Through,

The HOD
Department of information Technology
E.G.S.Pillay Engineering College,
Nagapattinam – 611002

Respected Sir,

Sub: Permission to conduct Value Added Course- reg.

I would like to request your support and permission to conduct 5-day Value added course on **Python for Data Science** for Third year IT students. This course is very useful for their future endeavours.

I want to use computer centre III for organizing this course.

The course will start on 23th May and ends on 27th May. (Tentatively)

Thank you

Yours truly,

Dr. S. MANIKANDAN
Associate Professor and Head
Chairman - Board of Studies
Department of Information Technology
E.G.S. Pillay Engineering College
Nagapattinam - 611 002.

(K.Raju)

(Accredited by NBA)

Department Vision

To produce globally competent information technologist and to inculcate values of leadership and research qualities in them.

Department Mission

To provide a high quality education to the students by our competent faculty members, effective teaching learning process and value-added courses

To create a centers of excellence by interacting with industries for better employability and to contribute to the society through consultancy and R&D works

To improve the soft skills, interpersonal skills, ethical behavior and communication skill of students by involving team works and technical event.

Objective of the FDP

- To help the participants to familiarize with Python Programming language and analysis.
- To train the participants in accessing data from various domains.
- To develop confidence as independent Python Programmer, and data analyst

About The Institution

E. G. S. Pillay Engineering College (Autonomous) is one of the pioneering non-grant engineering Colleges in the State. It was established by the G.S. Pillay & Sons Educational & Charitable Trust, Nagapattinam in the year 1995 with the sanction of the Government of Tamil Nadu, approval of the All-India Council for Technical Education, New Delhi and affiliated to Anna University, Chennai. The college has accredited by NAAC with 'A' Grade and all the UG programs are accredited by NBA. The College has earned the reputation of being one of the most preferred colleges by the students and parents all these years. Known for its excellent infrastructure and facilities for learning, the outstanding non-grant engineering college has registered impressive performance consistently. A gate-way to success, the college has now set on long-range planning to enlarge and enrich its programs and activities to empower the youth who aspire to become successful Engineers, Scientists and Managers. A gate-way to success, the college has now set on long-range planning to enlarge and enrich its programs and activities to empower the youth who aspire to become successful Engineers, Scientists and Managers.

Vision

Envisioned to transform out institution into a "Global Centre of Academic Excellence"

ATTESTED Mission

Dr. S. KAMABALAN, The Pillay Engineering College
Principal
The Pillay Engineering College
Thethi, Nagore - 611 009
Kalam, Dt. Tamil Nadu.

- To provide world class education to the students and to bring out their inherent talents
- To establish state-of-the-art facilities and resource required to achieve excellence in teaching and learning and supplementary processes
- To recruit competent faculty and staff and to provide opportunity to upgrade their knowledge and skills
- To have regular interaction with the industries in the area of R&D and offer consultancy, training and testing services.
- To establish centers of excellence in the emerging areas of research
- To offer continuing education and non-formal vocational education programs that are

DEPARTMENT OF INFORMATION TECHNOLOGY

VALUE ADDED COURSE ON PYTHON FOR DATA SCIENCE

REPORT

Department of Information Technology organized a value-added course on “PYTHON FOR DATA SCIENCE” from 23-05-2022 to 27-05-2022 (One Week). The coordinator of the course is K.Raju Assistant professor, Department of Information Technology. The sessions are conducted by Mrs.R.Lavanya Assistant professor, Department of Information Technology and total no of 62 students from 3rd year attended the course. All the sessions are conducted as per schedule. Assessment test conducted on 27-05-2022 afternoon session based on the performance certificates are issued to the students.

Feedback collected from all the students, most of the students request this type of value-added courses every semester also written that this certification is very much useful for their placement.

Respected Sir,

Sub: Permission to conduct Value Added Course- reg.

I would like to request your support and permission to conduct 5-day Value added course on **Industry 4.0** for Final year IT students. There is a need that has been identified by need analysis most of the students mentioned this course for their future endeavours.

The course will start on 13th dec and ends on 17th dec.

Thank you

Date:26.11.2021

VALUE ADDED COURSE ON INDUSTRY 4.0

IV YEAR

Course Name:INDUSTRY 4.0

Duration :30 Hrs

About the Course:

Value added course is not mandatory to qualify for any programme and the credits earned through the added courses shall be over and above the total credit requirement prescribed in the curriculum for the award of the degree. This training course will introduce you to the key elements and benefits of Industry 4.0, as well as the enabling design principles that support companies in identifying and implementing various Industry 4.0 scenarios and the key technologies for smart factories.

Course Objectives:

After completion of the course students will be able –

1 students can be able to learn recent technologies.

3. Describe the different environments that web applications are deployed to

Course Content:

Module 1 : Introduction on block chain-About ethereum-The ethereum virtual machine-smart contracts using solidity-Cryptography-Techniques-Algorithms-Types of cryptography

Module 2 : Advantages and disadvantages of IOT-IOT ecosystem-Architecture & domains-IOT devices-Platforms-Communications

Module 3 : Introduction on cyber security-11 cybersecurity concepts- Types of cybersecurity-importance & challenges-How to protect yourself from cyber threats

Module 4: Introduction on bigdata analytics-lifecycle-Data analytics method using R-Map reduce and its framework-advanced data analytics

Module 5 : Introduction on deep learning-Difference b/w machine learning and deep learning-Applications

DEPARTMENT OF INFORMATION TECHNOLOGY

VALUE ADDED COURSE ON INDUSTRY 4.0

REPORT

Department of Information Technology organized a value-added course on “INDUSTRY 4.0” from 13.12.2021 to 17.12.2021(one week).The coordinator of the course is R.Lavanya Assistant professor, department of information technology. The sessions are conducted by Jaganathan,senior software engineer, Infosys and 40 students of final year students attended the course the days. All the sessions are conducted as per schedule on 17.12.2021 afternoon session assessment was conducted based on the performance certificates are issued to the students.

Feedback collected from all the students, most of the students request this type of value-added courses every semester also written that Industry 4.0 certification is very much useful they can able to understand about recent technologies. Based on the feedback we planned to organize value added course on Recent trends in IT.

Respected Sir,

Sub: Permission to conduct Value Added Course- reg.

I would like to request your support and permission to conduct 5-day Value added course on **Oracle/PLSQL** for second year IT students. There is a need that has been identified by need analysis most of the students mentioned this course for their future endeavours.

I want to use computer centre III for organizing this course.

The course will start on 25th April and ends on 29th April. (Tentatively)

Thank you

Yours truly,

(R.LAVANYA)

Course Overview

This course is an application-oriented course covers the relational database systems RDBMS -the predominant system for business, scientific and engineering applications at present. The topics are reinforced using tools such as Oracle Server in labs. The course includes the PL/SQL programming language to the participants by giving practical knowledge in PL/SQL programming, utilizing the services provided by Oracle database in a stored procedure perspective. This includes implementation of Subprograms, Triggers, and Cursors concepts in depth |

ABOUT THE INSTITUTION

E. G. S. Pillay Engineering College (Autonomous) is one of the pioneering non-grant engineering Colleges in the State. It was established by the G. S. Pillay & Sons Educational & Charitable Trust, Nagapattinam in the year 1995 with the sanction of the Government of Tamil Nadu, approval of the All-India Council for Technical Education, New Delhi and affiliated to Anna University, Chennai. The college has accredited by NAAC with 'A' Grade and all the UG programmes are accredited by NBA. The College has earned the reputation of being one of the most preferred colleges by the students and parents all these years. Known for its excellent infrastructure and facilities for learning, the outstanding non-grant engineering college has registered impressive performance consistently. A gate-way to success, the college has now set on long-range planning to enlarge and enrich its programs and activities to empower the youth who aspire to become successful Engineers, Scientists and Managers. A gate-way to success, the college has now set on long-range planning to enlarge and enrich its programs and activities to empower the youth who aspire to become successful Engineers, Scientists and Managers.

Vision

Envisioned to transform our institution into a "Global Centre of Academic Excellence"

Mission

- ✓ *To provide world class education to the students and to bring out their inherent talents*
- ✓ *To establish state-of-the-art facilities and resources required to achieve excellence in teaching - learning and supplementary processes*
- ✓ *To recruit competent faculty and staff and to provide opportunity to upgrade their knowledge and skills*
- ✓ *To have regular interaction with the industries in the area of R&D and offer consultancy, training and testing services*
- ✓ *To establish centre of excellence in the emerging areas of research*
- ✓ *To offer continuing education and non-formal vocational education programmes that are beneficial to the society*

Department Vision

To produce globally competent information technologist and to inculcate values of leadership and research qualities in them

Department Mission

- ✓ To provide high quality Education to the students by our competent faculty members, effective teaching learning process and value-added courses
- ✓ To create centres of excellence by interacting with industries for better employability and to contribute to the society through consultancy and R&D works.
- ✓ To improve the soft skill, interpersonal skill, ethical behaviour and communication skill of students by involving them in team works and technical event
