ABOUT THE INSTITUTION

Velalar College of Engineering and Technology (Autonomous) Thindal, Erode, one of the best-known Self-financing Co-Educational Institutions, aims to achieve excellence in Engineering education with strong emphasis on the uplift of rural students who have only limited avenues for higher education. The college has been established in the year 2001, with all in-built infrastructural facilities. It offers excellent quality education in such a manner as to empower the students for facing any challenging environment after they graduate from the portals of the college. The institution has completed 16 years of dedicated and excellent service in the field of technical education. This institution offers seven UG and Six PG programs and the Departments of Management Studies, Physics, Chemistry, EEE and ECE are recognized research centers of Anna University, Chennai. The college has signed Memorandum of Understanding with many leading corporate and multi-national companies to enable the faculty and students to gain practical knowledge and exposure to industrial environments.

ABOUT THE DEPARTMENT

The department of Management Studies was started in the year 2005. The department aims in developing intellectually alert, scientifically progressive, globally competent and dynamic young Business Administrative and Management professionals. The Students who come out are technically competent and 'employable' human resources for Business Industries. There is an increasing realization among the faculty and the students about the importance of research for a successful academic career. The department also focuses on developing business leaders.

ABOUT THE LOCATION

The college is situated at Thindal on the State Highways (SH-96) about 90 km from Coimbatore and 8 km from Erode.

FDP OBJECTIVE

The key objective of the FDP is to enable the participants to enhance their teaching and other skills, make them aware about modern teaching tools and methodologies, acquire knowledge about current technological development in relevant fields, impart professional practices relevant to technical education, achieve competitive teaching and learning environment and channelize development with respect to academic qualifications and personal matters.

This FDP will help to promote real-time teaching experiences. The core skills of microteaching such as presentation and reinforcement skills help the novice teachers to learn the art of teaching at ease and to the maximum extent. The impact of this technique has to be seen widely in various forms of education such as Health Sciences, Life sciences, Management Sciences, Engineering Sciences and other areas.

AREA TO BE COVERED ON FDP

This FDP covers on "Contemporary Issues on Effective Teaching" faced by Faculty in teaching the students of Management studies. The main focus of the course includes:

- N Effective Communication
- N Innovative Thinking
- N Problem Solving
- N Coping with Stress
- N Managing Emotions
- N Teaching through Events
- N Conflict Management

RESOURCE PERSONS

The Resource persons will be from Reputed Industries and Premier Institutions.

WHO MAY ATTEND

ATTENDED primarily targeted to the Faculty members, Research Scholars and the Industry People who are interested to grab New Tactics and Advances to improve their group in all the areas of Management Studies.
