## Report on Placement Training Phase-1 for final years

### Introduction

Placement Training Phase-1 for final years on Communication Skills development for the final year students was held from 07.06.2017 to 24.06.2017. The training was inaugurated by Mr.R.Mohankumar, Director of Training & Placement department in the presence of Secretary. In his inaugural speech, . Ms. Parimala Communication Trainer, Freelancer, Coimbatore , Ms. Anjali, Communication Trainer and internal team. They urged the participants to make use of the training to the maximum extent possible in order to enhance their communication skills – both oral and written.

During the first session of the training, presentation was made on Basic Writing Skills which covered areas like Punctuation, Commonly Confused words and Basic Grammar. After the presentation, the participants were given a few worksheets on these areas and their performance was evaluated and necessary feedback on how to improve these skills was given. In the second session, a presentation on Business Email Writing, which gave necessary tips and guidelines on drafting formal emails, was followed by the participants' drafting emails in groups on their own on some given topics. They were made to read out the drafts and necessary corrections and clarifications were suggested by the resource person.

### Objectives

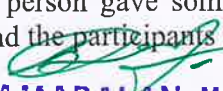

Communication helps us construct our social world. It allows us to create and maintain relationships, it helps us participate in civic activities in our community, and strong communication skills allow us to advance in our careers. Communication influences all aspects of our public and private lives. The training was very useful to enhance their communication skills – both oral and written.

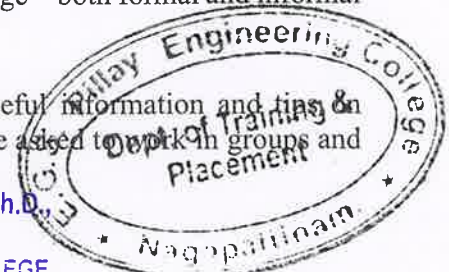

### Outcomes

- Students will be able to made familiar with different writing skills (news writing, radio writing, television writing, script writing, media writing, social networking sites- Blog writing, You tube, Face book page writing etc.
- Students will be able to write a variety of mass media products, including storyboard, shots list, news stories, article, feature, editorial, press releases etc.
- Students will be able to use different kind of editing effects in videos as well as audios.

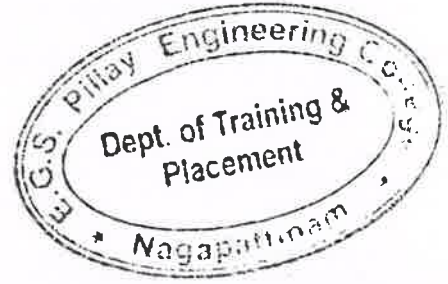

### Conclusion

- During the first session in the afternoon, the participants were given some useful information on telephone etiquettes. Then they were given some exercises and role play sessions where they were asked to use appropriate language – both formal and informal – while making telephonic conversations.
- In the last session, the resource person gave some useful information and tips on drafting business/official letters and the participants were asked to draft in groups and

# Report on Students Club Paper Presentation event on Communication Skills development

## Introduction

Students Club Paper Presentation event on Communication Skills development for the final year students was held on 10/14/2017. The event was inaugurated by Mr.R.Mohankumar, Director of Training & Placement department in the presence of Secretary. In his inaugural speech,

Dr. Krishana Mohan, Dean – Dept of Mechanical, EGSPEC. and internal team. They urged the participants to make use of the presentation to the maximum extent possible in order to enhance their communication skills – both oral and written. During the presentation was made on Basic Writing Skills which covered areas like Punctuation, Commonly Confused words and Basic Grammar. After the presentation, the participants were given a few worksheets on these areas and their performance was evaluated and necessary feedback on how to improve these skills was given.

After the presentation session, the judges evaluated the presenters based on their research content, presentation skills, and overall impact. The judges consisted of three faculty members from different departments.

## Objectives

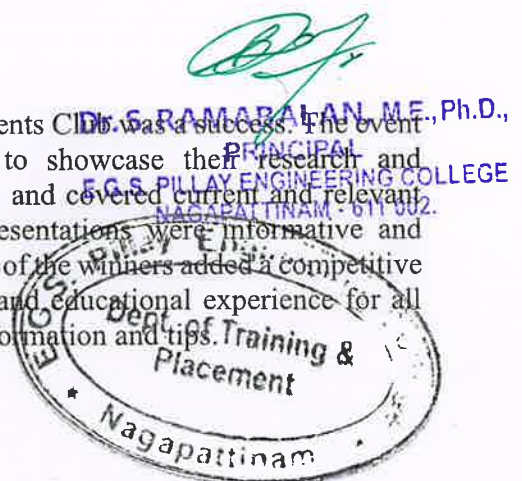

A student club presentation may aim to establish collaboration with other clubs or organizations on campus. The presentation should highlight the potential benefits of collaboration and how it can help achieve common goals. Ultimately, the success of a student club presentation will depend on how well it communicates its goals and objectives, engages the audience, and inspires action.

## Outcomes

- One of the primary goals of a student club presentation may be to increase awareness about the club's mission, goals, and activities. The presentation should provide a clear understanding of what the club does and what its members are passionate about.
- A student club presentation may aim to generate interest in a specific event or project that the club is working on. The presentation should explain the details of the event or project and highlight how it will benefit the community.

## Conclusion

- The Paper Presentation event organized by the Students Club was a success. The event provided an excellent opportunity for students to showcase their research and presentation skills. The topics chosen were diverse and covered current and relevant issues. The event was well attended, and the presentations were informative and engaging. The judges' evaluation and announcement of the winners added a competitive edge to the event, making it an overall enjoyable and educational experience for all involved. The resource person gave some useful information and tips.

# Report on Phase II MBA Training on Communication Skills development

## Introduction

Phase II MBA Training on Communication Skills development for the final year students was held from 04.12.2017 to 07.12.2017. The training was inaugurated by Mr.R.Mohankumar, Director of Training & Placement department in the presence of Secretary. In his inaugural speech, Mr. A. Robert Maria Vincent Training Head, EGSPEC. and internal team. They urged the participants to make use of the training to the maximum extent possible in order to enhance their communication skills – both oral and written. MBA training programs are designed to provide professionals with the necessary skills, knowledge, and expertise to succeed in their careers. These programs are available in a variety of formats, including online, classroom-based, and hybrid programs. The primary goal of these programs is to prepare participants for leadership roles in various industries, including finance, marketing, and management.

This report evaluates the effectiveness of MBA training programs and their impact on the professional growth of participants. The report focuses on the benefits of MBA training programs, the learning outcomes of participants, and the key factors that contribute to the success of these programs.

## Objectives

MBA training programs offer several benefits to participants, including enhanced career opportunities, improved problem-solving skills, and increased confidence in their abilities. These programs also provide participants with an opportunity to network with other professionals in their field and gain exposure to new ideas and perspectives.

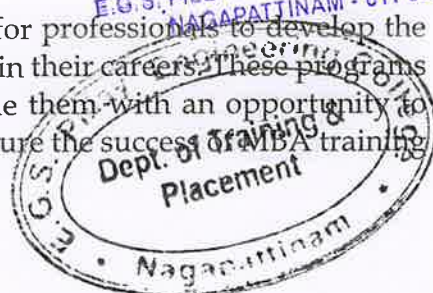

## Outcomes

Participants in MBA training programs typically develop a broad range of skills, including leadership, strategic thinking, and financial management. These skills are essential for success in many industries and can help participants advance their careers. In addition to technical skills, MBA training programs also focus on soft skills, such as communication, teamwork, and time management.

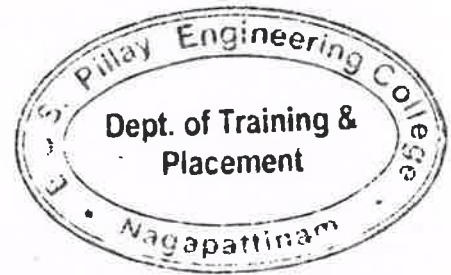

## Conclusion

MBA training programs are an effective way for professionals to develop the skills, knowledge, and expertise necessary to succeed in their careers. These programs offer a variety of benefits to participants and provide them with an opportunity to network with other professionals in their field. To ensure the success of MBA training

## Report on Placement Training Phase-II for final year

### Introduction

Placement Training Phase-II for final year (ECE, CSE, IT, MCA,EEE ) students was held from 11.12.2017 to 16.12.2017. The training was inaugurated by Mr.R.Mohankumar, Director of Training & Placement department in the presence of Secretary. In his inaugural speech,

Mr. A. Robert Maria Vincent Training Head, EGSPEC and internal team. They urged the participants to make use of the training to the maximum extent possible in order to enhance their communication skills – both oral and written.

This report provides an overview of Placement Training Phase-II for final year students of ECE, CSE, IT, MCA, and EEE. The report covers the objectives of the training, the key topics covered, the learning outcomes for students, and the feedback from participants and trainers.

### Objectives

Placement Training Phase-II has been successful in helping students develop their skills and knowledge necessary for the placement process. Students have reported improvements in their communication skills, problem-solving skills, and technical knowledge. The program has also helped students gain confidence and develop a positive attitude towards the placement process.

### Outcomes

The primary objective of Placement Training Phase-II is to equip students with the skills and knowledge necessary to excel in the placement process. The program aims to develop students' soft skills, such as communication, teamwork, and time management, as well as their technical skills in their respective fields.

### Conclusion

Placement Training Phase-II has been an effective program in preparing final year students of ECE, CSE, IT, MCA, and EEE for the placement process. The program has helped students develop essential skills, gain practical experience, and gain confidence in their abilities. With its comprehensive curriculum and experienced trainers, Placement Training Phase-II is an excellent investment for students looking to succeed in the corporate world.
