Corona awareness rally on 10-03-2020

COVID-19, which was initiated regionally at Wuhan of China, has become a global pandemic by infecting people of almost all the world. Human civilizations are facing threat for their survival and livelihood. No country are getting any substantial relief and solution from this pandemic rather to convince their citizens to make aware and taking precaution by changing their living style. Awareness rallies were taken out in Thethi on 10-03-2020 to spread awareness about the importance of taking precautionary measures against COVID-19.

Tree Plantation on 06-03-2020

Trees contribute to their environment over long periods of time by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife. During the process of photosynthesis, trees take in carbon dioxide and produce the oxygen we breathe. Climate change, global warming, climate protests – these are not just buzz words, these are the words used by the younger generation to raise their concerns about our environment and it is time that everybody started listening to their message. Tree Plantation Program conducted on 06-03-2020 at Thethi village. Thethi Panchayath union govt school head master sapling planted at Thethi village. Tree plantation program organized by Dr.V.Sivaramakrishnan, NSS Program officer. Tree plantation program nearly 50 NSS volunteers, NSS program officer, School teachers participated.

Self Defense program on 04-03-2020

It is important to provide self-defence training to them in the college to ensure their safety and security. Self-defence training is a life skill that helps girls and also boys to be more aware of their surroundings and be prepared for the unexpected at any time. Through the self defence training, the girls are taught to become psychologically, intellectually and physically strong enough to protect themselves in times of distress. Self defence training techniques instills self confidence amongst girls and helps to promote girls education particularly their transition to school level to college level and to improve the education level. This training is given by trainer Mr. S.Sakthivel. nearly 50 studets of volunteers participated in this training.

Yoga Program on 03-03-2020

Students of all professional courses are under stress amongst which engineering curriculum is rated as one of the highest. Yoga is a perfect complement to student's lives. The physical practice is a great relief to lengthy periods of being stationary when students are studying, and there are also many benefits for the mind and relieve from stress and anxiety. Many studies have indicated that the students experienced a reduction in stress and anxiety levels after inclusion of regular practice of yoga and can have a significant change in the lifestyle of an engineer by allowing them to maintain their health as well as relieving them from their day-to-day stress. Considering the long-term effects of the engineering profession on one's health, it is crucial to know the awareness levels about yoga and its benefits amongst engineering undergraduate and post-graduate students towards ensuring physical, mental and psychological well-being. With this objective, NSS of E.G.S. Pillay Engineering College conducted a Yoga program on 03-03-2020 for second year students (around 50 students). Mr. Pandian, Yoga Master/EGSPEC conducted the class by performing yoga poses in precise alignment, using the correct terminology, and safely guiding students through the flow of the practice. He guided students to "connect to breath" while conducting a series of physical and mental exercises. Students participated in the class reported increased levels of relaxation, greater perspective of their lives, more focus, and feelings of empowerment.

Road safety awareness program on 02-08-2019

A road safety awareness program was organised on 02.08.2019 by National Service Scheme students of E.G.S. Pillay Engineering College in collaboration with the Nagapattinam Road transport office. The motive behind organising the rally was to develop the student as a national power, to make them think about development, in which road safety plays an important role. The objective of the program was to bring the students to the traffic road safety information to all the people. At the beginning of the Program RTO officer provided guidance to all the students by telling them about the road safety rules. He said that while driving a car seat belt should be worn and helmet while riding a two wheeler. This event was completed under the leadership of Prof. Dr. V. Sivaramakrishnan, Program officer/ NSS. On this occasion Dr. S.Ramabalan/ principal congratulated all the students and wished them a bright future.

02.08.2019 Road safety program- Road transport office and college NSS Unit Jointly Organized. Our college NSS Program officer received the prize from RTO.
