Placement Training for Final year Students

Introduction

Cracking an interview and getting selected for the job position is considered to be a challenging task. Having a right skillset for the respective job designation is a major concern. Considering this the Placement Cell, EGS Pillay Engineering College, conducted Inperson training for final year students. As a part of the training process, students had Aptitude and communication classes.

Objectives

- Develop effective communication skills (spoken and written).
- Develop effective presentation skills.
- Develop all-round personalities with a mature outlook to function effectively in different circumstances.
- The sole objective of imparting aptitude training is to make students able to critically evaluate various real-life situations by resorting to an analysis of key issues and factors.
- Take part effectively in various selection procedures adopted by the recruiters
- The program gave our students much-needed Industry exposure and put on the right path to achieve the goal of getting placed in a renowned organization.

Outcome

Students were able to

- Understand the importance of Resume & Self Introduction
- Working on Personality changes, body Language
- Answer very effectively of certain questions in One - One HR round
- Understand and apply the logical and reasoning concepts in aptitude

Conclusion

The training has been conducted from 06.07.2021 to 07.08.2021. This program has benefited nearly 300 final year students of various streams. The training has been conducted offline mode. This program has also covered skills and guidelines for Group discussion. Students also learned to build a professional resume, develop skills to stand out in the crowd and improve the chances of getting interviews.

Report on Aptitude Enhancement Training for Final year E-Box Students

Introduction

Aptitude is one of the important part in interview preparation. Because most of the company keep aptitude as their first round of interview. And aptitude also allows students to use their logical thinking, which is very important to solve coding. Since E-Box majorly focus on programming having good skill in aptitude is even more important for them. Considering this the Placement Cell, EGS Pillay Engineering College, conducted Aptitude Enhancement training for E-Box students. As a part of the training process, students had Aptitude and communication classes.

Course Objectives

- To train students in advanced aptitude topics

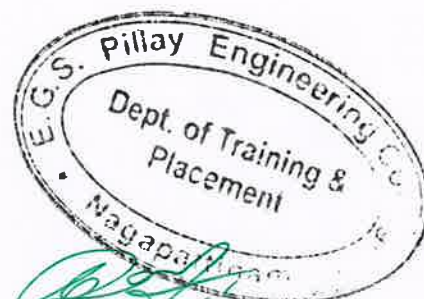

Outcome

Students were able to

- Understand and apply the logical and reasoning concepts in aptitude

Conclusion

The training has been conducted from 24.07.2021 to 26.08.2021. This program has benefited nearly 50 final year students of various streams. The training has been conducted offline mode. This program has also covered all the topics related to basic and advanced level of aptitude.

Summary on Placement training Phase I for Final year Students

Cracking an interview and getting selected for the job position is considered to be a challenging task. Having a right skillset for the respective job designation is a major concern. Considering this the Placement Cell, EGS Pillay Engineering College, conducted Placement training Phase I for final year students. As a part of the training process, students had Aptitude and communication classes. Objective of the training is to develop effective communication skills (spoken and written), develop effective presentation skills, develop all-round personalities with a mature outlook to function effectively in different circumstances, to make students able to critically evaluate various real-life situations by resorting to an analysis of key issues and factors, take part effectively in various selection procedures adopted by the recruiters, the program gave our students much-needed Industry exposure and put on the right path to achieve the goal of getting placed in a renowned organization. Objective of the training was to understand the importance of Resume & Self Introduction, working on Personality changes, body Language, answer very effectively of certain questions in One - One HR round , understand and apply the logical and reasoning concepts in aptitude.

The training has been conducted on 01.12.2021. This program has benefited nearly 200 final year students of various streams. Dr. S. Chandrasekar, Chief Executive Officer, EGSPUI gave a welcome address and insisted the students to make use of the training. The training has been conducted offline mode. This program has also covered skills and guidelines for Group discussion. Students also learned to build a professional resume, develop skills to stand out in the crowd and improve the chances of getting interviews.
