ABOUT THE INSTITUTION

E. G. S. Pillay Engineering College (Autonomous) is one of the pioneering non-grant engineering colleges in the State. It was established by the G. S. Pillay & Sons Educational & Charitable Trust, Nagapattinam in the year 1995 with the sanction of the Government of Tamil Nadu, approval of the All-India Council for Technical Education, New Delhi and affiliated to Anna University, Chennai. The college has accredited by NAAC with 'A' Grade and all the UG programmes are accredited by NBA. The College has earned the reputation of being one of the most preferred colleges by the students and parents all these years. Known for its excellent infrastructure and facilities for learning, the outstanding non-grant engineering college has registered impressive performance consistently. A gate-way to success, the college has now set on long-range planning to enlarge and enrich its programs and activities to empower the youth who aspire to become successful Engineers, Scientists and Managers. A gate-way to success, the college has now set on long-range planning to enlarge and enrich its programs and activities to empower the youth who aspire to become successful Engineers, Scientists and Managers

Vision
Envisioned to transform our institution into a "Global Centre of Academic Excellence"

Mission

- To provide world class education to the students and to bring out their inherent talents
- To establish state-of-the-art facilities and resources required to achieve excellence in teaching learning and supplementary processes
- To recruit competent faculty and staff and to provide opportunity to upgrade their knowledge and skills
- To have regular interaction with the industries in the area of R&D and offer consultancy, training and testing services
- To establish centre of excellence in the emerging areas of research
- To offer continuing education and non-formal vocational education programmes that are beneficial to the society

Department Vision

To produce globally competent information technologist and to inculcate values of leadership and research qualities in them

Department Mission

- To provide high quality Education to the students by our competent faculty members, effective teaching learning process and value-added courses
- To create centres of excellence by interacting with industries for better employability and to contribute to the society through consultancy and R&D works.
- To improve the soft skill, interpersonal skill, ethical behaviour and communication skill of students by involving them in team works and technical even

DEPARTMENT OF INFORMATION TECHNOLOGY

VALUE ADDED COURSE ON FULL STACK DEVELOPMENT

IV YEAR

Course Name:FULL STACK DEVELOPMENT

Duration :30 Hrs

About the Course:

Value added course is not mandatory to qualify for any programme and the credits earned through the added courses shall be over and above the total credit requirement prescribed in the curriculum for the award of the degree. As you prepare for your role in back-end development, practice bringing together multiple skills to build a full-stack Development. You'll start by setting up an environment for a local practical project, and refactoring the front and back-ends of an existing application. You will then have the opportunity to create the front and back-ends of a new application using your full-stack developer skills.

Course Objectives:

After completion of the course students will be able –

1. Explain common concepts related to full stack development
2. Use HTML, CSS and JavaScript to develop well-structured, interactive and responsive websites
3. Describe the different environments that web applications are deployed to

Course Content:

Module 1 : Introduction to HTML, Browsers and HTML, Tags, attributes and elements, Comments. Headings ,paragraphs and formatting text, Images and tables

Module 2 : Introduction CSS, Applying CSS to HTML, Selectors, properties and values, CSS box model, CSS colors and backgrounds ,Padding and Borders, Text and font properties

Module 3 : Introduction to java Script, Understanding JS syntax, Variables & operators, objects & arrays, Data type & number type conversion, math & string manipulation, Date & time

Module 4: Introduction ReactJS, Components, state & props, Lifecycle of components, Error handling, Unit testing

Module 5 : Python installation & configuration, Developing a Python Application

STUDENTS FEEDBACK FORM

NAME : R. RAJARAMAN

COURSE TITLE : FULL STACK DEVELOPMENT

YEAR : IV

How much the course is useful for you?

Very Much

The instructor was well prepared for the class.

yes

The course was organized in a manner that helped you understand the underlying concepts.

It helps us to understand recent concepts.

Will you highly recommended this course to other student?

ofcourse

Do you have any suggestions for improving the course?

Need to add this as subject in semester.

DEPARTMENT OF INFORMATION TECHNOLOGY
VALUE ADDED COURSE ON FULL STACK DEVELOPMENT
REPORT

Department of Information Technology organized a value-added course on "FULL STACK DEVELOPMENT" from 21.01.2019 to 25.01.2019(one week). The coordinator of the course is R.Lavanya Assistant professor, department of information technology. The sessions are conducted by Mr. Dineshkumar Gandhi, ICT Academy as Senior Technical Trainer and 40 students of final year students attended the course the days. All the sessions are conducted as per schedule on 25.01.2019 afternoon session assessment was conducted based on the performance certificates are issued to the students.

Feedback collected from all the students, most of the students request this type of value-added courses every semester also written that full stack development certification is very much useful for the placement. Based on the feedback we planned to organize value added course on programming languages and so on.

Respected Sir,

Sub: Permission to conduct Value Added Course- reg.

I would like to request your support and permission to conduct 5-day Value added course on **Mobile Application Development** for second and third year IT students. There is a need that has been identified by need analysis most of the students mentioned this course for their future endeavours.

The course will start on 10th june and ends on 14th june.

Thank you

Date:15.05.2018

Place: Nagapattinam

Yours truly,

(V.M.Suresh)

About the College

E. G. S. Pillay Engineering College (Autonomous) is one of the pioneering non-grant engineering Colleges in the State. It was established by the G. S. Pillay & Sons Educational & Charitable Trust, Nagapattinam in the year 1995 with the sanction of the Government of Tamil Nadu, approval of the All India Council for Technical Education, New Delhi and affiliated to Anna University, Chennai. The college has accredited by NAAC with 'A' Grade and all the UG programmes are accredited by NBA. The College has earned the reputation of being one of the most preferred colleges by the students and parents all these years. Known for its excellent infrastructure and facilities for learning, the outstanding non-grant engineering college has registered impressive performance consistently. A gate-way to success, the college has now set on long-range planning to enlarge and enrich its programs and activities to empower the youth who aspire to become successful Engineers, Scientists and Managers. A gate-way to success, the college has now set on long-range planning to enlarge and enrich its programs and activities to empower the youth who aspire to become successful Engineers, Scientists and Managers.

Vision

Envisioned to transform our institution into a "Global Centre of Academic Excellence"

Mission

- ✓ To provide world class education to the students and to bring out their inherent talents
- ✓ To establish state-of-the-art facilities and resources required to achieve excellence in teaching-learning and supplementary processes
- ✓ To recruit competent faculty and staff and to provide opportunity to upgrade their knowledge and skills
- ✓ To have regular interaction with the Industries in

- ✓ the area of R&D and offer consultancy, training and testing services
- ✓ To establish centers of excellence in the emerging areas of research

To offer continuing education and non-formal vocational education programmes that are beneficial to the society

About the Department

The department of Information technology started in the year of 2000, offered B.Tech – Information Technology with intake of 60, approved by AICTE and Permanently Affiliated to Anna University. The B.Tech – Information Technology programme Accredited by NBA (2019–2022). The department has well qualified and experienced staff and it continually updates its laboratories with modern facilities. As per university norms, semester system is being followed. Currently department follows EGSEC Regulation 2017 & 2019. The department conducts various seminars and workshop periodically. Various associations are formed related to the department. The students are given different mini-projects in the pre-final year so that their individual ideas can be implemented. The staff and students are encouraged to present papers at various colleges and many have won prizes in the face of stiff competitions. The Department has faculty members specialized in Data mining, Computer Networks, Soft Computing, Evolutionary Computing, Network Security, Cyber Security, Digital Signal Processing, Big Data Analytics, Artificial Intelligence, Image Processing, Cloud Computing and Mobile Computing. The department prepares the students to be ready on day one in the industry. The curriculum is well rounded and well defined to cater to the requirements of both industry

deployment and research activities. The department have very good industry institute linkage with ICT Academy, Oracle Academy, Linxper Systems, IBM, EMC Corporation, VMware IT Academy, Palo Alto Networks, CISCO Academy, Sales Force, DellEMC and provide various value added & certification courses.

Vision

To produce globally competent information technologist and to inculcate values of leadership and research qualities in them

Mission

- To provide high quality Education to the students by our competent faculty members, effective teaching learning process and value added courses
- To create centres of excellence by interacting with industries for better employability and to contribute to the society through consultancy and R&D works.
- To improve the soft skill, interpersonal skill, ethical behavior and communication skill of students by involving them in team works and technical events

DEPARTMENT OF INFORMATION TECHNOLOGY

VALUE ADDED COURSE ON MOBILE APPLICATION DEVELOPMENT

II & III YEAR

Course Name:MOBILE APPLICATION DEVELOPMENT

Duration :30 Hrs

About the Course:

Value added course is not mandatory to qualify for any programme and the credits earned through the added courses shall be over and above the total credit requirement prescribed in the curriculum for the award of the degree. This course introduces students to programming technologies ,design and development related to mobile applications.

Course Objectives:

After completion of the course students will be able –

- 1.students should be able to create basic applications for mobile devices
- 2.Identify career opportunities related to technology

Course Content:

Module 1 :Introduction to Mobile Computing and Android Development Environment

Module 2 :Factors Developing in mobile applications

Module 3 :Mobile software engineering and Frameworks of mobile applications

Module 4:Tools of Mobile Applications nd generic UI development

Module 5 :Android architecture and user of android mobiles

DEPARTMENT OF INFORMATION TECHNOLOGY

VALUE ADDED COURSE ON MOBILE APPLICATION DEVELOPMENT

REPORT

Department of Information Technology organized a value-added course on “MOBILE APPLICATION DEVELOPMENT” from 10.06.2018 to 14.06.2018(one week).The coordinator of the course is V.M. Suresh Assistant professor, department on information technology. The sessions are conducted by Mr. Dineshkumar Gandhi, ICT Academy as Senior Technical Trainer and 100 students second and third year students attended the course the days. All the sessions are conducted as per schedule on 14.06.2018 afternoon session assessment was conducted based on the performance certificates are issued to the students.

Feedback collected from all the students, most of the students request this type of value-added courses every semester also written that mobile app development certification is very much useful for the placement. Based on the feedback we planned to organize value added course on programming languages and so on.
