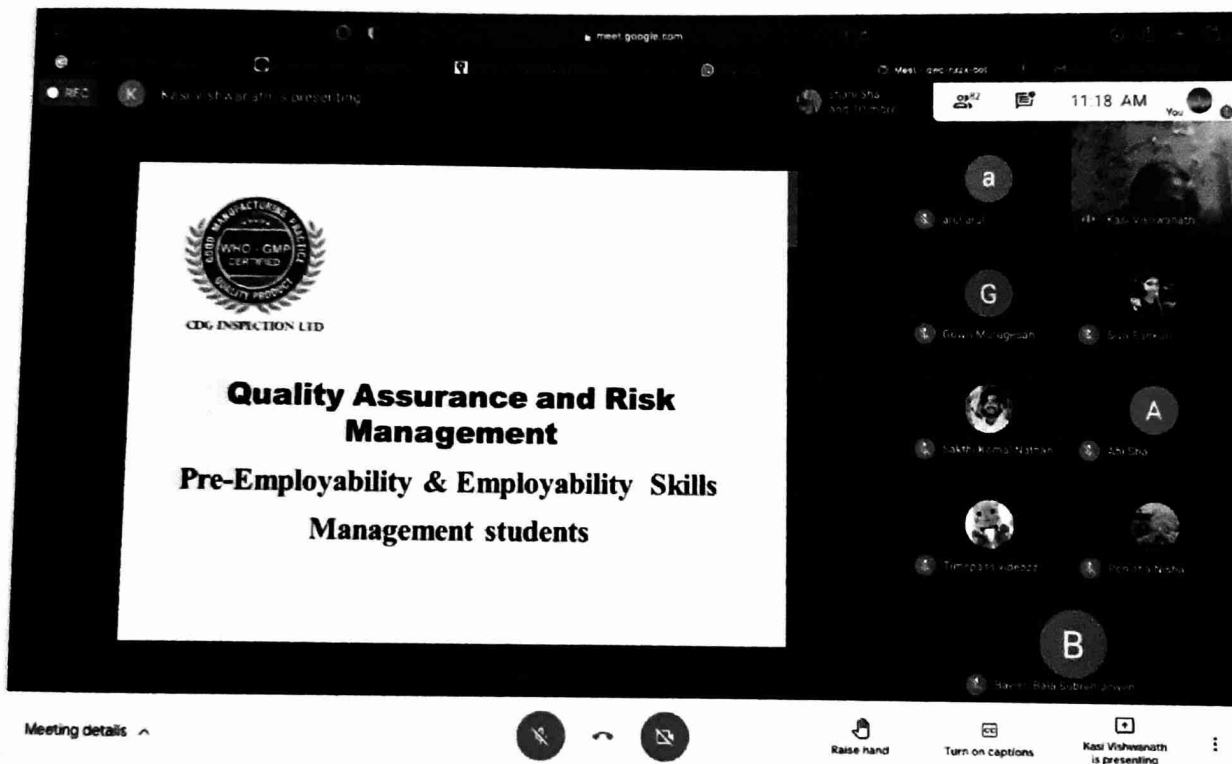

Mr. Viswanath sir with masters in organic chemistry and diploma in management course from IIM Ahmedabad did several "**Original Research Papers**" published & referenced in various International Journals. He has made several more researches and publications on Pharmaceutical analysis of Vitamins, Analgesics (Dipyron's), Oxyphenbutazone, Bronchodilators (Salbutamol Sulphate), Histamine Acid Phosphate etc.

Synopsis of the event:

The program was convened by Dr. R. Karthi, Director and Head of the Department of Management Studies, E.G.S. Pillay Engineering College, coordinated by Mr. S.K. Sudhan, Assistant Professor, Department of Management Studies, E.G.S. Pillay Engineering College. In view of the covid-19 pandemic situation, the program was conducted online to cultivate student learning and development by supporting students in their academic, personal, and social growth.

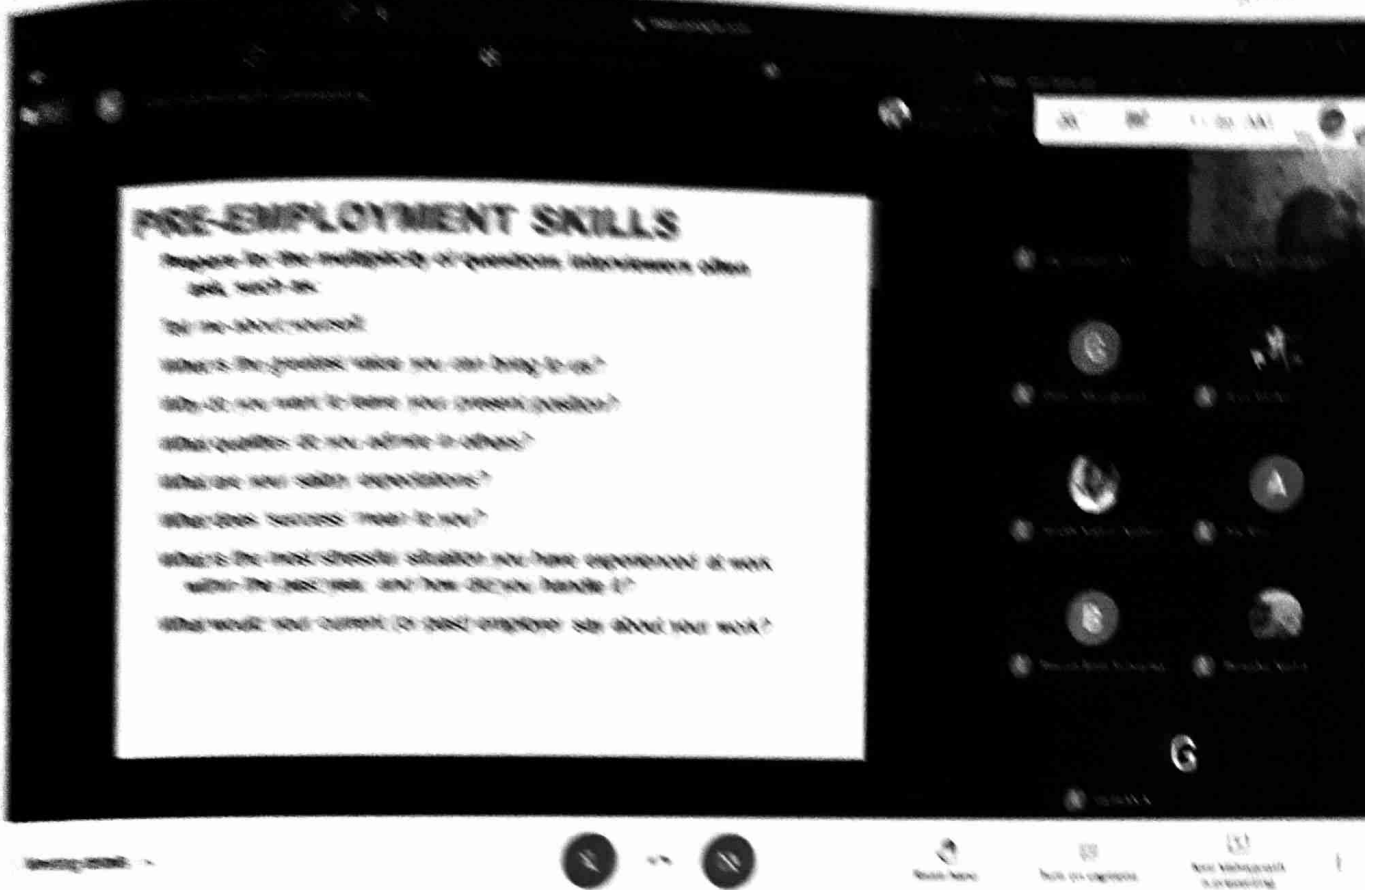

The program started with the greeting note by Dr. R. Karthi, Director of Management Studies and a welcome note by Mr. S.K. Sudhan, Assistant Professor. Followed by which, the guest speaker started his session. There were more than 65 students including 1st & 2nd year MBA attended the session.

He started the session by explaining an introductory speech on quality assurance and risk management, the journey travelled secondly in explaining about Pre-Employment first, thereby involving the primary steps like writing an appropriate resume, instructions in facing the interview board members, to obtain pre knowledge about the organization that called for interview, providing smart answers and also by justifying the employment for which you have applied.

The guest also went into deep on common interview questions that are asked by the recruiters for a long time, like for example: Tell me about yourself? Why do you want to join?

The guest then went into explaining about the Post employment skills on how to behave in a corporate.

Welcome Note by Mr. S. Sakthi Kamal Nathan

Good morning everyone, our guest speaker today is Dr. K. Prabhakaran. He is an NSE Certified Market Professional and has completed various NISM, NCFM and BCFM certificate exams like Security Operation and Risk Management, Equity Derivative Modules, Depository Operations Certification Examination, Capital Market Module, Derivatives Market Module, Equity Derivative Certification Examination, Commodities Market Module, and BSE Certification on Securities Markets.

He has completed his mba from school of management, Annamalai university, Chidambaram, MPhil and PhD from Bharathiyar University, Coimbatore, India.

He has a substantial 12 years of teaching and research expertise in India and 3 years in abroad. He has published his works in more than 30 national and international journals including ABDC and Scopus. He has presented about 40 papers in national and international conferences. He has evaluated 16 theses as a foreign and Indian examiner and has guided more than 150 project students including anna university, Chennai and Stirling university, UK.

He is awarded best faculty by National Foundation for Entrepreneurship and Development (NFED) Chennai, India, Best NCC Under Officer Award received by National Integration Camp held at Karnal and Sri Vasavi College, Erode, and Best NSS volunteer Award received by Annamalai University, Chidambaram.

He is been an Editorial board member of Amity Journal of Finance -An International, Biannual, Refereed Journal of Finance, Associate Editor of Journal of Management and Science, Editorial cum Advisory board member of International Journal of Advanced Research In Commerce, Management & Social Science (IJARCMSS), Editorial cum Advisory board member of International Journal of Education, Modern Management, Applied Science & Social Science (IJEMMASS), Editorial board member of Nehru School of Management Journal (NSMJ), Associate Editor of Indo Asian Journal of Management and Entrepreneurship, Editorial board member of Asia Pacific International Journal of Engineering Science, Editorial board member of International Journal of Advanced Research in Commerce and Management

Synopsis of the event:

The program was convened by Dr. R. Karthi, Director and Head of the Department of Management Studies, E.G.S. Pillay Engineering College, coordinated by Mr. S. Sakthi Kamal Nathan, Assistant Professor, Department of Management Studies, E.G.S. Pillay Engineering College. In view of the covid-19 pandemic situation, the program was conducted online to cultivate student learning and development by supporting students in their academic, personal, and social growth.

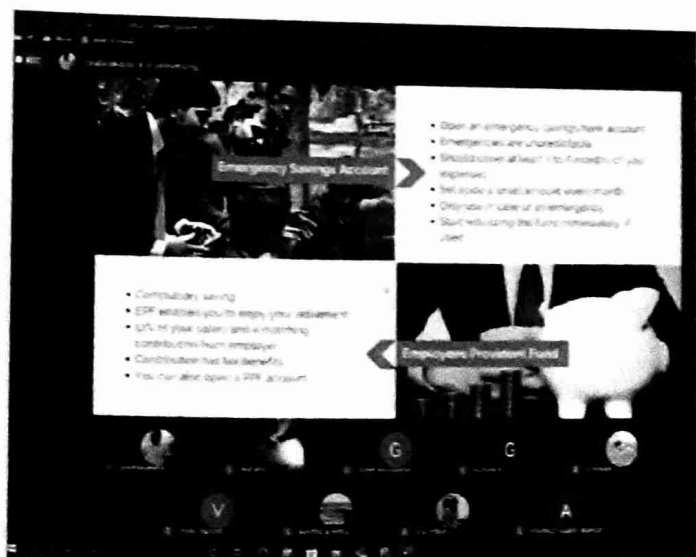

The program started with the greeting note by Dr. R. Karthi, Director of Management Studies and a welcome note by Mr. S. Sakthi Kamal Nathan, Assistant Professor. Followed by which, the guest speaker started his session. There were more than 70 students of 1st year MBA attended the session.

He started the session by explaining the difference between banking and insurance sector. He explained the use and safety parameters of debit, ATM and credit cards and its differences. He also explained about how loan repayment and delayed EMI affects the CIBIL score and how it is calculated. It gave an awareness amongst the students.

As the title describes, Financial Awareness and Consumer Training, he gave a brief about how people should be aware in online banking and the merits and demerits of online banking. He also explained how to safeguard a debit/ATM/credit card while using it in public money lending places. Public as consumers must be aware about usage of banking services as everything is

International Webinar On concepts of industrial heat exchangers

REPORT

One day international webinar Programme in “concepts of industrial heat exchangers”, has been conducted in our E.G.S Pillay Engineering College, Nagapattinam, organized by Department of Mechanical Engineering E.G.S. Pillay Engineering College, Nagapattinam. The Programme was inaugurated on 20th July 2020.

The Programme was started by **Dr.S.Krishnamohan** with his welcome address. Our principal **Dr.S.Ramabalan** presented the inaugural and key note address. Then our chief Guest **N.Anwardeen**, Managing Director, NSK heat exchangers, Singapore has explicated about Applications of heat and mass transfer in industries”

Finally, Programme came to a close, with the summary of the whole programme was given by Our coordinator **Mr.G.Sundara vadivel**, AP/Mech, proposed vote of thanks.

Recommendation for further actions based on feedback and attainment calculation

1. As we got very good feedback in topic coverage and relevance of this webinar, further more we can arrange more relevant and current trend topics seminar
2. Since Objective of the seminar is clearly defined and quality of delivered contend is very good, we will arrange more seminars with same resource person
3. Seminar material is useful but need moreclear and in depth concepts we will make more easy materials for understanding and future reference
4. Due to reach of expected level in program, we will keep arranging similar programs
5. From the students feedback of welcoming, this programme can be conducted for upcoming batch students.

THANKS LETTER

To,
Dr. T. Suresh Padmanabhan
Professor in Electrical & Electronics Engineering Department
E.G.S. Pillay Engineering College
Nagapattinam Tamilnadu.

Dear Sir,

This refers to your Presentation on "Transmission of Electricity market into digital energy network " in Faculty Development Program on "Opportunities & Challenges in Electricity Market for the upcoming Decades" organized by Department of Electrical Engineering Department of Anjuman College of Engineering & Technology ,Nagpur(M.S.) dated on 4th June 2020 which was well attended by the Professor, Research fellow, Faculties of difference colleges from India, review of the presentation was very useful, informative and appreciated by all participants of FDP. I take this opportunity to thank you for your valuable time Spared & look forward to your continue association with our Institute in future.

Thank You,
with Kind Regards,

Dr. Archana Shirbhate

Convenor & H.O.D.

Subject: Nomination as Expert Speaker for Online one week Faculty Development Programme (FDP) on "New Challenges and issues of Indian Electricity market for upcoming decade 2030."

Dear Sir / Madam,

It gives us immense pleasure to inform you that for the overall benefits of the academic community, we are organizing One Week Faculty Development Programme (FDP), on 11th - 15th May, 2020, the Monday to Friday, on "New Challenges and issues of Indian Electricity market for upcoming decade 2030." In collaboration with **MSEDCL's Training and Safety institute Eklahare, Nashik**. We have invited distinguished speakers engaged in this domain to participate in the seminar. We would be highly honored if you can spare some time from your busy schedule to deliver the session.

Your expertise and knowledge in the area would add a great value to the technical sense of one and all, especially the **academician**, practicing engineers and research scholars of the country who require the guidance and path-breaking ideas to lead their way through the tough completion in the Global market on this day.

With your vast and in-depth knowledge in the area, you would be expected to deliver on **New Challenges and issues of Indian Electricity market for upcoming decade 2030**

We look forward to your presence and guidance.

Schedule Dates for FDP: - 11 May 2020

Time: - 11am to 12.30PM

Mode of FDP: - Online Using Call Conference Call

Thanking you with best regards,

(Prof. P.G. Burade)

Dean Academics, HOD Electrical Engineering Department
SITRC, Nashik

SUMMARY OF THE PROGRAMME

A "ONE DAY WORKSHOP ON PHP WITH MYSQL" was organized by the Student of Arts Science College E.G.S. Pillay Engineering during 27.01.2020. The workshop was supported by Management, Principal, CEO, CO. The aim was to provide hands on practice to the students on the aspects of development for any project. This workshop targets those students who are not at all familiar with developing websites and also benefits those who are sound in coding to have one new technology in their belts.

Php is an open source, Script language that is well suited for scientific computing. The aim of the workshop was to provide training to the students on the use and benefits of Open Source Software and the following aspects of PHP with MYSQL was covered:

Installation:

- Introduction PHP and Mysql
- PHP Installation
- MySQL Installation
- Apache Installation.
- XAMPP and WAMPP Installation

PHP Basics:

- Embedding PHP in HTML
- Embedding HTML in PHP
- Introduction Variable Using variables
- Understanding Data Types Using Operators
- Creating basic programs with PHP
- Editing Records and Performing Queries
- Using PHP with MySQL
- Creating Forms with HTML
- Working with Databases and Tables

The workshop started with welcome address by Dr. P. Principal, REC. The introductory talk about the workshop was given by Dr. J. Vanitha Associate professor, Head of Department. The workshop comprised of lectures interleaved with hands-on training. The workshop was conducted by members from the internal resource persons were:

Dr. P. Arunkumar MCA., Ph.D., AP/MCA

Mr. S. Selvaganapathy, MCA., (Ph.D.,) AP/MCA

Mr. R. VetriSelvan, MCA., M.Phil AP/MCA

The workshop was well attended and 25 students from various Arts and Science colleges participated in the workshop. The college participants were from Swami Dayananda College of Arts & Science College Manjakudi, M.R. Government Arts College mannarkudi, ADM Arts and Science College Nagapattinam, Avvaiyar Government College for Women Karaikal, The workshop received an excellent feedback from the participants and they had appreciated the method of delivery, model programs and the hands-on exercise. The participants were provided with course material and other reading material in a DVD. The valedictory address was delivered by II MCA Students and handed over the certificates to the participants for their successful completion of the workshop.

Respected Sir,

Sub: Request to conduct one day workshop on PHP – Reg.

I kindly bring to your notice that we are planning to conduct one day PHP workshop for UG students of Arts and Science colleges in and around Nagapattinam on **27.01.2020 (Monday)**. In the same session, we are planning to provide awareness on TANCET exam and Career and Higher studies opportunities in Computer Applications. So, I humbly request you to grant permission to conduct the workshop.

DEPARTMENT OF COMPUTER APPLICATIONS

E.G.S. Pillay Engineering College
(An Autonomous Institution)

Affiliated to Anna University, Chennai
Nagapattinam - 611 002.

ABOUT THE INSTITUTION

E G S Pillay Engineering College is one of the pioneering non - grant engineering Colleges in the State. It was established by the E G S Pillay & Sons Educational & Charitable Trust, Nagapattinam in the year 1995 with the sanction of the Government of Tamilnadu, approval of the All India Council for Technical Education, New Delhi and affiliation to Bharathidasan University, Tiruchirappalli. Its courses are affiliated to Anna University, Chennai from 2002 and the degrees are awarded by Anna University, as per the Government Orders. The College has earned the reputation of being one of the most preferred colleges by the students and parents all these years. Known for its excellent infrastructure and facilities for learning, the outstanding non - grant engineering college has registered impressive performance consistently. A gate-way to success, the college has now set on long-range planning to enlarge and enrich its programs and activities to empower the youth who aspire to become successful Engineers, Scientists and Managers. The College has earned the reputation of being one of the most preferred colleges by the students and parents all these years. Known for its excellent infrastructure and facilities for learning, the outstanding non - grant engineering college has registered impressive performance consistently. A gate-way to success, the college has now set on long-range planning to enlarge and enrich its programs and activities to empower the youth who aspire to become successful Engineers, Scientists and Managers. The college approved by AICTE-New Delhi, affiliated to Anna University-Chennai, recognized by UGC Act 2(f) &12(B) and accredited by NAAC with 'A' Grade and NBA for six Departments (B.E-CSE/EEE/MECH/CIVIL/ECE/IT).

DEPARTMENT PROFILE

The department of computer applications focuses on making industry ready IT professionals by imparting quality computer education along with excellent interpersonal skills. It offers 3 years Full time MCA course to the students. Started in the year of 2001, the course was approved by Bharathidasan University, Trichirappalli. In 2003, Anna University, Chennai recognized and approved the course. The current intake of students is 60 per academic year.

ABOUT THE WORKSHOP

PHP (recursive acronym for PHP: Hypertext Preprocessor) is a widely-used open source general-purpose scripting language that is especially suited for web development and can be embedded into HTML. It is free, open source and server-side (the code is executed on the server). MySQL is a Relational Database Management System (RDBMS) that uses Structured Query Language (SQL). It is also free and open source. The combination of PHP and MySQL gives unmet options to create just about any kind of website - from small contact form to large corporate portal.

The best things in using PHP are that it is extremely simple for a newcomer, but offers many advanced features for a professional programmer. PHP and MySQL are Open Source, meaning that they are free development tools, and there is a large community of dedicated volunteer programmers who contribute to make improvements and are continuously adding features to it. The development tools and database servers that require licensing costs have limited programming resources compared to open source development tools, which have an enormous and fast growing dedicated and knowledgeable community that extends around the world.

HOW TO APPLY

Prospective participants have to fill the registration form and send the scanned copy to the coordinator through the E-Mail: vanitha@egspec.org on or before the last date 25.01.2020.

Admission to the Workshop will be on First Come, First Serve basis.

NO REGISTRATION FEES

Registration kit, Certificate and working lunch will be provided to all the Participants.

TARGET GROUP

The workshop is intended to provide opportunity to Students to upgrade their knowledge in Open Source Tools.

OBJECTIVE

To pursue a career in a challenging field with hard work in an organization holding a responsible position which would enhance my skills and carve a winning edge for the organization.

WORK EXPERIENCE

- ❖ 2 years and 7 months have **Computer Education Institutes** from Aug 2010 to Mar 2013.
- ❖ 5 years and 2 months work a software development team as a **Senior Software Engineer** in **Kaspro System** from 21 Jan 2013 to till date. His areas of responsibility were primarily front-end development (**HTML 5, CSS, Bootstrap, PHP, JQuery, JSON and AJAX**), designing templates and programming backend **MySQL** codes.
- ❖ 1 year and 8 months work as **Assistant Professor in Department of MCA in E.G.S. Pillay Engineering College (Autonomous)** at nagapattinam from 20.04.2018 to till date. His areas of responsibility
 - **Controller of Examination (Senior Programmer)**
 - COE Website update and maintain (PHP with MySQL)
 - Result publish (PHP with MySQL)
 - CMS Software CoE (PHP with MySQL)
 - Marksheet Printing Software (.Net)
 - **Group of Institution**
 - All college Website update and maintain
 - Technical Trainer (C, C++ and JAVA) for Training & Placement
 - Social Media update and maintain
 - Photoshop Designer (Logo, Flex, Poster)

- Video Editing and making for functions

Vote of Thanks!

Good Evening all, I am

_____, It gives me immense pleasure to propose the vote of thanks for this "One Day workshop on PHP with MySQL". I thank our chairman, secretary, CEO and Principal sir of our institution for granting permission and support to conduct this workshop. I thank our MCA director Dr. A.S Anakath sir for providing great support for this program, Thank you sir. I wholeheartedly thank our HOD mam Dr. J. Vanitha for being inspiration for this program, Thanks you mam. My gratitude goes to Mrs. C. Mallikarjuna mam, Mrs. A. Hema Mam, Dr. P. Arunkumar sir, Mr. S. Selvaganesh sir and Ms. N. Illakkiya mam, who coordinated this program and made this program a successful event. Thanks you Professors!! I gratefully thank Mr. Vetri selvan, Senior Programmer for being the resource person for the technical session. Thanks you sir!! Last but not least I thank all the students friends from various colleges who made this event really colourful!! Thank you friends!! Thank you all!!!

TANCET 2020

Applications for Tamil Nadu Common Entrance Test (TANCET) 2020 conducted by Anna University, Chennai on behalf of the Government of Tamil Nadu from candidates who seek admission to M.B.A., M.C.A. and M.E. Degree Programmes for the academic year 2020-2021 can be registered only through Online (<https://tancet.annauniv.edu/tancet/>). Other State candidates can appear for the entrance test, but the eligibility conditions will be stipulated by the admitting authority / University.

IMPORTANT DATES

- Commencement of Registration of Application : January 7, 2020 @ 10:00 AM
- Last date for Registration of Application : January 31, 2020 @ 5.00 PM
- Downloading of Hall Tickets : February 13, 2020
- Announcement of Results : March 20, 2020
- Downloading of Mark Sheets : March 23, 2020

DOCUMENTS AND PARTICULARS REQUIRED FOR REGISTRATION

- Unique email-ID and mobile number of the candidate, which will be used for sending OTP and for further communication.
- Tenth (S.S.L.C) Registration Number and Year of Passing.
- Plus 2 (Higher Secondary) Registration Number and Year of Passing.
- A passport photo of good quality either in jpg or in jpeg format.
- Copy of community certificate in pdf format.
- Particulars required for online payment.

Welcome Address: Valedictory function

Warm Good evening everybody, this is _____, On behalf of EGS Pillay Engineering College, Department of Computer Applications, I welcome you all for the Valedictory function of this "One Day workshop on PHP with MySQL". Hope you have enjoyed all the sessions of the workshop! I warmly welcome the student's participants from various colleges, Our Department director Dr. A. S. Anakath sir, Our Department Head and convener of this workshop Dr. J. Vanitha Mam, our beloved staff members and students friends for this valedictory function. I welcome Mr. Vetri selvan sir, the resource person of this workshop. Welcome to all !!!

Now I kindly invite _____ to distribute the certificates to the Participants.

Department of Management Studies

One day Workshop

Micro Analysis of Financial Statements (MAFS)

Resource person

Dr. S. Chandrasekar

B-School & Corporate Trainer, EmpoVer HR Solutions Pvt. Ltd.,
Bangalore

10.10.2019

SUMMARY OF PROGRAMS

The department of management studies has organized a workshop on **"MICRO ANALYSIS OF FINANCIAL STATEMENTS – A UNIQUE WORKSHOP"**. Dr. S.Chandrasekar., B-school & Corporate trainer, was the chief guest of this program. He provided a workshop about what are the basics are needed for a business, and how to analyse balance sheet of a company.

He cleared the doubts and shares his personal experience. The whole session was very much useful to the students and all who were participated in the session.

Through this course students can learn.,

- Students learn the art of analyzing any balance sheet in just 30 seconds @ 100/- per student.
- Learn the answers to 150 questions – students face in the interviews.
- Placements support to deserving students.
- Certification @ Rs.50/- (optional).
- Booklet that answers another 200 questions @ Rs.50/- optional).
- Students learn from the horse's mouth (expert)
- Save Rs.900/-Students have to pay Rs.1000/- if they want to enroll for open program if conducted in your location out side college,
- Life time opportunity
- Develop Analytical skills for life time,
- NO/LOW cost HIGH RETURNS

Dr R. Karthi, M.Sc., MBA., M.Phil., Ph.D.,
Professor & Head

10.10.2019

Letter of Appreciation

I appreciate and congratulate the Resource Person Dr.S.Chandrasekar, B-School and Corporate Trainer, EmpoVer HR Solutions Pvt. Ltd., Bangalore for his wonderful and interesting presentation in the workshop titled “ Micro Analysis of Financial Statements” on 10.10.2019 attended by 50 MBA students.

Students felt that the session was interactive and informative, and they learnt the concept of analysing various companies balance sheet in shortcut method. I assure that his contribution towards education will help many students to face the corporate world

Thank You

Head of the Department

ABOUT THE INSTITUTION

E. G. S. Pillay Engineering College (Autonomous) is one of the pioneering non-grant engineering Colleges in the State. It was established by the G. S. Pillay & Sons Educational & Charitable Trust, Nagapattinam in the year 1995 with the sanction of the Government of Tamil Nadu, approval of the All-India Council for Technical Education, New Delhi and affiliated to Anna University, Chennai. The college has accredited by NAAC with 'A' Grade and all the UG programmes are accredited by NBA. The College has earned the reputation of being one of the most preferred colleges by the students and parents all these years. Known for its excellent infrastructure and facilities for learning, the outstanding non-grant engineering college has registered impressive performance consistently. A gate-way to success, the college has now set on long-range planning to enlarge and enrich its programs and activities to empower the youth who aspire to become successful Engineers, Scientists and Managers. A gate-way to success, the college has now set on long-range planning to enlarge and enrich its programs and activities to empower the youth who aspire to become successful Engineers, Scientists and Managers.

Vision

Envisioned to transform our institution into a "Global Centre of Academic Excellence"

Mission

- ✓ *To provide world class education to the students and to bring out their inherent talents*
- ✓ *To establish state-of- the-art facilities and resources required to achieve excellence in teaching - learning and supplementary processes*
- ✓ *To recruit competent faculty and staff and to provide opportunity to upgrade their knowledge and skills*
- ✓ *To have regular interaction with the industries in the area of R&D and offer consultancy, training and testing services*
- ✓ *To establish centre of excellence in the emerging areas of research*
- ✓ *To offer continuing education and non-formal vocational education programmes that are beneficial to the society*

Department Vision

The department is envisioned to produce globally competent electrical and electronics engineering

Department Mission

- ✓ To impart the contemporary knowledge in the field of electrical and electronics engineering with high human values
- ✓ To offer state -of -the -art facilities for conducive learning and conducting research
- ✓ To train the students for professional career and higher education by imparting self-learning and interpersonal skills.

Date :23-09-2019 - 28-09-2019
