# Pavithran C

Network Engineer at Larsen & Toubro Infotech Ltd

Chennai, Tamil Nadu, India

## Summary

- Working on L2/ L3 issues, changes, incident management and RCAs.
- Manage NetScaler Load balancer SDX, MPX, VPX including different geographical location.
- Basic Device management, NAT, VLANs, High availability and redundancy, SSL VPN.
- AAA feature to perform SSO, LDAP and RADIUS.
- Provided support for internal network and system related trouble tickets.
- Manage ACL (Object group) across domain, Perform changes based on users requirement.
- Installation, configuration, and troubleshooting Citrix NetScaler devices, Citrix Access Gateway, Load balancer, IOS APP - VPN Enterprise mobile solution and Windows Operating systems
- Experience in Installation, configuration, and troubleshooting Citrix NetScaler devices, Citrix Access Gateway, Webinterface.
- Worked on implementation of load balancer configuration and VPN using the Citrix NetScaler
- Experience in NetScaler Upgrade and Backup of configuration
- Installed command center on windows and configured NetScaler nodes on the command center.
- Monitored NetScaler environment through auto alerts for config change, cert expiry and connection status.
- Finding out RCA for the issues using Wireshark packet analyzer tool and checking the logs of NetScaler.
- Using Putty for some authentication troubleshooting and capturing the running logs for analysis.

## Experience

Larsen & Toubro Infotech Ltd

3 years 9 months

Network Engineer

## Event Report for Industry Interaction session I

### Introduction

An industry interaction session was organized by our institute on 21.07.2018. The session aimed to provide a platform for industry experts and students to interact, exchange ideas and gain insights into current trends and practices in the industry.

### Objective

The main objective of this session was to bridge the gap between academia and industry by promoting collaboration and knowledge sharing. The session provided an opportunity for students to learn from the experiences of industry experts and gain a better understanding of the industry's expectations and requirements.

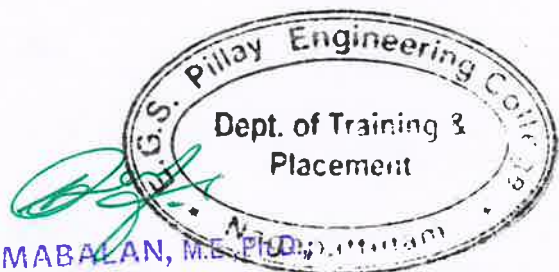

### Outcome

The industry interaction session was successful in achieving its objective of promoting collaboration and knowledge sharing between academia and industry. The session provided students with valuable insights into the latest trends and practices in the industry, and the importance of developing the necessary skills and competencies to succeed in the industry. The session also helped in building relationships between the industry and academia, paving the way for future collaborations and partnerships.

### Conclusion

The session started with an introduction by **Mr. Mohan Kumar, Placement Director**, followed by a keynote address by the chief guest, **Ms. S. Rajalakshmi, Product Security Analyst, Global English, Mr. C. Pavitharan, Network Engineer, L&T infotech, Mr. S. Gokul Krishnan, Supply Chain Analyst, Flextronics**. He shared his insights on the latest trends and challenges in the industry, emphasizing the importance of innovation, collaboration, and adaptability.

The session concluded with a Q&A session where students had the opportunity to interact with the panelists and seek clarification on various topics. The session was well-received by the students and was an excellent platform for learning and knowledge sharing.

## Event Report for Industry Interaction session II

### Introduction

An industry interaction session was organized by our institute on 04.08.2018. The session aimed to provide a platform for industry experts and students to interact, exchange ideas and gain insights into current trends and practices in the industry.

### Objective

The main objective of this session was to bridge the gap between academia and industry by promoting collaboration and knowledge sharing. The session provided an opportunity for students to learn from the experiences of industry experts and gain a better understanding of the industry's expectations and requirements.

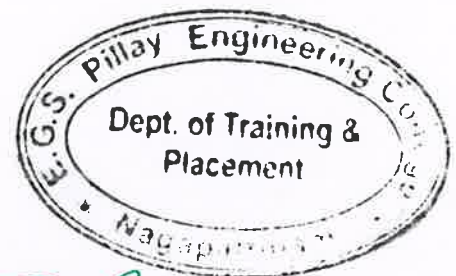

### Outcome

The industry interaction session was successful in achieving its objective of promoting collaboration and knowledge sharing between academia and industry. The session provided students with valuable insights into the latest trends and practices in the industry, and the importance of developing the necessary skills and competencies to succeed in the industry. The session also helped in building relationships between the industry and academia, paving the way for future collaborations and partnerships.

### Conclusion

The session started with an introduction by **Mr.Mohan Kumar, Placement Director**, followed by a keynote address by the chief guest, **Mr.K.Anand, Narayanan, Group Director HR,Mobius** He shared his insights on the latest trends and challenges in the industry, emphasizing the importance of innovation, collaboration, and adaptability.

The session concluded with a Q&A session where students had the opportunity to interact with the panelists and seek clarification on various topics. The session was well-received by the students and was an excellent platform for learning and knowledge sharing.

## Event Report for Industry Interaction session for Mechanical Students

### Introduction

An industry interaction session was organized for mechanical students on 06.10.2018. The event aimed to provide students with an opportunity to interact with industry experts and learn about the latest trends and developments in the field of mechanical engineering. The session was conducted in collaboration with **Kone Elevator Pvt Ltd and Nova Techset Pvt Ltd** a leading company in the field of mechanical engineering.

### Objectives

The main objectives of the industry interaction session were:

- To help students learn about the latest trends and developments in the field of mechanical engineering.
- To provide students with an opportunity to interact with industry experts and learn from their experiences.
- To help students understand the practical applications of the theoretical concepts they learn in the classroom.

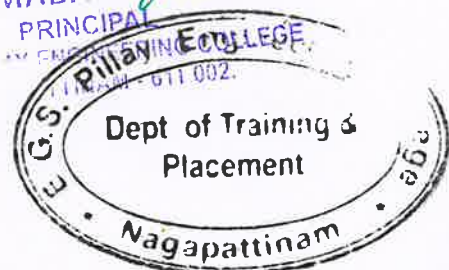

### Outcome

The industry interaction session was a great success, with a large number of students attending the event. The session started with a brief introduction by the organizers, followed by a keynote speech by **Mr. Bertram Godwin Ignatius Manager, Kone Elevator Pvt It and .Mr. Iruthya Raj, Head HR, Nova Techset Pvt Ltd**. In his speech, he spoke about the latest developments in the field of mechanical engineering and how they are being used in various industries. After the keynote speech, there was a panel discussion with experts from various fields of mechanical engineering, including manufacturing, design, and research. The panelists shared their experiences and insights with the students and answered their questions.

### Conclusion

Overall, the industry interaction session was a great learning experience for the students. They were able to learn about the latest developments in the field of mechanical engineering and how they are being used in industry. They were also able to interact with industry experts and learn from their experiences. The session helped the students to understand the practical applications of the theoretical concepts they learn in the classroom and identify potential career opportunities in the field of mechanical engineering.

*Dr. S. Ramabalan*  
Dr. S. RAMABALAN, M.E., Ph.D.,  
PRINCIPAL  
E.G.S. PILLAY ENGINEERING COLLEGE  
NAGAPATTINAM - 611 002.

**E.G.S.PILLAY ENGINEERING COLLEGE**  
(AUTONOMOUS)

**Department of Training and placement**

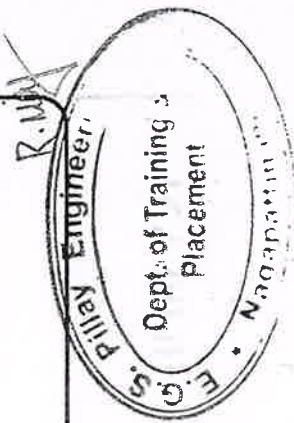

**Seminar on**  
**Cloud computing and cloud services**

**M.S. AVANTHIKA**  
**Founder,**  
**Srihari Infotech.**

**Venue: APJ Seminar Hall**

**DATE &  
TIME**  
**21.12.2018**  
**10.00 AM**

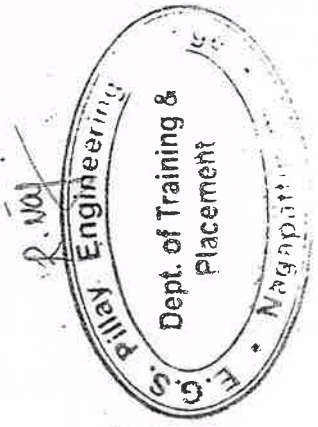

**ATTESTED**

**Dr. S. RAMABALAN, M.E., Ph.D.,**  
**PRINCIPAL**

**E.G.S. Pillay Engineering College,**  
**Thefti, Nagore - 611 002.**  
**Nagapattinam (Dt) Tamil Nadu.**

# AVANTHIKA

## Founder, Srihari Infotech

### Summary

I began my career as a trainee at EmbedNS and have held multiple leadership roles across markets, including as Head of across technology, as Head of Business Intelligence and across corporate, as Head of Staff for the EmbedNS, who is now Founder, Srihari Infotech.

I believe in harnessing the power of technology and innovation to catalyze change and drive sustainable business outcomes. I am a proponent of leading with purpose and giving back to the community, and have leveraged technology to solve some of the most complex societal challenges, over the course of my career.

Outside of Founder, Srihari Infotech, I lend my time and expertise to different business and industry bodies.

### Roles and Responsibilities:

- Providing guidance to direct reports, typically comprising first-line managers and supervisors
- Ensuring clarity around priorities and goals for the entire functional area
- Approving requests for investment to a certain level of authority
- Managing overall financial budgeting for her function
- Approving hiring and firing requests within her group
- Guiding the talent identification and development processes for a group or function
- Working across functions with peers in other groups to ensure collaboration for shared goals
- Interacting with senior management for reporting
- Working with senior management and other peers for strategy development and execution planning
- Communicating financial and goal results and key performance indicators to direct reports
- Facilitating goal-level creation for the broader function and working with managers to ensure the goals cascade to all workers

## Summary of the Event - Seminar on "Cloud Computing and Cloud Services"

On 21.12.2018, a seminar on "Cloud Computing and Cloud Services" was held at EGSPEC Auditorium. The seminar aimed to explore the latest trends and advancements in cloud computing, including cloud services and their role in the digital economy. The seminar was organized by a leading cloud computing solutions provider and was attended by industry experts, researchers, and enthusiasts.

The objective of the seminar was to provide a platform for participants to gain knowledge and insights into cloud computing and cloud services. The seminar aimed to explore the latest advancements in cloud technology, examine the challenges and opportunities in the cloud market, and discuss the best practices for cloud computing and cloud service management.

The seminar started with an opening address by **Ms. AVANTHIKA, Founder, Srihari Infotech**. This was followed by a series of presentations by industry experts on various topics related to cloud computing and cloud services. The presentations covered a wide range of topics, including cloud architecture, cloud security, cloud data management, and cloud service delivery models. The seminar also featured panel discussions and Q&A sessions, allowing participants to engage with the speakers and share their thoughts and opinions on various cloud-related issues. The event provided an excellent opportunity for networking and collaboration among participants, enabling them to connect with fellow professionals and industry leaders in the cloud computing sector.

The seminar was a huge success, with over 250 participants attending from different parts of the world. The presentations and discussions provided valuable insights into the latest trends and advancements in cloud computing and cloud services, helping participants to gain a deeper understanding of the subject. The event also helped participants to connect with leading experts and industry leaders in the cloud computing sector, providing opportunities for networking and collaboration. The seminar was highly appreciated by participants, who praised the quality of the presentations and the organization of the event.

## **Event Report for Students Club – One day Industrial Visit at GAIL India, Karaikal**

### **Introduction**

**One day Industrial Visit at GAIL India, Karaikal** was organized for students club selected students by the Training & Placement Department jointly with **GAIL India, Karaikal**. The Industrial visit was one of the important activity of the students club and it was held on 28.02.2019.

### **Objective**

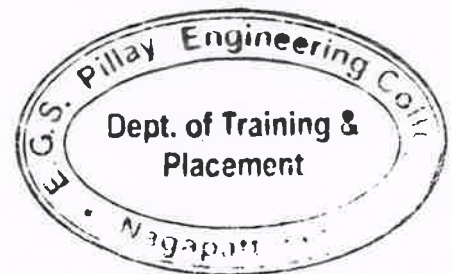

One day Industrial visit at GAIL India, Karaikal. It was very useful and helpful to the students to know about the public sector and its work. All the engineering students should know about the work process of these companies and projects. It will help them to improve their public sector's knowledge.

### **Outcome**

The Visit commenced with a brief introduction about the Public sector and its works to the students. The experts explained about their works and projects details to the students. The students visited all the working areas of the company and the employees explained all the information about their works to the students.

### **Conclusion**

The students should gain their General knowledge about public sectors and also main outcome of this contest is to know about the projects and various sectors of the company.
