4.2.4 usages of Library by Teachers and students (footfall and login data for online access)

4.2.4: Number of teachers and students using library per day over last one year

The EGSPEC library is providing continuous services to the user community as per the requirements of the users.

In the EGSPEC library, (E.G.S PILLAY ENGINEERING COLLEGE (A)), per day usage statistics of library by the user community (Teachers and students is calculating by the following formula:

$$\text{Per day usage of library} = \frac{\text{Total Number of teachers and students visited library}}{\text{Total Number of library working days}}$$

$$\text{Per day usage of library } d = \frac{120835}{131} = 922$$

$$\text{The percentage of using in a day} = \frac{\text{Number of teachers and students using library per day}}{\text{Total number of teachers and students}} \times 100$$

$$= \frac{922}{3357} \times 100 = 27.46\%$$

Academic Year	Total Number of Teachers and students Visited Library (a)	Total Number of Library Working days (b)	Per day usage of Library (d= a/b)	Total Number of Teachers and Students (c)	Percentage of per Day Usage of library (%=d/c*100)
2021-2022	120835	131	922	221+3136=3357	27.46%
