Event report on Company specific training – “Ionixx”

Introduction:

This training was conducted for all the final year eligible students who are appearing for the placement drive. Total of 198 students of various departments were trained in this program by Training & Placement department from 03 July 2017 to 07 July 2017.

Objective:

The main objective of the training is to enhance students communication skills and Analytical reasoning. To crack the interview, the students need to perform well during the selection process adopted by the company he/she aspire to join.

Outcomes:

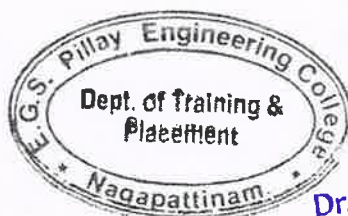

The training has been conducted for all the eligible department students with 5 hours per day. This training also helped the students to understand the interview process and also elaborated the deep insights of mistakes which candidates make while attending interviews and explained about overcoming those mistakes These methods include

1. Aptitude & Logical reasoning
2. Resume Building
3. Verbal & Non Verbal communication
4. Corporate Etiquettes
5. Mock interview

Conclusion:

It is very important for all the students to stay positive and confident during the interview. After the successful completion of this training, the students are able to

- Enhanced their confident level.
- Learned the various aspects of interview process and questions
- How to make a very good impression on the interviewer
- Deep understanding of technical coding.

Report on Company specific training – “Odessa”

Introduction:

This training was conducted for all the final year eligible students who are appearing for the placement drive. Total of 198 students of various departments were trained in this program by Training & Placement department from 10th July 2017 to 14th July 2017.

Objective:

The main objective of the training is to enhance students communication skills and Analytical reasoning. To crack the interview, the students need to perform well during the selection process adopted by the company he/she aspire to join.

Outcomes:

The training has been conducted for all the eligible department students with 5 hours per day. This training also helped the students to understand the interview process and also elaborated the deep insights of mistakes which candidates make while attending interviews and explained about overcoming those mistakes These methods include

1. Aptitude & Logical reasoning
2. Resume Building
3. Verbal & Non Verbal communication
4. Corporate Etiquettes
5. Mock interview

Conclusion:

It is very important for all the students to stay positive and confident during the interview. After the successful completion of this training, the students are able to

- Enhanced their confident level.
- Learned the various aspects of interview process and questions
- How to make a very good impression on the interviewer
- Deep understanding of technical coding.

VOLUNTEER EXPERIENCE OR LEADERSHIP

- Successfully Organized Two International and Three National Conferences.

COMMUNICATION

- Given one day guest lecture at Bharathiyar College of Engineering and Technology on the topic "R Programming" on 15-07-2017.

ACHIEVEMENTS

- ✓ Received sponsor from TNSCST to conduct one week workshop on VMware virtualization.
- ✓ Produce more than 95% results in all university exams till now.
- ✓ Successfully counsel the students to become entrepreneur and guiding the innovative consultancy projects.

CERTIFICATIONS & COURSES

- ✓ Two Weeks FDP on C Programming "E-Box", E-Box Academy, Coimbatore, 2014. Got Certificate for C Programming Trainer.
- ✓ Two Weeks FDP on "VSphere", VMware Bangalore, 2015. Got Certificate for VMware VSphere Trainer.
- ✓ One Week National Workshop on Data Analytics with "R Programming", Annamalai University, Chidambaram, 2016.
- ✓ Two Week FDP on Entrepreneurship Development Sponsored by NSTEDB
- ✓ One Week Skill development program and Entrepreneur for PM Yuva Yojana Entrepreneurship Faculty educator program on
- ✓ 2017. Got Certificate PM Yuva Yojana Faculty Felicitator

CONFERENCE ATTENDED

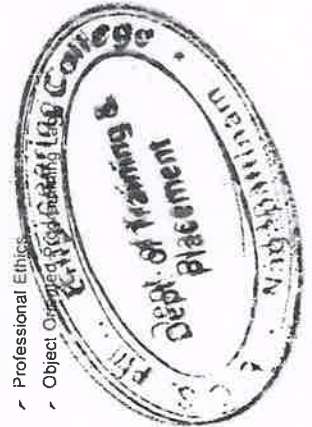

- International conference on advanced in engineering, science and management @ 2012.
- International conference on Advances in engineering and technology @ 2014.
- International conference on research and development in information & communication technology @2016.
- National Level seminar on "recent trends in BIG DATA
- National conference on recent trends in computer science and applications

PUBLICATIONS

- "Automatic Image Tagging using template model for domain specific images", IJARET, 2014.
- "Farwell Brain Fingerprinting A New Paradigm In Criminal Investigations", IJAER, 2015.

SUBJECT & LABORATORY HANDLED

- Software Project Management and Project Development Lab
- Computer Graphics and Multimedia and Multimedia Lab
- Object oriented analysis and design & Case tools Lab
- Computer Organization
- Professional Ethics
- Object Oriented Programming & Database

ATTESTED

Dr. S. RAMABALAN, M.E., Ph.D.,
PRINCIPAL
E.G.S. Pillay Engineering College,
Thethi, Nagore - 611 002.
Nagapattinam (Dt) Tamil Nadu.

HONORS AND AWARDS

- Won cash award for 6 times for producing 100% subject result.
- Won cash award for 3 times for producing more than 95% subject result.
- Best Project selected during Internal Quality Audit
- Organized and involved in training the junior team members.

RESPONSIBILITIES HELD

- Class coordinator.
- Department NBA coordinator.
- Department Placement coordinator.
- International conference coordinator.
- Discipline committee member.
- Coordinator for various department programs.
- Department EDC Coordinator come PM YUVA YOJANA trainer.

Event Report on Company specific training Phase I - "Vernalis"

Introduction:

This training was conducted for all the final year eligible students who are appearing for the placement drive. Total of 138 students of various departments were trained in this program by Training & Placement department from 17th August 2017 to 18th August 2017.

Objective:

The main objective of the training is to enhance students communication skills and Analytical reasoning. To crack the interview, the students need to perform well during the selection process adopted by the company he/she aspire to join.

Outcomes:

The training has been conducted for all the eligible department students with 5 hours per day.

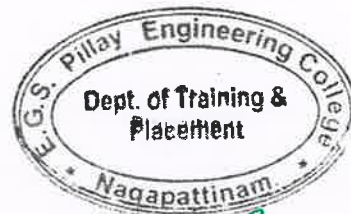

This training also helped the students to understand the interview process and also elaborated the deep insights of mistakes which candidates make while attending interviews and explained about overcoming those mistakes. These methods include

1. Aptitude & Logical reasoning
2. Resume Building
3. Verbal & Non Verbal communication
4. Corporate Etiquettes
5. Mock interview

Conclusion:

It is very important for all the students to stay positive and confident during the interview. After the successful completion of this training, the students are able to

- Enhanced their confident level.
- Learned the various aspects of interview process and questions
- How to make a very good impression on the interviewer
- Deep understanding of technical coding.

Summary on Outbound training for I MBA students

This training was conducted for all the final year eligible students who are appearing for the placement drive. Total of 45 students of various departments were trained in this program by Training & Placement department from 19th January 2018 to 20th January 2018. The objective of the training is to enhance students communication skills and Analytical reasoning. To crack the interview, the students need to perform well during the selection process adopted by the company he/she aspire to join. The training has been conducted for all the eligible department students with 5 hours per day. This training also helped the students to understand the interview process and also elaborated the deep insights of mistakes which candidates make while attending interviews and explained about overcoming those mistakes. These methods include Aptitude & Logical reasoning, Resume Building, Verbal & Non Verbal communication, Corporate Etiquettes & Mock interview. It is very important for all the students to stay positive and confident during the interview. After the successful completion of this training, the students are able to

- Enhanced their confident level.
- Learned the various aspects of interview process and questions
- How to make a very good impression on the interviewer
- Deep understanding of technical coding.
