Report on activities conducted by college to enhance the student's capabilities Competitive Exams

The college is taking all initiatives to impart the basic skills essential for the students to compete in all National level and International level exams conducted by the State Government, Government of India and International organizations. Gate coaching classes are conducted to the interested students based on their request. If reasonable strength of students expresses their willing to attend, the professional coaching organizations are invited to conduct at scheduled hours in a semester to provide coaching to the students on all topics included in Gate syllabus.

Special language coaching classes on certain languages like German, Japanese and Hindi are being conducted to increase the opportunities for the students to successfully crack the competitive examinations like GATE, SSC, IBPS, TNPSC, RRB, etc. In the college main library all the competitive exam books are available. Many students have utilized this opportunity and successfully completed the competitive exams with good score National and International level competitive exams which helped them to get admission to pursue their post gradation in a very well reputed and recognized top level international universities with financial support. In addition to this, the students who get qualified in GATE Exams with high percentile are able to get jobs in Central Government organizations who recruit the Graduate Engineer Trainees (GET) only basedon their Gate Qualification.

A few sample proof in connection with coaching classes conducted on special languages, GATE exams and UPSC are shown below. Sample proofs of the students who have been qualified in various competitive exams in enclosed herewith.

Event Report on Competitive exam Training for final year EEE,MECH, MCA

The college is taking all initiatives to impart the basic skills essential for the students to compete in all National level and International level exams conducted by the State Government, Government of India and International organizations. Gate coaching classes are conducted to the interested students based on their request. If reasonable strength of students expresses their willing to attend, the professional coaching organizations are invited to conduct at scheduled hours in a semester to provide coaching to the students on all topics included in Gate syllabus. Special language coaching classes on certain languages like German, Japanese and Hindi are being conducted to increase the opportunities for the students to successfully crack the competitive examinations like GATE, SSC, IBPS, TNPSC, RRB, etc. In the college main library all the competitive exam books are available. Many students have utilized this opportunity and successfully completed the competitive exams with good score National and International level competitive exams which helped them to get admission to pursue their post gradation in a very well reputed and recognized top level international universities with financial support.

In addition to this, the students who get qualified in GATE Exams with high percentile are able to get jobs in Central Government organizations who recruit the Graduate Engineer Trainees (GET) only based on their Gate Qualification. A few sample proof in connection with coaching classes conducted on special languages, GATE exams and UPSC are shown below. Sample proofs of the students who have been qualified in various competitive exams in enclosed herewith.

Main Content:

Department of Training and Placement, EGS Pillay Engineering College organised a webinar on “Civil Service as a Career Option?” dated 30 June 2021 through online platform (Webinar Jam). For this Seminar a guest speaker **Dr.A.Arun Thamburaj IAS, District Collector, Nagapattinam** guided the students on this occasion. In guidance the elaborated on how to prepare for UPSC exams, what components are included in the exam, how to plan the study, and how many opportunities are available, what is the medium, written and interview techniques. Placement Director **Dr.S.Chandrasekar** appealed to the students to take inspiration from today's lectures and achieve brilliant success in competitive examinations. Above 1000 students were participated in this programme.

Outcomes:

1. The students are able to attempt any competitive exam as they are provided with the syllabus of the exam, review and weight age given to each subject.
2. They have look into previous year's questions and create a study plan.
3. They are asked to remember concepts in a short way.
4. They develop the habit of taking notes so as to revise easily.
5. The students are trained to think positively and are encouraged to face various competitive exams

Event Report on Competitive exam Training for final year MBA

Competitive exam training was conducted for all the final year students. Total of 73 students of various departments were trained in this program on 02.03.2021. The college is taking all initiatives to impart the basic skills essential for the students to compete in all National level and International level exams conducted by the State Government, Government of India and International organizations. Gate coaching classes are conducted to the interested students based on their request. If reasonable strength of students expresses their willing to attend, the professional coaching organizations are invited to conduct at scheduled hours in a semester to provide coaching to the students on all topics included in Gate syllabus. Special language coaching classes on certain languages like German, Japanese and Hindi are being conducted to increase the opportunities for the students to successfully crack the competitive examinations like GATE, SSC, IBPS, TNPSC, RRB, etc. In the college main library all the competitive exam books are available. Many students have utilized this opportunity and successfully completed the competitive exams with good score National and International level competitive exams which helped them to get admission to pursue their post gradation in a very well reputed and recognized top level international universities with financial support. In addition to this, the students who get qualified in GATE Exams with high percentile are able to get jobs in Central Government organizations who recruit the Graduate Engineer Trainees (GET) only based on their Gate Qualification.
