Summary on Placement training Phase – II for final Year

Placement training Phase – II for final Year Student was held on 24.08.2020. The event was inaugurated by Dr.S.Chandrasekar, Chief Executive officer Department of Training & Placement in the presence of Secretary. The training organized by placement team. The objective of the training was to help students understand the fundamental concepts of language and communication, specifically focusing on the parts of speech. Objectives of the program is Developing the ability to identify and use different parts of speech in sentences, understanding how to use different parts of speech to convey different meanings and emotions, learning how to use proper grammar and punctuation to enhance the clarity and effectiveness of written communication, Developing the ability to write sentences with correct subject-verb agreement, tense, and syntax.

Language and communication play a crucial role in our lives and have various outcomes that impact individuals, communities, and society as a whole. Some of the outcomes of language and communication include. Learning the definition and usage of each part of speech, including nouns, pronouns, verbs, adjectives, adverbs, prepositions, conjunctions, and interjections. Developing the ability to identify and use different parts of speech in sentences. In the conclusion, the training session was conducted by a language expert who provided a detailed explanation of the different parts of speech in English grammar. The session covered various parts of speech, including nouns, pronouns, verbs, adjectives, adverbs, prepositions, conjunctions, and interjections. The trainer explained the definition and usage of each part of speech and provided examples of how they can be used in sentences. The students were given exercises to practice identifying and using different parts of speech in sentences.

Report on In person training

Introduction

In person training was held on 01.02.2021. The event was inaugurated by Dr.S. Chandrasekar, Chief Executive officer Department of Training & Placement in the presence of Secretary. The training organized by placement team. In-person training session was conducted for final year students on language and communication. The focus of the session was to provide students with practical guidance on how to communicate effectively during a job interview. The session included a mock interview scenario that allowed students to practice their communication skills.

Objectives

The specific objectives of the program were to Understanding the importance of effective communication during a job interview, learning how to prepare for a job interview, including researching the company and the position. Understanding the different types of interview questions and how to respond to them effectively.

Outcomes

The most outcomes of this event were to Learning how to prepare for a job interview, including researching the company and the position, Understanding the different types of interview questions and how to respond to them effectively, developing effective verbal and non-verbal communication skills, including body language, tone of voice, and eye contact.

Conclusion

The in-person training on mock interview about language and communication was a valuable learning experience for the students. The course provided practical guidance on how to communicate effectively during a job interview, including verbal and non-verbal communication skills, interview etiquette, and interview preparation. The mock interview scenario allowed students to practice their communication skills in a realistic setting, and the feedback provided by the trainer will undoubtedly help students to improve their communication skills and increase their chances of success during job interviews.

Report on In Person Training – MBA

Introduction

In Person Training – MBA was held on 02.03.2021. The event was inaugurated by Dr.S. Chandrasekar, Chief Executive officer Department of Training & Placement in the presence of Secretary. The training organized by placement team. In-person training session was conducted for final year students on language and communication. The aim of the training was to provide students with practical guidance on how to communicate effectively in different contexts and with diverse groups of people.

Objectives

The specific objectives of the training program were to:

1. Developing empathy and understanding for individuals with different perspectives and backgrounds.
2. Learning how to use non-verbal communication to enhance message clarity and understanding.

Outcomes

The in-person training on language and communication adaptability was a valuable learning experience for the MBA students. The course provided practical guidance on how to communicate effectively in diverse settings, including with people from different cultural backgrounds and with different personalities.

Conclusion

The training session was led by an experienced communication expert who provided students with guidance on how to communicate effectively in diverse settings. The course covered various aspects of communication adaptability, including how to communicate with people from different cultural backgrounds, how to communicate with individuals with different personality types, and how to adjust communication styles based on the situation.

The trainer provided students with practical exercises that allowed them to practice their communication skills in diverse settings. For instance, students were required to participate in group discussions and role plays where they had to communicate with people from different backgrounds and with different personalities
