MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MoU) is executed on this **12-October-2017**, between:

Shirikshi Electronics Pvt. Ltd., (Shirikshi), Represented by **Mr.D.Vigneshraj, Senior Executive Talent Management HR**, having its local registered office at 49, IHFD nagar, Keelkattalai, Chennai- 600117, India, hereinafter called **Party-1 or Company**. WHEREAS **Shirikshi** is a global engineering solution company in Chip Designing, VLSI Programming, PLC, Robotics Analysis and Embedded Design domain.

And

E.G.S. Pillay Engineering College,(EGSPEC), Represented by **Dr.S.Chandrasekar, Chief Executive Officer**, at Old Nagore Road, Nagapattinam,, Tamilnadu-611002 address, India, herein after called Party-2 or Institute. WHEREAS EGSPEC is an educational institution and Established in the year 1995 with 3 courses CSE, Mechanical and Chemical, affiliated to Bharathidasan University. (First in Nagapattinam district). Established by the G.S. Pillay & Sons Charitable and Educational Trust, Nagapattinam. Affiliated to Anna University, Chennai in the year 2002.

Objectives of MoU:The objective of MoU to provide latest technology/ domain knowledge and exposure to industry-based skill set and business solution to the academic students and further support for employment opportunity in relevant field. To nourish the academic students as per industrial requirements in the fields of structural engineering, design, engineering and detailing related to digital construction and infrastructure domain and international client & project management. And same shall be conducted depending on mutual agreed condition, feasibility, and availability of facility from both parties. It has been further illustrated and bifurcated responsibility wise here under.

Company Responsibility:

1. To provide industry visit/ industry orientation training opportunity to the students.
2. To extend support to the students for skill development in latest technologies and business solution related to digital construction and infrastructure domain.
3. To extend support and cooperation for organizing 11 months (242 working days) internship programs with job opportunities for selected students in related departments.
4. To provide industrial exposure and to adapt the corporate climate/working environment.
5. To provide sessions for training the faculty in a corporate oriented way.
6. To offer industry advice to improve quality and content of curriculum to suit the requirement of industry.

Chandrasekar

Dr. S. Chandrasekar

Institute Responsibility:

1. To provide laboratory, workshop/ training space inside campus.
2. To invite industry expert for arrangement of workshop, training program, industry exposure in latest technologies.
3. To provide academic support/ curriculum to selected students for organizing uninterrupted 11 months (242 working days) internship programs.
4. To make availability of faculties for corporate oriented training program.

Joint Responsibilities:

1. Confidentiality on information shared shall be maintained by both the parties.
2. Area of cooperation shall be identified jointly by both parties.
3. Both parties have agreed to maintain data security and intellectual properties training material, project document, database, trade name, trademark, copyright, patent, symbol, licenses and same cannot be used by either party in any circumstances during MoU period or after completion of MoU period.

Terms and Conditions:

- a. The cost of development of infrastructure/ other facilities inside educational institutions shall be borne by the institution.
- b. Usage of the company infrastructure, previous records, other facilities, intellectual property, license, software may be allowed for limited period subject to its availability and acceptance of the company.
- c. Both parties agree to help, identify and invite the faculty members, researchers, industry experts from other institutes to participate in conferences, workshops and short-term courses.
- d. The Company shall not be under obligation under this MoU to recruit any fixed number of students.
- e. This MoU may be amended and renewed based on mutual written notice of both parties at any time.
- f. Both parties shall have the right to terminate this MoU upon 30 days prior written notice to the other party.

Mode of Communication:

Both parties have agreed to make any official communication through either registered post or electronic mail to authorized signatory of the MoU or pre-informed management representative only.

Tenure:

All obligations created by this MoU shall survive, change or termination of the parties' business relationship for a period of 5 years from the date first set forth above.

In witness, where of the parties here to have executed this MoU by their duly authorized representatives as of the date first set forth above.

Chandrasekhar

[Signature]

Signed Induplicate:

This MoU is executed in duplicate with each copy being an official version and having equal legal validity. By signing below, the parties, the institutes, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first abovewritten.

<p>On behalf of Shirikshi Electronics Pvt. Ltd., (Shirikshi)</p> 	<p>On behalf of E.G.S. Pillay Engineering College,(EGSPEC)</p>

**THIS MOU BETWEEN AMPHISOFT TECHNOLOGIES AND EGS
Pillay Engineering College IS SIGNED ON 07-04-2017.**

Introduction of EGS Pillay Engineering College

E.G.S. Pillay Engineering College is a self - financing educational institution situated in Nagapattinam, Nagapattinam District. EGSPEC is the vision of Chevalier. Dr.G.S.Pillay, whose determination and dynamism made possible the realization of this institution of excellence.

Established in the year 1995 with 3 courses CSE, Mechanical and Chemical, affiliated to Bharathidasan University. (First in Nagapattinam district). Established by the G.S. Pillay & Sons Charitable and Educational Trust, Nagapattinam. Affiliated to Anna University, Chennai in the year 2002.

UGC Recognized institution under 2(f) and 12(B). Recognized Research Centre for Mechanical Engineering, EEE, ECE, CSE and Civil Departments by Anna University, Chennai for doing Ph.D./M.S.(By Research). Nodal Centre for QIC of Anna University, Chennai Associate Member of ICTACT, Govt. of Tamilnadu for Industry Institute Interaction

Autonomous status from 2017 onwards approved by UGC and Anna University, Chennai

Introduction of Amphisoft Technologies

Amphisoft Technologies is a private organization started by a set of learning science researchers who have developed a thorough understanding of academics, corporate training, and learning.

Amphisoft empowers corporate organizations and academic institutions with technology-enhanced learning tools to facilitate comprehensive learning and development. We provide technology services to incorporate Micro-Learning, Micro

Teaching, Collaborative Learning, Game Based Learning, Second Life Based Learning Models, Learning Measurement, and Learner Classification into your college.

Objectives of Amphisoft

- Revolutionizing Engineering and Technology Education / Training through innovative Technology Enabled Learning (TEL) models.
- Rejuvenating Engineering and Technology learning through activity-based courses which are auto-evaluated
- Creating Academic Corporate Transparency through TEL platforms with fool proof HR filters for effective hiring.

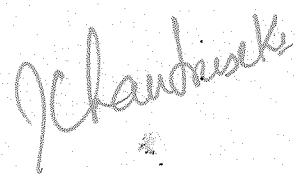

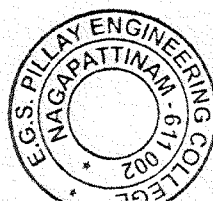

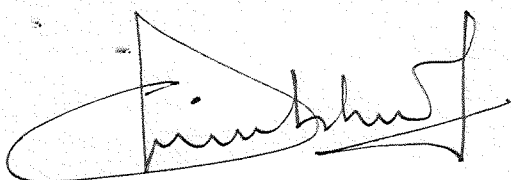

Terms & Conditions:

1. Nature of Relationship

- a. This MoU is for collaboration between both parties, for mutual benefit, for many purposes set out in the "Purpose/Scope of Collaboration" below to enhance the quality of the educational experience for the overall transformation of students/faculty of the College.
- b. This MoU shall be valid until the training process gets completed from the date of signature.
- c. Both parties shall take all reasonable steps to ensure the successful completion of the collaboration and cooperate with each other in duly carrying out the obligations agreed upon.
- d. Students should have all infrastructure, network and internet access along with other facilities required for continuous learning interventions.

Purpose of Collaboration

Education is the process by which character is formed, the strength of mind is increased, and intellect is sharpened, as a result of which one can stand on one's own feet. Education is nothing, but the manifestation of perfection already exists

in the human mind. One of the most important and vital goals of education is to facilitate employment in the knowledge economy to impact the socio-economic growth of the country.

Framework for Academic Transformation - Skill Center Model

- Amphisoft will engage 500 candidates (2rd-yr students) of B.E./ B.Tech. for upskilling them on 4 Skill Courses/year (i.e. 2 Skill Courses per Semester).
- One BootCamp on the enrolled course.

Courses Chosen (Current Semester)

- Problem Solving and Programming using C.
- Data Structures and Algorithm

Requirement

- 2 Laboratories- 60 seater with LAN Connection.
- Food and Accommodation for the Amphisoft members have to be borne by the institute.
- College Should give us the privilege to choose student mentors from Passed out batches.

Commercials- (Terms and Conditions, Cost)

- Duration: Corresponding Semester
- No classes on Sundays.
- Four Trainers will be deployed in the campus.
- Academic Documents or Attendance shall not be accounted from Skill Center.
- Price: 2000+tax.
- Platform Validity: - six months for the corresponding courses mapped for the semester.

Payment Terms:

- PO to be raised before starting the training.
- Invoice 1 - 50 % Payment has to be done on the first week of training in the current semester.
- Invoice 2 - Payment has to be done on the first week of next semester training.

2. Mutual Obligation

- This collaboration shall be exclusive with Amhisoft and EGS. Amhisoft is investing heavily in building a strong collaboration with EGS & expects EGS to support in all aspects to make this relationship strong & be open to transformation.
- Each party shall respect the other's Intellectual Property (IP) and shall not use any trade name, trademark, symbol, or designation belonging to the other, without prior written approval.
- No party shall hold out as an agent or representative of the other or create any liability for the other. The parties shall indemnify the other for breach of this clause.
- Both parties shall maintain confidentiality about any information, course material, plans, discussions, strategies, or any material which shall be deemed to be confidential and marked accordingly. Any information, course material, or the like in the public domain shall not be part of this commitment.
- Both parties shall identify a Single Point of Contact (SPOC) to each other to facilitate proper and effective communication.
- Attendance during the training has to follow up by the institute.
- Amhisoft and EGS shall jointly conduct a test for the registered students at the end of the training and acknowledge the successful

candidates appropriately.

- viii. Any feedback on the training has to be reported immediately, this should not be raised during the payments. Oral communication will not be considered and any feedback needs to be sent via email and reported to the Amhisoft SPOC only.

3. Limitations and Warranties

- i. Each party shall ensure that the other is not put to any liability for any act of the respective party.
- ii. Each party represents that they have the full power and authority to enter into this MoU in general.
- iii. Each party shall ensure that they do not actively solicit the faculty/Trainers, frameworks etc., of the respective parties who were involved with any applicable programs during the period of such faculty's involvement with the program and for 12 months thereafter.

This restriction shall not apply to employees of one party who have independently applied to the other party without solicitation by other parties.
