### MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ('MOU') is executed on 19<sup>th</sup> Oct, 2020, at EGS Campus, Nagapattinam  
AND BETWEEN

SOLVERMINDS Solutions & Technologies Pvt. Ltd, a Company incorporated under the provisions of Companies Act, 1956 and having its registered office at Plot 2B-4, 7th Cross Street, SIPCOT IT Park, OMR, Siruseri, Chennai, 603 103 Tamil Nadu, India represented by its authorized signatory Ravishanker Kannan Head-Talent Acquisition, hereinafter referred to as 'SVM' on the ONE PART (which expression whenever used shall mean and include its successors, administrators and assigns),

AND

Private and confidential – MOU between SVM and EGS Campus

EGS Pillay Engineering College, Old, Nagore Main Rd, Thethi village, Nagore, Nagapattinam, Tamil Nadu 611002. represented by its authorized signatory Shri. S. Parameswaran  
Hereinafter referred to as 'Institution' on the OTHER PART (which expression, whenever used, shall mean and include its successors, administrators and assigns).

(SVM and Institution are individually referred to as 'Party' and collectively referred to as 'Parties').

WHEREAS SVM is a global information technology services company and provides IT and business consulting, application support and maintenance, development, systems integration, and managed services to its customers.

AND WHEREAS Institution is a premier educational institute in the country and provides a high quality educational experience to students in a diverse learning environment. From classrooms and laboratories to playgrounds and campus hostels, all the facilities and amenities provided to meet the world-class standards

The Institution has evolved a comprehensive student-centric learning approach consisting of several stages, designed to add significant values to the learner's understanding in an integrated manner, covering relevant knowledge, practical skills, and positive attitudes.

AND WHEREAS Institution, to enrich practical skills and impart industry-relevant course curriculum to students of all engineering disciplines in the field of Information Technology(IT), has approached SVM for forging an industry-institute academic alliance with the intent to facilitate and train Institution's students and faculty on Development / Testing by utilizing SVM's relevant experience and by deputing SVM's representatives from time to time at the Institution with the object of providing exposure to SVM's Faculty and students to current industrial needs and requirements.

AND WHEREAS SVM, with a bona fide and non-commercial intention of serving the purpose of education and making the students more exposure to the present industrial needs and requirements thereby reducing the cost and time involved in training and making them skill-based personnel after graduation, has accepted the request of Institution.

Accordingly, the Parties have decided to reduce into writing their mutual representations and understanding as stated hereunder:

NOW THIS MOU WITNESSETH AS FOLLOWS:

According to the foregoing covenants, the Parties hereby agree and the state as follows;

1. That the Parties on this day have executed this MOU intending to enhance the quality of the educational experience for students and training of faculty of Institution and also for industry-institute collaboration between the Parties for mutual benefit and pursuant thereto the Parties agreed for:

- (a) SVM may as mutually agreed from time to time, provide Institution with certain material and access to the Development / Testing library and collaterals and the Institution shall use the materials and access to the Development / Testing library under the guidance of SVM and only for this MOU.
- (b) If requested by SVM, the Institution will nominate two or three faculty members for undergoing the Trainer program at SVM's office at Chennai for two weeks. The faculty, after completion of training, will be allowed to train a certain number of students as agreed upon in writing from time to time.
- (c) The final year students to be trained will be pre-selected by SVM (hereinafter referred to as the 'Pre-selected Students'.
- (d) The course will be imparted for the duration specified by SVM as an additional training program. This program will be run during the pre-final semester of the graduation course being offered by the Institution for the Pre-selected students.

- (e) The Institution is not allowed to charge the Pre-selected Students any fee for this course. If it is found that Institution has charged fees for this program from students, SVM will have the right to immediately terminate this MOU and stop all association with the Institution.
- (f) The Institution is not allowed to train any other students according to this MOU other than the Pre-selected Students by SVM.
- (g) SVM shall retain the right of first refusal for making employment offers on completion of their graduation from the pool of Pre-selected Students. This is however not applied for the students who are not pre-selected by SVM or have not been made part of the training program under this MOU.
- (h) Pre-selected students who undergo this program as part of their pre-final semester may also be given an internship opportunity by SVM either in its office or through virtual mode.
- (i) The Institution will at its own cost establish a lab with the specified infrastructure requirements of SVM and will use the lab for imparting the course/training under this MOU. This lab will be used as a first preference for the purpose stated above.

2. The MOU shall be valid for Two (2) years from the date of execution. The Parties shall be at full liberty to terminate the MOU at any time by issuing a prior notice of fifteen (15) days. The Parties shall make reasonable efforts for the performance of the MOU and shall in good faith cooperate with each other in duly performing the obligation agreed upon. The Parties herein have agreed to perform various obligations with a voluntary service motive and there is no monetary obligation/consideration involved herein between the Parties. Under no circumstances, SVM shall be treated as the vendor, contractor, and agent of the Institution (or vice-versa).

3. The Institution shall have to bear all expenses towards providing infrastructure, network and internet access, and the other facilities required for the education and training. The Institution will not use the material or access to the Development / Testing library for any other use other than the above-mentioned process. Training of the faculty members or more number of students than agreed or using licenses for any other commercial/non-commercial purposes will be a

breach of this MOU and such use may attract legal action along with immediate termination of the MOU.

4. The Institution shall indemnify, defend and hold SVM, its subsidiaries and affiliates thereof and their respective officers, directors, agents and employees, harmless from and against all claims, damages, liabilities, costs, losses and expenses, including reasonable attorneys' fees and expenses incurred, related to or arising from: (i) bodily injury or damage to property incurred from or in connection with the performance of Institution under this MOU; (ii) any claim by or against SVM arising out of a breach by the Institution of any obligations (including, without limitation, any warranty, confidentiality, intellectual property, assignment obligations) under this Agreement; (iii) the infringement, misappropriation or a claim of infringement or misappropriation of any patent, copyright, trademark or other proprietary or intellectual property right of a third party; (iv) the acts, omissions, negligence or misconduct of the Institution or its students, officers, directors, agents, representatives, assigns, personnel and employees; (v) any claims by the students or third parties against SVM related to this MOU.

5. SVM may also provide the Institution with publicity material such as handouts, information brochures, and posters, and the Institution shall return any such materials, to SVM on the termination or expiry of this MOU, or as and when requested to do so by SVM.

6. Except for collaboration related to Development / Testing practice, the Institution is not barred from having collaborations with other organizations. Except as expressly stated in this MOU, there shall be no obligation on any Party to compensate the other in any manner or any claim. For initiatives that are planned for the Development / Testing domain, the Institution can invite guest speakers with prior approval from SVM. Any other event in this domain will be conducted in collaboration with SVM.

7. The Parties shall independently meet their expenditure incurred by the respective Parties in performing their part of obligations agreed herein.

8. The Parties shall respect the intellectual property of the other Party and third parties and shall not use the trade name, trademark, copyright, patent, symbol, or designation belonging to the other Party without prior approval and permission. No Party shall claim itself as an agent or representative of the other Party or create any liability for the other Party.

9. The Parties shall maintain the confidentiality of all information, course materials, plans, discussions, strategies, data, or any material which shall be deemed to be confidential.

10. IN NO EVENT SHALL (A) EITHER PARTY IS LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES OF ANY NATURE WHATSOEVER, WHETHER IN CONTRACT, WARRANTY OR TORT, INCLUDING WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, REVENUE, DATA, COVER, LOSS OF OR INTERRUPTION OF BUSINESS OF CUSTOMER OR ANY OTHER PARTY ARISING OUT OF OR IN CONNECTION WITH THE DELIVERY, USE OR PERFORMANCE OF THE SERVICES, THE DELIVERABLES, ANY SOFTWARE OR ANY OTHER MATERIALS OR ITEMS, EVEN IF THAT PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR EVEN IF SUCH DAMAGES ARE REASONABLY FORESEEABLE, AND (B) SVM'S AGGREGATE LIABILITY ARISING OUT OF THIS MOU FOR ANY CLAIM OR CLAIMS EXCEED INR 1000.

11. The Parties represent that they have the full power and authority to enter into this MOU in general and none of the objects stipulated herein are against public policy.

12. The Parties shall designate their respective representatives who shall be the primary point of contact on behalf of that Party.

13. Neither of the Parties shall use the name of the other Party in any advertisement nor make any public announcement without the prior written approval of the other Party.

14. SVM will be provided the dream slot during the campus placements by the Institution, which will be finalized based on mutual discussion and agreement.

15. SVM may or may not at its discretion to visit the campus for placements and either Party shall not make any claims on each other in this regard.

16. The Parties may negotiate amendments to this MOU, if necessary, to meet the evolving requirements. Any amendment and / or modifications to the MOU will require written approval from both Parties.

IN WRITTEN WHEREOF both Parties put their hard seal on the day, month and year stated hereinabove;
