Placement training Phase II for Final year Students (Online)

Introduction

Cracking an interview and getting selected for the job position is considered to be a challenging task. Having a right skillset for the respective job designation is a major concern. Considering this the Placement Cell, EGS Pillay Engineering College, conducted Placement training Phase II for final year students. As a part of the training process, students had Aptitude and communication classes.

Objective

- To develop professional behavior among students.
- To improve verbal and non-verbal communication
- To apply to concepts of logical thinking (aptitude) in programming
- Practice to solve aptitude in reduced time

Outcome

Students were able to

- Good understanding about GD and interview
- Capable to approach programming concepts with logical thinking
- Improved interview etiquettes

Conclusion

The training has been conducted on 24.08.2020. This program has benefited nearly 306 final year students of various streams. Dr. S. Chandrasekar, Chief Executive Officer, EGSPUI gave a welcome address and insisted the students to make use of the training. The training has been conducted online mode. This program has also covered skills and guidelines for Group discussion. Students also learned to build a professional resume, develop skills to stand out in the crowd and improve the chances of getting interviews.

Report on Inperson Training for Final year Students

Introduction

Placement Cell, EGS Pillay Engineering College, conducted inperson special training for final year students on 01.02.2021. To revise soft skills and aptitude topics for final year students.

Objectives

- Develop effective communication skills (spoken and written).
- The sole objective of imparting aptitude training is to make students able to critically evaluate various real-life situations by resorting to an analysis of key issues and factors.
- Take part effectively in various selection procedures adopted by the recruiters

Outcome

Students were able to

- Understand the importance of communication skill in interview process
- To face one to one interview without any fear
- Understand and apply the logical and reasoning concepts in aptitude

Conclusion

Totally 42 final year students from various departments has attended the training. The training has been conducted offline mode. This program has also covered skills and guidelines for Group discussion. Students also learned to build a professional resume, develop skills to stand out in the crowd and improve the chances of getting interviews.
