Dr. S. Ramabalan, M.E., Ph.D., Principal of G.G.S. Pillay Engineering College, Thethi, Nagore-611 092, Megapattanam, Tamil Nadu. The table lists the names of staff members for various courses (CSE, MCA) across different dates (10/6 Fri, 11/6 Sat, 12/6 Sun). The names are handwritten and often include initials or surnames. Some names are repeated across multiple dates, indicating a consistent staff roster. The table ends with the name S. Robika.

Report on Placement Training Phase-I for final year (CSE,IT,ECE,MCA,EEE)

Introduction

Placement Training Phase-I for final year (CSE,IT,ECE,MCA,EEE) was held on 27.05.2019. The event was inaugurated by Mr.R.Mohankumar, Director of Training & Placement department in the presence of Secretary. The training organized by placement team. The resource people of this event were internal team. The Placement Training Phase-I for final year CSE, IT, ECE, MCA, and EEE students. The objective of the program was to help students improve their language and communication skills, which are essential for their placement interviews. The training focused on self-introduction and speaking practice.

Objectives

- To help students understand the importance of language and communication skills in their placement interviews and future careers.
- To help students develop confidence in introducing themselves effectively.
- To provide students with the skills and techniques needed to speak confidently and fluently.
- To help students identify their strengths and areas for improvement in their language and communication skills.

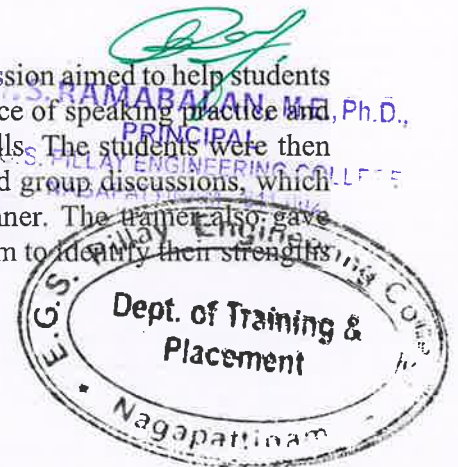

OUTCOMES

The Placement Training Phase-I on language and communication helped students to improve their language and communication skills. The students learned how to introduce themselves confidently and effectively, which is an essential skill for their placement interviews. The speaking practice session helped students to speak fluently and confidently, which is also essential for their placement interviews. The students were able to identify their strengths and areas for improvement, which will help them to work on their weaknesses and improve their overall language and communication skills.

Conclusion

The first session of the training was on self-introduction. The session aimed to help students introduce themselves confidently and effectively. The trainer explained the importance of self-introduction and the key elements that should be included in it. The trainer also gave tips on how to make the self-introduction more interesting and engaging. The students were then given individual feedback on their self-introductions, which helped them to identify their strengths and areas for improvement.

The second session of the training was on speaking practice. The session aimed to help students speak confidently and fluently. The trainer explained the importance of speaking practice and the different techniques that can be used to improve speaking skills. The students were then given various speaking exercises, such as impromptu speaking and group discussions, which helped them to practice their speaking skills in a structured manner. The trainer also gave feedback to each student on their speaking skills, which helped them to identify their strengths and areas for improvement.

Report on MBA Training

Introduction

MBA Training was held on 30.08.2019. The event was inaugurated by Mr.R. Mohankumar, Director of Training & Placement department in the presence of Secretary. The training organized by placement team. The resource person of this event was Dr.S.ChandraSekar CEO,EGSPEC. The MBA training on language and communication about resume building was organized by the college. The objective of the training was to help students improve their resume-building skills, which are essential for their job search. The training focused on how to create an effective and impressive resume.

Objectives

The course objectives for a resume building training program on language and communication may include:

- Understanding the purpose of a resume and its importance in the job search process.
- Learning how to structure a resume effectively and showcase one's skills, experience, and achievements in a clear and concise manner.
- Understanding how to tailor a resume to different job positions and industries.
- Learning how to highlight one's strengths and accomplishments while addressing potential weaknesses or gaps in experience.
- Understanding how to use appropriate language and tone in a resume, including action verbs and keywords.

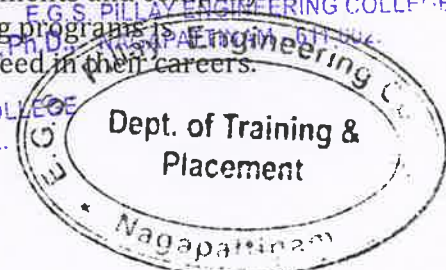

Outcomes

The MBA training on language and communication about resume building helped students to improve their resume-building skills. The students learned how to create a well-structured and impactful resume that highlights their most relevant information and achievements. The language and communication session helped students to improve their language and communication skills, which are essential for creating a good impression during job interviews. The students were able to identify their strengths and areas for improvement in their resumes and language and communication skills, which will help them to work on their weaknesses and improve their overall job search skills.

Conclusion

The MBA training on language and communication about resume building was a success. The program helped students to improve their resume-building skills and language and communication skills, which are essential for their job search. The students were able to create well-structured and impactful resumes and improve their language and communication skills based on the job requirements and company culture. The college's commitment to providing such training programs is commendable, and it will undoubtedly help students to succeed in their careers.

Report on Placement training phase – 1 for final year

Introduction

Placement training phase – 1 for final year student was held on 14.04.2020. The event was inaugurated by Mr.R.MohanKumar, Director of Training & Placement department in the presence of Secretary. The training organized by placement team. The objective of the training was to equip the students with the necessary communication skills and techniques to help them excel in their future careers.

Objectives

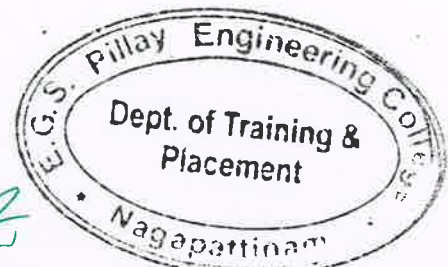

- Developing the ability to handle nervousness and stress when speaking in front of others.
- Learning how to listen actively and effectively to others and ask questions to clarify information.
- Understanding the importance of teamwork and collaboration in professional settings and how effective communication can support these efforts.
- Developing the ability to give and receive constructive feedback on communication skills.

Outcomes

- Learning how to structure and deliver a compelling self-introduction that highlights one's strengths, achievements, and career goals.
- Developing the ability to speak confidently and articulately in various professional settings, such as job interviews, meetings, and presentations.
- Learning how to use appropriate language and tone in professional communication, including avoiding jargon and technical terms.

Conclusion

The first session was on self-introduction and speaking practice. The trainer discussed the importance of self-introduction in the job interview process and how it can help create a positive first impression. The students were given tips on how to structure their self-introduction and highlight their strengths, achievements, and career goals. In the second session, the trainer focused on speaking practice. The students were given various exercises and activities to practice their speaking skills, including impromptu speeches, group discussions, and role-playing scenarios. The trainer provided feedback and guidance on how to improve their speaking skills, such as using appropriate language, maintaining eye contact, and controlling nervousness.
