Report on Placement Training for Final Year

Introduction

Placement Training for Final Year was held from 06/07/2021 to 07/08/2021. The event was inaugurated by Dr.S.Chandrasekar, Chief Executive officer Department of Training & Placement in the presence of Secretary. The training organized by placement team. The aim of the training was to provide students with practical guidance on how to improve their communication skills to increase their chances of success in the job market.

Objectives

The specific objectives of the training program were to:

- Learning how to adapt communication strategies to different audiences, including customers, colleagues, and management.
- Understanding how to handle difficult conversations and conflicts.
- Developing the ability to communicate effectively in a team environment.
- Improving presentation skills and public speaking abilities.

Outcomes

The interactive and practical nature of the program helped students to develop their confidence and overcome any language barriers they may have had. The outcomes of the program were to developing the ability to actively listen and respond appropriately, understanding how to use non-verbal communication to enhance message clarity and understanding.

Conclusion

- The training session was led by an experienced communication expert who provided students with guidance on how to improve their communication skills. The course covered various aspects of communication enhancement, including verbal communication, non-verbal communication, active listening, and feedback.
- The trainer provided students with practical exercises that allowed them to practice their communication skills in different scenarios. For instance, students were required to participate in group discussions, role plays, and mock interviews where they had to communicate effectively to demonstrate their skills.
