Respected sir,

Sub: Request for attending industrial Visit in Accent Technology at Coimbatore Reg:-

In order to enhance our student's knowledge in the view of industrial expertise, we have planned to organize industrial visit to Accent Technology at Coimbatore from 11.08.2018 to 14.08.2018 with nearly 95 students along with 4 staff members. We request you to give us permission to organize this visit and we request you to accept the same.

Thanking you

Yours faithfully

Respected Sir ,

Greetings from ACCENT TECHNO SOFT (ATS) – an ISO 9001-2015 registered Organization

We once again welcome you with immense pleasure!!

This is the gentle acknowledgement of Call offer for one day Industrial Visit for students dated August 11th respectively.

The training Session will be on emerging technologies.

We hope this training will benefit the students of your institution and enable them to know about current scenario of IT Industry in a better way.

The cost would be Rs.120/- per student with common certificate for One Day Industrial Visit.

Note: The students have to submit their Bona-fide provided by the college at the time of reporting.

Have a nice day!

--

Thanks & Regards,

Priya.K

DEPARTMENT OF MCA
REPORT ON INDUSTRIAL VISIT TO
COIMBATORE (2017-2018)

Data: 11.08.2018 to 14.08.2018

Company Profile

Accent Techno Soft (ATS) provides a wide range of solutions in IT Consulting, technology and Operations space for our clients. To enhance the business value of our service offerings to our customers, we have formed strategic alliances with industry bodies, technologies vendors and system integrators. Through these partnerships we are able to deliver industry-best end-to-end solutions to our customers.

Accent was founded by experienced software professionals and providing the foundation for the company's expertise in E-commerce/Web applications, custom application development, data warehousing, enterprise management solutions, and operations management (support, maintenance, implementation) . Accent Techno Soft, specialize in the business of software Training & HR Consultancy spotlighting in India.

Accent provides comprehensive and cost-effective training for individuals looking to inflate their IT skills in their current professions or looking to take the first step toward new careers. The success of our customers is realized through training sessions, but the foundation of Accent is based on inspiring students and companies to become more productive and successful in their daily activities.

Objective:

The industrial visit is intended to provide students of Computer Engineering with required exposure to the working environment and practical knowledge. The motive is to learn and supplement the class room teaching.

Companies Visited: **Accent Techno Soft (ATS), Coimbatore**

Duration: 4 Days (From 11.08.2018 to 14.08.2018)

Number of Students participated: 95 Students.

Date of Visit: 12 August , 2018 -

Faculty & Staff members accompanied: Mrs.C.Mallika. Mrs. A.Hema, Mr.S.Selvaganapathy

Outcome of the visit:

Industrial visit was carried out from 12th August, 2018 to 13th August, 2018 for MCA Students. The main objective behind the visit was to make the students aware about how the computers are used in different industries. Three different industries were chosen to show the widespread and different uses of computers. The industries were selectively chosen so that the students could relate and understand the major role played by each one of them.

With the emergence of mobile phones, PDA's, smart phones and other mobile technology the need for mobile application development also increased. Today, there are numerous interesting mobile applications available which makes the use of mobile phones more exciting. Android is the first truly open and comprehensive software platform for mobile devices, it's a complete software to run a mobile phone but without the proprietary obstacles that have hindered mobile innovation. It is powered by Linux Kernel. This is the first open source platform which is robust and is expected to gain much popularity. Compared to many existing platforms, Android is truly open to continued innovation and new experiences because independent developers have almost unlimited access to the platform so they can develop applications never seen before. End users will enjoy a much greater choice of mobile applications to enhance email, texting, web browsing, music, camera, calling and GPS-

Capabilities

Discussing

- Understanding of Mobile
- Software development ecosystem
- Exposure to mobile software dev platforms and frameworks.
- Overall market exposure
- Exposure to Android platform.
- Hands -on on development of Android application development.
- Learn development and publishing of Apps on Android.
- Students can kick off development of Android projects after this course.

Overall it was an informative, interesting and a successful visit. As students of Computer Engineering, they understood live Software applications and importance of Computers in different industries. We express our thanks to the professionals at the above visited industries who spent their valuable time in imparting their broad spectrum of knowledge to the students.

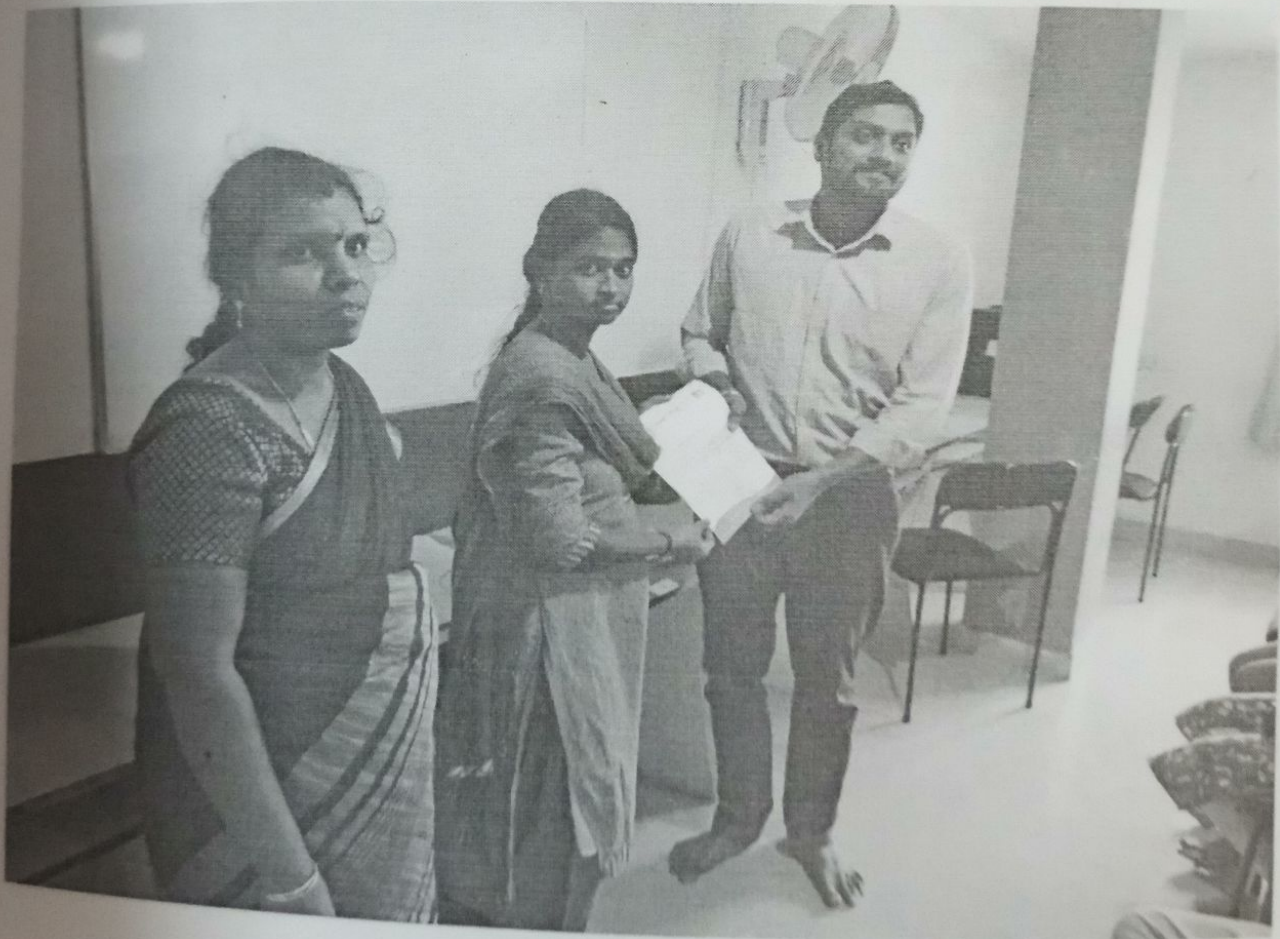

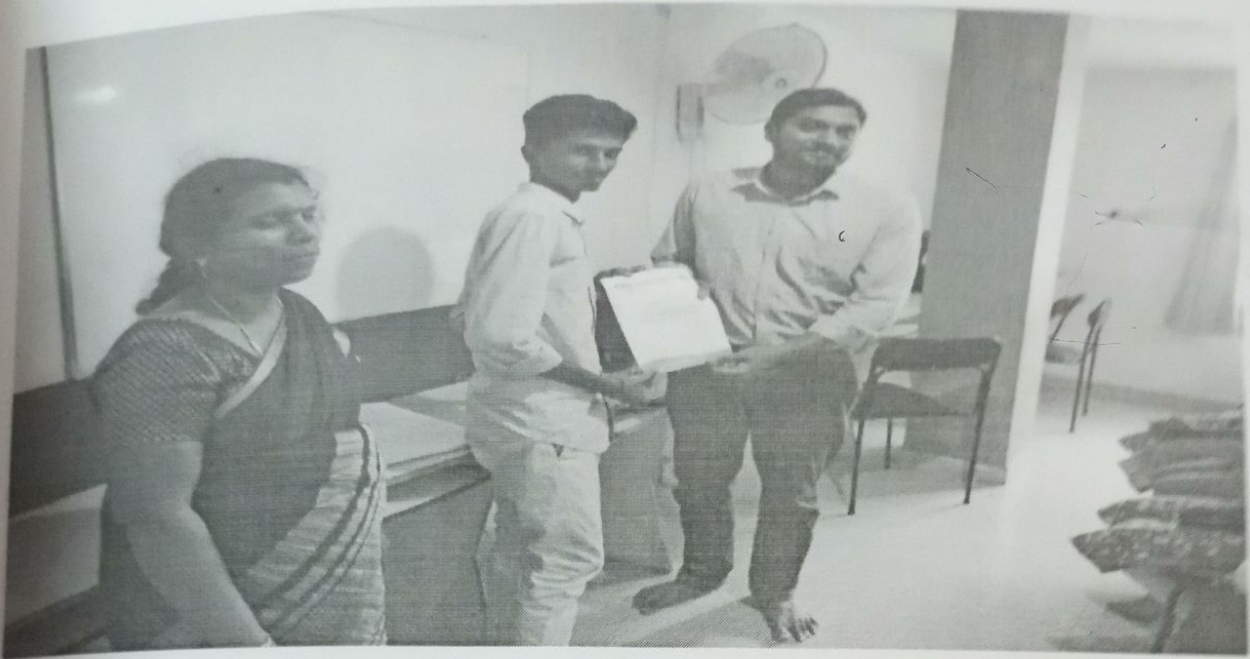

Students Feedback

Industrial visit to Accent Techno Soft (ATS) Coimbatore. The guiding staff both college staff as well as site staff was very supportive to all students. We hope that this visit will help us in our future practical life and bring a positive change in our thinking and practical behaviour regarding Education and specially Engineering. We, the Students of MCA. Engineering are extremely thankful to Honourable Principal of Staff coordinator HOD /Department of MCA , Mrs.J.Vanitha Takale all staff of Department of MCA and the Student Coordinators of visit.
