Report on “Phase II Training for Final year Students”

Introduction

Cracking an interview and getting selected for the job position is considered to be a challenging task. Having a right skillset for the respective job designation is a major concern. Considering this the Placement Cell, EGS Pillay Engineering College, conducted Phase II placement training for final year students. As a part of the training process, students had Aptitude and communication classes.

Objective of the training

- To develop professional behavior among students.
- To improve verbal and non-verbal communication
- To apply to concepts of logical thinking (aptitude) in programming
- Practice to solve aptitude in reduced time

Outcome of the training

Students were able to

- Good understanding about GD and interview
- Capable to approach programming concepts with logical thinking
- Improved interview etiquettes

Conclusion

The training has been conducted on 23.01.2020. This program has benefited nearly 100 final year students. The training has been conducted in two sessions - forenoon and afternoon session. This program has also covered skills and guidelines for Group discussion. Students also learned to build a professional resume, develop skills to stand out in the crowd and improve the chances of getting interviews.

Report on Placement training Phase I for Final year Students (Online)

Introduction

Placement Cell, EGS Pillay Engineering College, conducted Phase I placement training for final year students. To crack interview and to get selected in any interview. Skillset is very important to get into job. Considering this as a part of the training process, students had basic aptitude and basic communication classes.

Objective

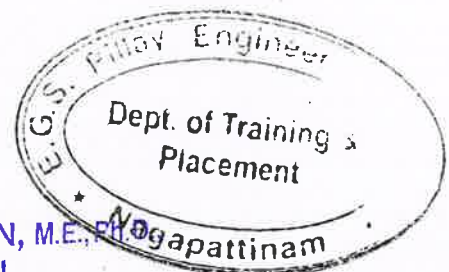

Objective of this training program is to,

- Develop effective communication skills (spoken and written),
- Develop effective presentation skills,
- Develop all-round personalities with a mature outlook to function effectively in different circumstances, to make students able to critically evaluate various real-life situations by resorting to an analysis of key issues and factors,
- To take part effectively in various selection procedures adopted by the recruiters, the program gave our students much-needed industry exposure

Summary on Time Management session for Students (Online)

Time management is the process of organizing and planning how to divide your time between different activities. Get it right, and you'll end up working smarter, not harder, to get more done in less time – even when time is tight and pressures are high. The highest achievers manage their time exceptionally well. Considering this the Placement Cell, EGS Pillay Engineering College, conducted Time Management (online) webinar for final year students. Objective of the session is to acquire deep knowledge about Time Management

This webinar session has been conducted on 13.05.2020. This program has benefited nearly 82 students of various streams. Mr. Mohankumar, Head of Training & Placement Department gave a welcome address and insisted the students to make use of the training. This session was handled by Ms. Sireesha Gajula. The training has been conducted in online mode. This program has majorly focused on Time Management skills. Students were able to participate effectively Manage their time.
