National science day awareness program on 28-02-2022

National Science Day is celebrated in India on 28 February each year to mark the discovery of the Raman effect by Indian physicist Sir C. V. Raman on 28 February 1928. For his discovery, Sir C.V. Raman was awarded the Nobel Prize in Physics in 1930. The event is now celebrated in In E.G.S. Pillay Engineering College to disseminate the knowledge about the importance of science used in the daily life of the people. The major objectives of this celebration are (i) to display all the activities, efforts and achievements in the field of science for human welfare; (ii) to discuss all the issues and implement new technologies for the development in the field of science; (iii) to give an opportunity to the scientific minded citizens in India; and (iv) to encourage the people as well as popularize science and technology. The celebration also includes public speeches, science exhibitions based on themes and concepts, debates, quiz competitions, lectures, science model exhibitions and many more activities.

Road safety awareness rally on 10.02.2022

A Public awareness rally for road safety was organised on 10-02-2022 by National Service Scheme students of E.G.S. Pillay Engineering College in collaboration with the institutional transport office. The motive behind organising the rally was to develop the student as a national power, to make them think about development, in which road safety plays an important role. The objective of the rally was to bring the students to the traffic road safety information to all the people. At the beginning of the rally, Mr. S. Shankar Ganesh, Joint secretary/EGSPEC inaugurate the rally and he provided guidance to all the students by telling them about the road safety rules. He said that while driving a car seat belt should be worn and helmet while riding a two wheeler. The rally started from college campus and ended in Thethi village (around 1 KM). At the rally, the students were walking along the slogans about road safety while chanting slogans with sarcasm. The students disseminate awareness about road safety rules, significance of wearing helmets, seat belts, etc. It was a successful event wherein the students also interacted with the citizens. This event was completed under the leadership of Prof. Dr. V. Sivaramakrishnan, Program officer/ NSS and Mr. A.Saravanan, Transport incharge/EGSPEC. On this occasion Dr. A.R. Deepa, HoD/ SAH congratulated all the students and wished them a bright future.

(Mr. S. Shankar Ganesh, Joint secretary/ EGSPEC, Dr. A.R. Deepa, HoD/ SAH, Dr. V. Sivaramakrishnan, Program officer/ NSS, Mr. A.Saravanan, Transport incharge/EGSPEC)

Cancer awareness program on 04-02-2022

World Cancer Day aims to promote awareness on cancer as a public health issue and to strengthen actions towards improving access to quality care, screening, early detection, treatment and palliative care. This year's theme is "close the care gap" which is about understanding the inequities in cancer care and taking actions to make the necessary progress to address them. We are observing World Cancer Day at a time when the world continues to live through the COVID-19 pandemic, where people living with cancer are at risk of getting severe symptoms. People living with cancer often develop COVID-19 symptoms more quickly, and they may suffer complications and require admission to an intensive care unit (ICU) if they do not seek immediate medical care. Unfortunately, the COVID-19 pandemic continues to cause significant cancer care disruptions, impacting patient access and lives. Moving forward, we have the opportunity to put the lessons being learned during this pandemic to good use in order to step up action to address disruptions and inequities in cancer prevention, care and control. By motivating these words from WHO, cancer awareness program is organized by National Service Scheme unit of E.G.S. Pillay Engineering College in college campus. Dr.S. Ramabalan, Principal/EGSPEC is invited to deliver lecture on "Close the Care Gap".

Yoga program on 02-02-2022

Students of all professional courses are under stress amongst which engineering curriculum is rated as one of the highest. Yoga is a perfect complement to student's lives. The physical practice is a great relief to lengthy periods of being stationary when students are studying, and there are also many benefits for the mind and relieve from stress and anxiety. Many studies have indicated that the students experienced a reduction in stress and anxiety levels after inclusion of regular practice of yoga and can have a significant change in the lifestyle of an engineer by allowing them to maintain their health as well as relieving them from their day-to-day stress. Considering the long-term effects of the engineering profession on one's health, it is crucial to know the awareness levels about yoga and its benefits amongst engineering undergraduate and post-graduate students towards ensuring physical, mental and psychological well-being. With this objective, NSS of E.G.S. Pillay Engineering College conducted a Yoga program on 02-02-2022 for first year students (around 100 students). Mr. Pandian, Yoga Master/EGSPEC conducted the class by performing yoga poses in precise alignment, using the correct terminology, and safely guiding students through the flow of the practice. He guided students to "connect to breath" while conducting a series of physical and mental exercises. Students participated in the class reported increased levels of relaxation, greater perspective of their lives, more focus, and feelings of empowerment.

Yoga program conducted by Mr. Pandian, Yoga Master/EGSPEC on 02-02-2022

National Consumer Awareness on 24-12-2021

In E.G.S. Pillay Engineering College, the National Consumer Day is celebrated every year on December 24 with an aim to spread awareness about consumer rights and the power of a consumer. In India, to keep the integrity of consumers and protect them from malpractices, a set of rights is conferred to every citizen under the Consumer Protection Act. The day provides an opportunity for students to highlight the importance of the patronage movement. This day provides an opportunity for opportunity to make more aware of the importance of consumer rights campaign and their rights and responsibilities to every consumer. As part of this initiative, E.G.S. Pillay Engineering College has created awareness among students and staff about consumer rights and the power. Dr. V. Sivaramakrishnan, Program officer/ NSS inaugurated the celebration. Dr. S. Chokkalingam, AP/MECH and Mr. R. Sundar, AP/MECH delivered lectures on “Consumer Protection in Digital Era” for students.

(Dr. V. Sivaramakrishnan, Program officer/ NSS, Dr. S. Chokkalingam, AP/MECH, Mr. R. Sundar, AP/MECH and student volunteers participating in rally)

Energy Conservation Week Celebration on 17-12-2021

It is observed that National Energy Conservation Day is celebrated by the Ministry of Power as Energy Conservation Week from 9 to 14 December 2022 to spread awareness about the importance of energy and the need of conserving energy by consuming less electrical energy. The true meaning of energy conservation is to avoid unnecessary use of energy and to use at least power so that energy sources can be saved for future uses. To make energy conservation plans more effective, every person should include energy conservation in their behaviour. In line the Energy Conservation goal of Ministry of Power, to disseminate the information about energy conservation policies, financial management, and implementation of energy-related projects among students and staff, the NSS unit of E.G.S. Pillay Engineering College in collaboration with Electrical and Electronics department and Tamil Nadu Electricity board organized an Energy Conservation awareness program on 17-12-2021 at our college campus. Mr. Arun, Assistant Engineer/Tamil Nadu Electricity board discussed how to achieve conservation of energy also protects our environment. Ms. A. Priya Assistant Engineer/Tamil Nadu Electricity board explained the importance of renewable energy resources to achieve sustainable development goal 7 (SDG7).

(Mr. Arun, AE/TNEB, Ms. A. Priya, AE/TNEB, Dr. S.Parameswaran, Secretary/ EGSPEC, Dr. V. Mohan, HoD/ EEE,

Blood donation camp 07.12.2021

With the motto of 'Donate Blood, Donate Life', We took some time off from regular academic schedule for a noble cause and organized a voluntary blood donation camp in our college campus which received an excellent response from the students and staff. This serves as a motivating factor for the donors; encouraging them to actively participate in blood donation camps in the future and contribute towards society. The NSS unit of EGSPEC in collaboration with Nagapattinam Mid Town Rotary Club and Tamil Nadu Govt. Hospital organizing blood donation camp on 07-12-2021. Mr. S. Shankar Ganesh, Joint secretary/ EGSPEC inaugurated the camp with positive thought "Donate blood so that no life is lost due to its paucity". Mr. Balaji, President/ Nagapattinam Mid Town Rotary Club explained the importance of organizing blood donation camps in educational institutions. More the 85 students and staffs donate their blood on that day. The donated blood is sent to Tamil Nadu Govt. Hospital Blood Banks which help our people to get the blood they need through transfusion process.

(Mr. S. Shankar Ganesh, Joint secretary/ EGSPEC, Mr. Balaji, President/ Nagapattinam Mid Town Rotary Club, Dr. A.R. Deepa, HoD/ SAH, Dr. V. Sivaramakrishnan, Program officer/ NSS)

Cyber Crime Awareness Program on 25.11.2021

Cyber-crimes especially against women and children are on the raise and they have been drastically victimized in the cyberspace. Some illegal persons try to defame women and children by sending obscene e-mails, stalking women and children by using chat rooms, websites etc., developing pornographic videos where women and children are depicted in compromising positions mostly created without their consent, spoofing e-mails, morphing of images for pornographic content etc. Massive awareness needs to be created regarding the safe use of Mobile Phones, Computers and the Internet. In this context, the NSS unit of EGSPEC in collaboration with the department of Science and humanities organized cyber safety awareness program for students and staff of EGSPEC. Mr. C Sureshkumar, Sub-Judge & Secretary/District legal services authority, Nagapattinam, invited as chief guest and delivered lecture on "Cyber Security and Cyber Crime in Digital Era". His talk geared on various facts of Cyber Stalking, Extortion, Spoofing, Cyber Crimes and Cyber Forensics. He discussed about crime investigation case studies. His talk pursued about Privacy Policy for various applications that are freely available. He catered usage of Disposable Email Accounts and explained the importance of it. At the end of the session, the Program officer/ NSS, Dr. V. Sivaramakrishnan conveyed the vote of thanks to the speaker who enlightened the students on the scope of projects in Cyber Security and issues in cyber space. About 100 students 25 staff actively participated in the awareness program and questions related to cyber fraud and cyber women crimes were asked, in respect of which information was given by the cyber officers regarding their avoidance.

COVID vaccination camp on 25.08.2021

E.G.S. Pillay Engineering College in collaboration with Tamil Nadu Government Hospital organize COVID vaccination camp on 25.08.2021 at E.G.S Pillay Engineering college Auditorium. The introduction of COVID-19 vaccine is a major step towards reducing the spread of the pandemic and further reducing the associated disease and deaths. COVID-19 vaccines can offer added protection to people who had COVID-19, including protection against being hospitalized from a new infection. About 900 students 100 staff benefitted in the COVID vaccination camp. Nagapattinam District collector Dr. A. Arun Thampu Raj, I.A.S, invited as chief guest of the camp. E.G.S. Pillay Engineering College Chairman S. Jothimani Ammal, Secretary Dr. S. Parameswaran preside over the camp.

COVID vaccination camp conducted at E.G.S. Pillay Engineering College Auditorium.
