Program Name: Skillrack TCS Training
Dept/year: EEE / IV

Date: 10/07/2019

TCS training is very important one of the all students. Aptitude is very helpful for thinking ability. Skillrack website is another department programming is improved the another department also. But network problem is very disturbing me.

Signature

Program Name: Skill Rack

Dept/year: IV / EEE

Date: 10/07/2019

Skill rack session was very useful for me and all students because before periods I am not well in the C program but now I learn some basis and logics. So it was very useful to us.

The TCS training was good in Aptitude & Communication. We asked to teach programming topics on aptitude. Program in skillrack is fine. Webinars session is also good. But we can't understand that programming MCA in TCS question. And also TCS exam is postponed but you stopped the training earlier. We want to continue training on everyday upto TCS online test request.

About TCS National Qualifier Test (TNQT) - 2020

The objective of TCS National Qualifier Test (TNQT) is to select the best talent in the country to fuel the growth plans of TCS with its Business 4.0² Strategy. Being a leader in the digital transformation space, we are happy to invite bright minds from across the country to explore the world of opportunities with TCS.

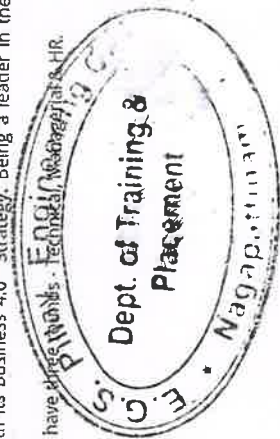

TCS National Qualifier Test (TNQT) 2020 is a PAN India Drive beginning with an Online Test followed by a Personal Interview which will have three rounds: Technical, Managerial & HR. Post the assessment, interview date and location will be communicated to candidates individually.

Report on “TCS NQT” training

Introduction:

This training was conducted for all the final year eligible students who are appearing for the placement drive. Total of 75 students of various departments were trained in this program by Training & Placement department on 01st July 2019.

Objective:

The main objective of the training is to enhance students communication skills and Analytical reasoning. To crack the interview, the students need to perform well during the selection process adopted by the company he/she aspire to join.

Outcomes:

The training has been conducted for all the eligible department students with 5 hours per day. This training also helped the students to understand the interview process and also elaborated the deep insights of mistakes which candidates make while attending interviews and explained about overcoming those mistakes. These methods include

- Aptitude & Logical reasoning
- Resume Building
- Verbal & Non Verbal communication
- Corporate Etiquettes
- Mock interview

Conclusion:

It is very important for all the students to stay positive and confident during the interview. After the successful completion of this training, the students are able to enhance their confident level, learned the various aspects of interview process and questions, how to make a very good impression on the interviewer & deep understanding of technical coding.

Summary on Company Specific training –“Juspay”

This training was conducted for all the final year eligible students who are appearing for the placement drive. Total of 12 students of various departments were trained in this program by Training & Placement department on 29th June 2019. The main objective of the training is to enhance students communication skills and Analytical reasoning. To crack the interview, the students need to perform well during the selection process adopted by the company he/she aspire to join. The training has been conducted for all the eligible department students with 5 hours per day. This training also helped the students to understand the interview process and also elaborated the deep insights of mistakes which candidates make while attending interviews and explained about overcoming those mistakes. These methods include aptitude & logical reasoning, resume building, verbal & Non verbal communication, corporate etiquettes & mock interview. After the successful completion of this training, the students are able to

- Enhanced their confident level.
- Learned the various aspects of interview process and questions
- How to make a very good impression on the interviewer
- Deep understanding of technical coding.

Summary on Company specific training – “TCS”

Training was conducted for all the final year eligible students who are appearing for the placement drive. Total of 50 students of various departments were trained in this program by Training & Placement department on 07th September 2019. This training is to enhance students communication skills and Analytical reasoning. To crack the interview, the students need to perform well during the selection process adopted by the company he/she aspire to join. The training has been conducted for all the eligible department students with 5 hours per day. This training also helped the students to understand the interview process and also elaborated the deep insights of mistakes which candidates make while attending interviews and explained about overcoming those mistakes. These methods include,

- Aptitude & Logical reasoning
- Resume Building
- Verbal & Non Verbal communication
- Corporate Etiquettes
- Mock interview

It is very important for all the students to stay positive and confident during the interview. After the successful completion of this training, the students are able to enhance their confidence level, learned the various aspects of interview process and questions, how to make a very good impression on the interviewer, deep understanding of technical coding.

PROGRAM NAME : WIPRO TRAINING

DATE: 04.10.2019

Technical:

We had the technical class with chm prakash sir. It was too good. because, some who knew to write program but not able to understand the puzzled questions properly. He taught it very well. We all were strong in pattern programming including Mechanical because of the trainer.

Aptitude:

2 days weren't enough for this aptitude class. but he gave more shortcuts for the program solving. But, he treated as a well trained students. We didn't know the concepts thoroughly, so it was too difficult pick up with Copysio.

PROGRAM NAME : WIPRO TRAINING

DATE: 04.10.2019

Technical:

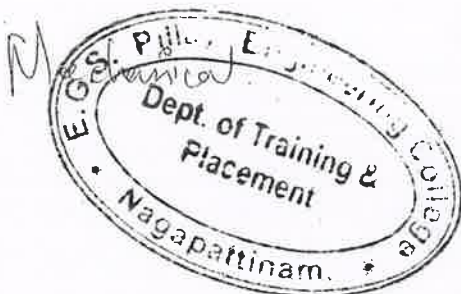

His teaching method is very well so, learn more coding for life problem.

Aptitude:

It is teaching basic of the aptitude and to easily provide the answers

Hostel: to many more problem.

Verba: I have a very much of confidence in the english language.

Event report on "IBM" Training

Introduction:

Training was conducted for all the final year eligible students who are appearing for the placement drive. Total of 50 students of various departments were trained in this program by Training & Placement department on 03rd January 2020.

Objective:

The main objective of the training is to enhance students communication skills and Analytical reasoning. To crack the interview, the students need to perform well during the selection process adopted by the company he/she aspire to join.

Outcomes:

The training has been conducted for all the eligible department students with 5 hours per day. This training also helped the students to understand the interview process and also elaborated the deep insights of mistakes which candidates make while attending interviews and explained about overcoming those mistakes. These methods include, aptitude & logical reasoning, resume building, verbal & non verbal communication, corporate etiquettes, mock interview.

Conclusion:

It is very important for all the students to stay positive and confident during the interview. After the successful completion of this training, the students are able to

- Enhanced their confident level.
- Learned the various aspects of interview process and questions
- How to make a very good impression on the interviewer
- Deep understanding of technical coding.
