Dear Manikandan S:

IEEE has reviewed your conference materials and supplemental Technical Program Questionnaire for the 2017 International Conference on IoT and Application (ICIOT) ( 41093 ) and determined that the proceedings from this conference will be accepted for publication in IEEE Xplore.

IEEE is committed to maintaining the highest quality standards for our events and conference proceedings. We greatly appreciated your patience while the Technical Program Integrity Committee completed their assessments.

Kindest Regards,  
Jodi Merzalde
