Summary on Technical Session- Mu Sigma on 12th October 2018

The Training & Placement department has organised the technical session for the pre final year students. The event began with a welcome by Mr.R.Mohan Kumar Director of T&P, EGSPEC followed by the introduction to the resource person Vishal Petkar Managing Partner, ABC Training Services. The training was held on 12.10.2018 with 72 participants.

The objectives of this training were to expose the participants to the recent technologies, to introduce the software tools used and the application of these technologies and to help students to take up projects in these domains. The seminar was attended by students from second year and third year.

Global tech jobs have grown exponentially over the past decade. As the world adapts to being digital-first, there is a constant need for developers and the demand for Programming skill is still increasing. The session commenced with a brief introduction to the current technologies, Programming languages and website applications. The speakers stressed on the importance of technologies and how our life spins around it.

This workshop will provide a vibrant opportunity for students in the recruitment phase and to enhance their programming skills. The training concluded with a vote of thanks delivered by Placement Officer. Students showed keen interest in attending more workshops like this in future.

Summary on Skill Rack - IT,CSE,MCA on 1st February 2019

The Training & Placement department has organised the technical session for the pre final year students. The event began with a welcome by Mr.R.Mohan Kumar Director of T&P, EGSPEC followed by the introduction to the resource person Mr. Chandrasekaran, Placement Director, Sri Eshwar Engineering College.

The objectives of this training were to expose the participants to skill rack and how it is useful to enhance the technical skills and coding. The training was held on 01.02.2019 with 114 participants. The resource person explained the two phases of skill rack

SkillRack provides practice tests and creates a platform for the students and the college/school authorities to access actionable analytics. It helps the Training & Placement To generate Report Analysis. It also schedule MCQ/ Programming test and monitor student activities. This platform provides hands on experience to students and provide practices in C, C++, JAVA and Python.

This programme has given a detailed knowledge about Skill Rack and its helping the students to prepare for Campus Interview by conducting dailt challenge and test for regular practice.Students will get the Skill rack E-Certificate after the successful completion of the training.
