Report on Placement Training Phase-1 for final year (ECE, CSE, IT, MCA)

Introduction

Placement Training Phase-1 for final year (ECE, CSE, IT, MCA) students was held from 04.06.2018 to 28.06.2018. The training was inaugurated by Mr.R.Mohankumar, Director of Training & Placement department in the presence of Secretary. The training organized by, placement team. Placement training is an essential phase for students pursuing their final year of education, as it equips them with the necessary skills to succeed in the job market. One of the key skills that employers seek in candidates is their ability to communicate effectively. In this report, we will discuss the objectives, summary, and outcomes of the language and communication training program for final year ECE, CSE, IT, and MCA students.

Objectives

The language and communication training program are designed to achieve the following objectives:

- To enhance the students' communication skills, both verbal and written, to make them industry-ready.
- To enable the students to develop effective presentation skills, including the use of visual aids.

Outcomes

The language and communication training program is expected to achieve the following outcomes:

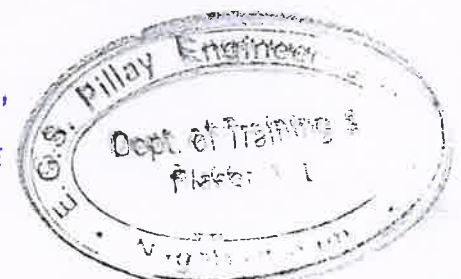

- Enhance the students' communication skills, making them industry-ready.
- Develop effective presentation skills, including the use of visual aids.
- Improve the students' ability to communicate effectively in a team.

Conclusion

The language and communication training program are a 40-hour course that covers various aspects of communication skills. The course includes lectures, discussions, and practical exercises to help students develop their skills. The program is divided into the following modules:

- Verbal communication: This module focuses on developing the students' speaking skills. It includes exercises such as mock interviews, group discussions, and debates.
- Written communication: This module aims to enhance the students' writing skills. It includes exercises such as resume writing, email writing, and business correspondence.
- Presentation skills: This module focuses on developing the students' ability to create and deliver effective presentations. It includes exercises such as creating PowerPoint presentations and delivering them.

Summary on Mechanical Training

Mechanical Training was held on 18.09.2018. The training was inaugurated by Mr.R.Mohankumar, Director of Training & Placement department in the presence of Secretary. The resource person of this event by Ms. Anjali Communication Trainer(Freelancer), Nagapattinam and internal team. Language and communication skills are essential for students pursuing a degree in mechanical engineering as it is a field that requires effective communication with team members and clients. In this report, we will discuss the language and communication training program for mechanical students, including the objectives, summary, and outcomes. The language and communication training program are designed to achieve the following objectives. Enhance the students' communication skills, both verbal and written, to make them industry-ready. Develop effective presentation skills, including the use of visual aids. Enhance students' ability to communicate effectively in a team. Improve the students' vocabulary and grammar skills.

Prepare the students to face interviews confidently. The training program is expected to achieve the following outcomes. Enhance students' communication skills, making them industry-ready. Develop effective presentation skills, including the use of visual aids. Enhance students' aptitude and reasoning skills to solve complex problems. In conclusion, the language and communication training program for mechanical students is an essential part of their training. It equips them with the necessary skills to succeed in the corporate world by enhancing their communication skills, developing their presentation skills, improving their team communication skills, and preparing them to face interviews confidently. By completing this training program, students will be better equipped to succeed in their future careers.

Report on Minerva Club- Show off event 2k18

Introduction

Minerva Club- Show off event 2k18 was held on 20.09.2018. The event was inaugurated by Mr.R.Mohankumar, Director of Training & Placement department in the presence of Secretary. The resource person of this event Mr. Vetrivelan Technical Trainer, EGSPEC. Minerva Club, a student-led organization, organized a Show Off event in 2018 to provide a platform for students to showcase their communication skills. The event was designed to help students improve their communication skills and gain confidence in public speaking. This report will provide an overview of the event, its objectives, and its outcomes.

Objectives

The objectives of the Show Off event were as follows:

- To provide a platform for students to showcase their communication skills.
- To help students improve their communication skills and gain confidence in public speaking.
- To provide a fun and interactive way for students to learn and develop their communication skills.
- To encourage students to participate in extracurricular activities and develop their personalities.

Outcomes

The training program is expected to achieve the following outcomes:

- It provided an opportunity for students to participate in extracurricular activities and develop their personalities.
- It encouraged students to engage in public speaking and communication-based activities.

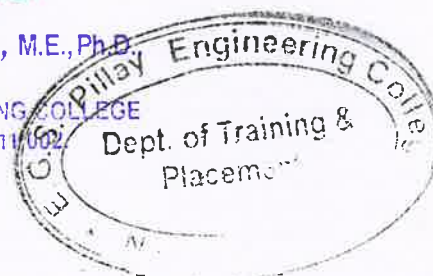

Conclusion

The Show Off event was held in the college auditorium and was attended by students, faculty, and staff members. The event was divided into several rounds, each designed to test the participants' communication skills. The rounds included debates, extempore speeches, group discussions, and quizzes. The participants were judged by a panel of experts in communication and public speaking. The judges evaluated the participants based on various parameters such as clarity of speech, fluency, vocabulary, body language, and overall presentation. The event was well-received by the audience, and the participants displayed remarkable communication skills. The event was a success, and it provided an excellent opportunity for students to develop their communication skills.

Report on Minerva 2.0 inauguration

Introduction

Minerva 2.0 inauguration was held on 29.09.2018. The event was inaugurated by Mr.R.Mohankumar, Director of Training & Placement department in the presence of Secretary. The resource Person of this event Mr.S.Parameswaran Secretary, EGSPGOI and internal team. Minerva 2.0, an initiative of the Minerva Club, was inaugurated in 2018 to provide language and communication training to students. The program was designed to help students develop their communication skills, including verbal and written communication, and enhance their overall personality. This report will provide an overview of the Minerva 2.0 program, its objectives, and its outcomes.

Objectives

The objectives of the Minerva 2.0 program were as follows:

- To provide language and communication training to students to enhance their verbal and written communication skills.
- To help students improve their presentation skills, including the use of visual aids.
- To provide students with opportunities to practice their communication skills in a safe and supportive environment.

Outcomes

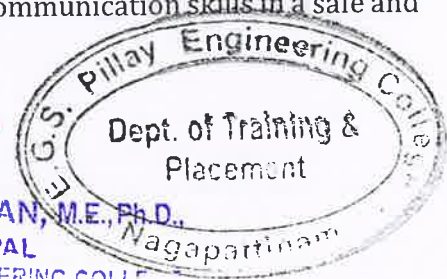

The Minerva 2.0 program achieved the following outcomes:

- It provided language and communication training to students, enhancing their verbal and written communication skills.
- It helped students improve their presentation skills, including the use of visual aids.
- It provided students with opportunities to practice their communication skills in a safe and supportive environment.

Conclusion

- The Minerva 2.0 program was a comprehensive language and communication training program that included various modules. The program was conducted by experienced trainers and was divided into several sessions, each covering a different aspect of communication skills.
- The program included modules on verbal communication, written communication, presentation skills, and team communication. The modules were designed to help students develop their communication skills through a combination of lectures, discussions, and practical exercises.
- The program also included activities such as role-playing, group discussions, and mock interviews to help students practice their communication skills in a safe and supportive environment.

The Minerva Club, known for its commitment to promoting communication skills, organized a communication quiz program as part of their Show off event 2k19. The event aimed to provide a platform for participants to showcase their communication skills and learn from each other. The event was held on 2nd March 2019 and was attended by members and guests.

Objectives

The objective of the communication quiz program was to encourage healthy competition among participants and promote their communication skills. The program aimed to test participants' knowledge of communication skills and their ability to apply them in different scenarios. The program also aimed to promote team coordination and collaboration among participants.

Outcomes

The communication quiz program was a huge success and achieved its objectives. The program helped participants to showcase their communication skills and learn from each other. The quiz program also helped to promote healthy competition and team coordination among participants. The event provided a platform for participants to apply their communication skills in different scenarios, thereby improving their overall communication skills. The winners of the quiz program were awarded a trophy and a certificate of appreciation, which encouraged participants to work harder and improve their skills.

Conclusion

The quiz program was divided into four rounds, namely a written test, a rapid-fire round, a role-play round, and a buzzer round. The program was judged by a panel of three experts in communication skills. The event was attended by 20 participants who were divided into five teams. The teams were named after famous communication experts, such as Dale Carnegie, Zig Ziglar, Brian Tracy, etc.
